chairman and master of ceremonies at the joint session of the convening bodies. Mayor George Porter of Medford gave the welcoming address to the packed theatre. Invocation was by Department Chaplain I. G. Shaw. Greetings were extended to the visiting delegates by Etha W. Wall for the Veterans of Foreign Wars, Joe Miesel for the Medford post of the American Legion, A. H. Banwell for the Disabled American Veterans, Bertha Hoffman, president of George Starmer Auxiliary of Medford, and by Frank J. Newman, of Colonel Sargent Camp, convention hosts, who also introduced Department Commander Hugh S. Rogers.

Parade Staged

Previous to the joint session at the Rialto theatre, a colorful parade of the Department Auxiliary left city park at 9 a. m. and moved down Main street to Central, and thence to the Elka temple. At the temple, a 11-piece band and drum corps of Camp Scott Young number 2 of Portland also took part in the parade. Following the meeting, the Auxiliary camps marched to the Rialto theatre for the joint session with the Department U. S. W. V.

Joint memorial services in the First Presbyterian church last night featured the opening day of the four day encampment. The memorial address was given by Department Chaplain I. G. Shaw.

The services opened with an organ prelude, and the entire gathering singing "America." The church was filled to capacity. The Rev. Sherman L. Divine gave the opening prayer, and the Rev. E. S. Barilan gave a scripture reading. Introductory remarks were made by Department Commander Hugh S. Rogers and Department Auxiliary President Millie Hill following a solo by Edna Ewert, "No Night There."

Remember Departed

Reading of names of deceased comrades by Department Registrar Thomas C. Bodley and reading of names of deceased sisters by Department Secretary Grace Faust followed, and after the placing of flowers by Department Auxiliary Chaplain Jane Monroe, the services were brought to a close by Chief of Musicians Henry Barron sounding taps.

It was announced today that Capt. O. L. Overmyer would lead the huge joint parade of the snax tomorrow evening at eight o'clock.

Hotels and rooming houses were packed today and restaurants were doing a land office business as Medford opened its arms to the living heroes of the Spanish-American war and their families and friends. Veterans and wives with graying hair were

AQUATIC SCHOOL OPENED BY CCC

Medford CCC district's annual Red Cross water first-aid and life-saving school opened today here and in Ashland with 47 men enrolled.

Two men from each of the district's 23 camps and one from headquarters detachment are enrolled. Each morning the group will work out at the Twin Plunges in Ashland and each afternoon will meet for class study at headquarters detachment here.

He announced that prizes will be awarded to the two men making the best showing in the school work, and other prizes will be posted for the demonstrations and aquatic sports to be staged Saturday evening as part of the "Greater Ashland" celebration.

Men who qualify in the Red Cross school will return to their camps and conduct similar schools during the summer.

FRANCE TO OPEN SPAIN FRONTIER, BRITISH WORRIED

LONDON July 12.—(AP)—British statesmen worked urgently today to formulate a new plan to isolate the Spanish war, hoping to complete it by Tuesday.

France's announcement that international control of her Pyrenees frontier would be suspended Tuesday unless a similar barrier were restored by Portugal, made that date a virtual deadline for the next British move.

Anthony Eden, foreign secretary, and the Earl of Plymouth, British chairman of the 27-nations non-intervention committee, were seeking the new formula, in fulfillment of virtual pledges made in the committee's two meetings yesterday. They were working in secrecy.

Informed British quarters interpreted the move as designed to bring pressure on Germany and Italy to return to cooperation in efforts to isolate the Spanish conflict.

The Grange

Gold Hill Grange met July 9 with 38 members and 21 visitors in attendance. Visitors included State Senator Bro. Johnson and wife of Rogue River Valley Grange in Josephine county. He is also a county Grange deputy; Sister Josephine Powers, master of Rogue River Valley Grange; Sister Victoria Sudbury, master of Fruitdale Grange, and Bro. Hutchens, acting master of Live Oak Grange. We also had several other visitors from Live Oak and Same Valley. Visitors are always welcome. The Gold Hill Grange officers put on the 3rd and 4th degree for seven Gold Hill candidates and two Live Oak candidates.

Brother Flah, our worthy lecturer, had a very fine Independence Day program planned and it was enjoyed by all. The song, "Red, White and Blue," was sung by all, then followed by the Declaration of Independence delivered by Bro. Ferguson. Bro. Johnson delivered an appropriate historical Independence Day address. Bro. Greenleaf gave a humorous address and Bro. Hannon gave Lincoln's Gettysburg address followed by a song by quartet of Bro. and Sister Flah, Sister Galsbreath and Harold Fish. Bulan Nathan at the piano.

