Wall St. Report

NEW YORK, July 1.—(AP)—The stock market rested on its oars today after a further upstream pull in extension of a mid-year rally.

While early gains were shaved, most shares held advances of fractions to more than a point in late dealings.

A shift toward steel was seen for a while accompanied by a break of more than 2 points in Chrysler. However, steel shares encountered larger offerings on the bulge and yielded part of the ground gained.

Guy Kibbee Heading Cast Rialto Comedy

With Guy Kibbee in the title role, Octavius Roy Cohen's famous "fat man" detective steps out of the Saturday Evening Post onto the screen in "Jim Harvey, Detective," coming to the Rialto theatre for tomorrow and Saturday.

Comedy, naturally, is the keynote of the film play, but enough thrills are mixed in to more than balance the laughter.

Tom Brown, Ed Brophy, Lucie Kay and Catherine Doucet all have featured roles in this picture heading the twin bill that will have stinging Dick Foran in "Cherokee Strip" as the added feature.
