## Nash Features Smart New Cabriolet

Nash announces a cabriolet or convertible coupe or cabriolet in each of the three lines. Streamlined to conform to the styling of the regular models, the cabriolet may be had in the Nash Ambassador Eight, the Nash Ambassador Six, or the Nash Lafayette. C. W. Nash, chairman of the board of the Nash Motors company, and founder of the Nash line, is shown with a Nash ambassador eight cabriolet.

Spring—the zest of a new air, the temptation of an open highway, and this smart new Oldsmobile Six Convertible Coupe, a rakish roadster open to the sun or a weathertight closed car for April showers. Different from any other car on the road, it answers the call of the open country lanes, city boulevards, or for that daily drive to the golf course. It is a spirited, youthful car, this Oldsmobile Six. So is its companion, the 1937 Oldsmobile Eight.

## Rodeo Queen Bags a "Smoothie!"

Mounted on a Goodrich "tire horse" built from tires and accessories, Beverly Spooner, Queen of the Ellensburg Rodeo, bags a "smoothie" tire dangerous to highway safety. The rodeo queen featured the annual "roundup" of unsafe tires conducted by Goodrich Silvertown Stores and dealers. The B. F. Goodrich Company is the pioneer safety crusader among tire companies.

## Free Car Check-up And Vacation List Associated Feature

Getting off to a good start means a successful conclusion to the annual vacation trek, says this modern edge.

Supplementing the popular "Don't Forget List and Vacation Guide" which is now ready at all Associated Division, Tide Water Associated Oil company dealers on the west coast.

With the don't forget list completely checked and everything in readiness for the joyous vacation trip, what could be more harassing to thorough enjoyment than to have the family chariot suddenly develop respiratory trouble just when the mountain or seashore goal is about to be reached? Or to have the car overheat due to a broken fan belt. Or to have the engine missing and wasting gasoline because of a dirty spark plug.

All such joy-killers together with a full list of 40 possible mechanical and servicing ills can be thoroughly checked at no charge by all Smiling Associated Dealers, thus affording the

## JAPAN STRONG FOR NAVY ARMAMENTS

TOKYO, June 19. — (AP)—Foreign minister Koki Hirota formally informed United States ambassador Joseph C. Grew today that Japan was unable to change her decision against limiting the size of naval guns to 14 inches.

The foreign minister spoke with the approval of Emperor Hirohito. His statement was in reply to a proposal by President Roosevelt and was understood to reaffirm Japan's previous argument that real naval disarmament could be attained only by reducing total naval tonnage as well as the size of guns.

## New Type Signs In Northwest

This is the first commercial installation of this type of sign in the Pacific northwest. The sign which operates from a six-volt battery and transformer, was recently installed on a 1936 Chevrolet delivery truck here by The Pacific Company, Oregon distributors for Master-Bilt signs. Portland has been selected as a distributing point for Master-Bilt signs. It was announced.

## BAILEY ASSIGNED TO PAROLE TASK

SALEM, June 19.—(AP)—Drafting of all bills relating to Oregon's parole, probation and sentencing system was the task assigned by Governor Martin today to Justice J. O. Bailey of the state supreme court.

The recommendations of the committee of 10 men, appointed this week to study the system, will be submitted to the 1939 legislature. The governor appointed Justice Bailey chairman of the commission. In a letter to Bailey, the governor said "the problem of crime is the

greatest unsolved problem of the centuries.

"Laws for the punishment of crime should be founded on the principles of reformation and not of vindictive justice."

The governor said all of his office records would be available for the commission's study.

## WILLAMETTE MILL WORKERS HIT CIO

EUGENE, June 19.—(AP)—The Willamette district council of lumber unions voted last night to submit to the various locals within the district the question of affiliating with John L. Lewis' CIO, but at the

same time voiced a vigorous protest against the entrance of the CIO into lumber unionism.

The council declared that the referendum here will be taken in conjunction with similar action throughout the northwest, but that the Willamette district could continue its AFL affiliation even if the rest of the area turned to the CIO.

Let Mr. H. R. Rich of Chicago tell you why he got out of the "All Three" class!

"I'd been driving one of the 'All Three' cars. I've no complaints... it was a fine car. But with better times returning I wanted to get back in the 'big car' class. The low delivered price on the Nash Lafayette—'400' simply amazed me. Actually it cost me just a few dollars more than one of the 'All Three'."

All over America, people are having experiences like Mr. Rich's. Just take a look at that car in the picture. It's a great big 117-inch wheelbase car. You get a 70-horsepower, six cylinder engine that costs less to run than many of today's smaller cars. You get larger hydraulic brakes, stronger all-steel body, extra-wide seats, more headroom, legroom. All this—yet it delivers for just a few dollars more than the "All Three" small cars.

Get the Nash extra value story today. See the Nash Ambassador Six—a luxurious 121-inch wheelbase car—bigger than cars costing over \$200 more. See the Nash Ambassador Eight—one of America's real "luxury cars"—actually compares in size with cars costing \$170 and \$200 more. Let the X-Ray System open your eyes to the real, true facts about all the new cars. See it at your Nash dealer's now.