Committee reports were all good. Refreshments were served by Lillie and Richard McKay, Franca and Pauline Tygart and Everett and Bulah Rosecrans. Gold Hill Grange takes this opportunity of thanking the public who so kindly helped to make our first Grange dinner a big success.

Roxy Ann Grange met July 2, with a good attendance. Mr. and Mrs. Lewis Bush were obligated in third and fourth degrees.

Lecturer's program was in charge of Margaret Goddard. A reading was given by Maude Upp. A debate, "Resolved the Fourth of July is the most important holiday" was held. Those taking part were

Louis Upp, Clifford Cordy, Charles Rose, Roscoe Roberts, Mollie Cordy and Bea Elliott.

A skit, "The Smiths going to a Fourth of July Picnic," was put on by Francis Moffat, Mary Elliott, Gene Tedrick, Gareth Goddard, Gene Force and Don Elliot Jr.

A picnic supper and swimming party is planned for the evening of July 15 at Ashland.

The lecturer is sponsoring an attendance contest for the summer months. The men are twenty points ahead of the women already. The ladies should get busy or they will have to furnish the "rats" at the close of the contest.

Forest Creek

FOREST CREEK, July 12.—(Sp.) Mr. and Mrs. John Black and family spent July 4 at the home of Mr. and Mrs. P. E. Betz on Rogue river near Shady Cove.

L. F. Mooney and La Verne French returned to their quartz mine on the Black property July 6 after spending the week-end at their home near Sutherland. The mill is now running on full schedule but will shut down next week for the installation of an additional concentrating table.

Mr. and Mrs. Ivan Davis and family were guests of Mrs. Davis' relatives at Lake creek, over the Fourth.

Mr. and Mrs. Tom Wagner of Corvallis and their guest, Miss Hazel Davis, arrived July 6 for a visit with Mrs. Annie Davies.

Mr. and Mrs. Arthur Davies and family of Jacksonville and Mr. and Mrs. Ed Starr of Ashland were visitors at the home of Mrs. Annie Davies July 4.

Stanley Chestnut who with his son Paul has been employed at Sterling the past two months, sustained a leg injury at the mine July 7 while working on a piece of hydraulic pipe with a cold chisel. A fragment of steel from either pipe or chisel became deeply imbedded in the flesh of his thigh. A number of X-rays and a minor operation were required to remove it. The wound is reported as healing satisfactorily.

More than 100,000 persons patronized the sight-seeing buses in Washington, D. C., during the last year to make Washington the "most seen" city.

California's state parks were visited by 6,672,731 persons in 1936.

AUTO DRIVER IS HELD WHEN THREE HURT IN RIVERSIDE COLLISION

City police said today that Ivan Beach, 24, of Talent would probably be charged with reckless driving as a result of an automobile crash on Riverside avenue at Thirteenth street late Saturday night that sent three persons to the Community hospital. Beach has been held in the city jail on an open charge since the mishap. He will probably appear in city court this afternoon, police said.

Loren Scheel of route 1 reported to

city police yesterday that the car driven by Beach had struck his machine about one mile south of Talent the same night, and had driven on without stopping. Scheel told city police he gave chase for five miles before Beach consented to stop, but that he, Scheel, could get no information or satisfaction from Beach and let him go.

Later in the evening, the Beach car collided with a machine driven by P. F. Bone of 1134 Court street, damaging both badly. Elizabeth Stevens of Central Point suffered three broken ribs, Dayton Cooper of Talent received a fractured left arm, and Earl Waterland of Talent suffered minor bruises and scratches. All were passengers in the machine driven by Beach. Waterland was released from the hospital yesterday, and attendants reported today that Elizabeth Stevens and Dayton Cooper were progressing nicely.

FIVE DRUNKS FINED, SIXTH IS ORDERED TO GET OUT OF MEDFORD

Six persons pleaded guilty in city court this morning to charges of drunkenness, five of them assessed fines of \$10 and one ordered to leave town or serve 30 days in the city jail.

Patricia Anderson, 23, of Grants Pass, decided to leave town instead of spending a month behind the bars after city police had arrested her in a local restaurant last night on charges of being drunk in a pub-

lic place. Her companion, who was said to have quarreled violently with her, was Ace Gene Durham, of North Bartlett street, according to the police. He was fined \$10.

H. M. Stuart, 25, a transient, was released on payment of \$10 bail after spending the night in jail following his arrest by city police at Tenth and Front streets last night.

Clyde Vernon Mapes, 29, of Medford, received a \$10 fine on a charge of being drunk in a private place and disturbing the peace. He was drunk in an auto camp cabin, police said.

Arthur Close, 24, of Griffin Creek, was fined \$10 for being drunk on the streets, and Arthur Hodgkins, 27, a transient, was meted out the same.
