American Legion Auxiliary

By Grace Holmes
Auxiliary members and wives of Legionnaires are invited to attend the much delayed picnic at Jackson hot springs Tuesday evening, June 29. The swim and picnic is to be a mother-daughter event. This was postponed because of the rainy weather. The swim will start at 5:30 p. m. followed by a picnic supper. Bring table service and a basket lunch. Ice cream and coffee are furnished. If transportation is needed call Mrs. Edward Leach at 355-R-1.

The largest membership enrollment in its history will be reached by the American Legion auxiliary during June. The auxiliary entered June with an enrollment of 415,000 members. A total membership of 450,000 is expected for 1937 according to the last figures of the state membership chairman.

Support of the peace program of the American Legion will have a prominent place in the summer activities of the auxiliary. Auxiliary women throughout the country have been working vigorously for the program since it was adopted in Cleveland, Ohio, last fall and hope to see it completely achieved before the end of the summer.

The program calls for neutrality fully enforced to keep the United States from entanglement in foreign wars; passage of a universal service law to provide equal service for all and special profits for non-profit in event of war, and strengthening of the national defenses to give assurance that weakness of defense will not invite aggressions which will force the United States in war.

The auxiliary unit of Medford is to have its vacation for the next two months and all members are reminded of the state convention to be held in Albany in August. According to the latest reports it is to be the "best ever" convention so all are urged to attend.
