Mrs. Crawford Is Greeted on Visit

Greeted by many old friends here during the past few days was Mrs. Perry Crawford of Chicago, a former resident of this city.

Mrs. Crawford and her daughter, Doris, arrived last week-end from Palo Alto, Cal., where Mrs. Crawford is a student. They were the house-guests of Mr. and Mrs. Tom Bradley during their stay here.

A number of friends were invited to greet Mrs. Crawford at a tea arranged Saturday afternoon by her hostess. Other informal affairs were arranged for the visitor during her stay.

Mrs. Crawford and her daughter left yesterday afternoon for San Francisco. The Crawfords have been making an extended motor tour and plan to continue their vacation at Lake Tahoe and other resorts before returning home.

The Crawfords were prominent residents of this city until their departure several years ago and have many friends in the valley.

Advent of Summer Changes Activity

With the arrival of summer weather, social activities of the city and valley are undergoing an annual change in character.

Formal entertaining is held to a minimum, private and organization groups containing activity to simple or outdoor affairs. Hostesses concentrate on small gatherings and large luncheons and dinner parties are much less frequent than earlier in the year.

The many local and out of town residents maintaining summer lodges on Rogue river or lakes of the district utilize the recreational and refreshing atmosphere of such resort spots for entertainment of visitors and friends.

Many have made travel plans for the summer, with trips of varying extent featuring the summer months. Shorter excursion trips and week-ends at vacation spots of southern Oregon attract others and town social centers will be more or less deserted until fall.

Miss Roberts Home From Visit South

Returning home by train this morning was Miss Dorothy Roberts, who has spent the past several days as the guest of friends in San Francisco. She was in the bay city to attend affairs arranged to precede the wedding of a friend.

Miss Roberts is among Medfordites planning extensive travel during the summer. She will sail for Europe early in August in the company of friends.

Also leaving Medford at that time will be Mrs. Robert Maents and infant son, who has been a guest at the home of her parents, Mr. and Mrs. G. M. Roberts, for the past several weeks. She was formerly Miss Mary Lee Roberts and is being welcomed by a large number of old friends. She and her husband have been in the east for some time.

Picnic Planned For Group Sunday

Members of Nevada chapter, O.E.S., will be entertained at a chapter picnic next Sunday on Rogue river at Bybee bridge, chapter heads state. All members of Eastern Star and their families are extended an invitation.

Parents Guests At Durno Home

Being greeted here are Mr. and Mrs. Emil Baker of Dunkirk, N. Y., who arrived recently from the east. They are the house-guests of their daughter and son-in-law, Dr. and Mrs. Edwin R. Durno and will be here a while longer.

MAASSENS SELL AUTOMOBILE CAMP

Mr. and Mrs. J. S. Maassen, who have owned and operated the Ever Shady auto court for the past 10 years, have sold the place to Mr. and Mrs. L. J. Cantway of Los Angeles.

Mr. and Mrs. Cantway, with their two girls, will arrive here this week and will take possession of the property July 1. Mr. Cantway was in the insurance business in Los Angeles.

Mr. and Mrs. Maassen came to Medford July 10, 1927, from Memphis, Tenn., and a few days after arriving here acquired the property. They left here in January, 1935, after Mr. Maassen had suffered two strokes and have since resided in southern California, leaving the business of the Ever Shady auto court and the Sunrise auto court with Mrs. Maassen's son, S. S. Humphries.

They will continue to reside in the south, now living at 315 North Windsor boulevard, Los Angeles. Mr. and Mrs. Humphries will move on July 1 to the Sunrise auto court. Mr. Maassen, who has fully regained his health, will be in Medford for several days after the first to do some fishing if the weather clears up.

Phythians to Make Residence in South

A departure much regretted by many Medford friends was that of Mrs. George F. Phythian, who, with her daughter Phyllis, left Monday evening to join other members of the family in California, where they will make their home.

The Phythians are henceforth to reside in San Diego, Calif. They have been widely known during their residence here and have scores of friends in the city. The Misses Phyllis, Marjorie and Jean Phythian are well known among Medford's younger set and have taken a prominent and active part in social activities of the group.

Mr. Phythian has been in the south for the past several months. Mrs. Phythian and their daughters remaining here until the close of school. Both Phyllis and Marjorie have been students at Oregon State college.

During her last few days here, Miss Phyllis Phythian was a house-guest at the John C. Mann home.

CHERRY PICKING GETS UNDER WAY

Picking of the 1937 crop of Rogue valley cherries has started on a small scale in the Medford area, according to County Horticulturist G. B. Cordy, and will be in full swing in all districts in a week or ten days. The Bing varieties are the first to be harvested. Some Royal Annes are also being picked.

The first price offering was reported as "around six cents per pound." The Rogue River Canning company announced it would not start canning cherries for another week or ten days, when the cherries are riper and possess more sugar content.
