Everyday Cooking Miracles

BY VIRGINIA FRANCIS, Director Hotpoint Electric Cookery Institute

Sometimes the adventurous kitcheners here in the Institute develop a recipe that even gets our sophisticated culinary artists "set up." Only recently there was quite a flurry of excitement over a new chocolate icing made on the new high-speed Calrod units of the electric range that is the answer to a homemaker's prayer.

Fresh from the oven of the electric range, these delicious cup cakes are dipped in chocolate icing cooked on the surface unit of the range.

too thick, nor too thin. It's like the Little Bear's porridge in the Goldilocks tale—"just right." This grand icing goes on the cake or cup cakes with the greatest of ease and can be arranged in gorgeous swirls if you wish.

Use Paper Cups. If you could have seen and heard the admiring circle that gathered around this newcomer to an illustrious line of Hotpoint recipes, you'd have thought that somebody was showing off her 14-carat engagement ring for the first time, considering the chorus of "ohs" and "ahs." However, this recipe is a 14-carat one and I'm going to share it with you; but first, here is a recipe for some delectable cup cakes worthy of a "miracle" icing.

Miracle Chocolate Icing. 2 squares unsweetened chocolate, 2 tablespoons butter, 5 tablespoons boiling water, 2 1/2 cups confectioner's sugar, 1 teaspoon vanilla extract.

PARENTS MUST HAVE KNOWLEDGE OF YOUNG SAYS P.-T. CHAIRMAN

CORVALLIS, June 25.—(AP)—Knowledge of children is a necessary shock absorber for parents of today.

"Parents used to have the respect of children because the parents knew more and could prove it. While the parents still know more than the children, it is not so easy to prove it today," she said.

PARKER AND SON FACE SENTENCE FOR KIDNAP; LENIENCY IS ADVOCATED

NEWARK, N. J., June 25.—(AP)—Another complex sequel to the Lindbergh kidnaping drew to a close today as Ella Parker, Sr., colorful "country detective," and his son, Ellis, Jr., awaited sentence for plotting the kidnaping of Paul H. Wendel.

The two were convicted Wednesday by a federal jury of conspiring to seize and torture Wendel to obtain a false confession to the kidnaping of Charles A. Lindbergh, Jr.

The elder Parker, 65 years old, choked back tears as the verdict was read. The son appeared calm.
