

# ROBINSON'S DEATH STARTS FIGHT FOR POWER IN SENATE

(Continued from Page One.)

Representatives will accompany the body on a special train to Little Rock, Ark., where another service will precede burial Sunday afternoon.

The train will carry the largest congressional delegation ever to attend the burial of a senator.

Tomorrow's simple ceremony will begin at 10 a. m., when the flower bedecked coffin will be carried to the central arena of the senate chamber, near Robinson's vacant chair.

Seats of honor on each side will be reserved for Mrs. Robinson and relatives.

President Roosevelt, his cabinet, supreme court justices, high officers of the army and navy, and scores of uniformed diplomats will be grouped near the speaker's rostrum. Members of the house will cluster in the back of the chamber.

The Rev. Zebarny T. Phillips, senate chaplain, will open the services with a reading from the scriptures. There will be a hymn by a church quartet, not yet selected, a brief sermon by Dr. Phillips, another hymn and a benediction.

Barkley Favored

The administration senators were lining up for Senator Barkley of Kentucky for party leader. Most of the opposing group was supporting Senator Harrison of Mississippi.

Senator Byrnes of South Carolina also figured in the leadership picture, but some senators said he would back Harrison. Byrnes, like many others, refused to comment on the leadership race until after Robinson's burial.

It would be possible for the administration to win the party control fight and lose on the court bill. Only Democrats will figure in the first conflict, but Republicans will vote on the court bill. All 16 are opposed to it.

## 18 POMOLOGISTS VISITING VALLEY

Eighteen members of the American Pomological society, touring farming sections of the United States, arrived in Medford this morning in a special car and were to spend the day sight-seeing and inspecting orchards.

The apple-specialists from eastern states were met at the train by representatives of the Fruit Growers' League, Inc., headed by Alfred S. V. Carpenter. Cars were provided by the league to take the visitors to Crater lake, the group leaving immediately after train arrival.

The fruitmen were to return this afternoon to spend the remainder of the day inspecting orchards and other phases of the fruit industry here. They will continue north tonight by rail.

## Bob Burns, Martha Raye Head Cast of Craterian Picture

A hill-billy who just can't resist the desire to work, thereby setting a bad example for the other mountaineers, and a girl who simply cannot attract the attention of any man, get together for a rousing piece of film fun in "Mountain Music," opening a three day showing today at the Craterian theatre.

The two leads are Bob "Bazooka" Burns, sage of the Ozarks, and Martha "Ultra-Violent" Raye, whose mouth is the only rival of the Grand Canyon.

A shotgun wedding that doesn't come off when the groom loses his memory starts things rolling in this hilarious saga of the hills. Every time he gets tapped on his head, Bob forgets all about everything. Every time he comes to by getting doused with cold water, he discovers Martha hanging onto his coat tails and that, he believes, is asking too much and runs for cover. But ingenious Martha always manages to see that her bashful boy friend gets another "klonk on

# BLAZE DESTROYS HOTEL AT BURNS

BURNS, July 15.—(AP)—Fire burned beyond control this morning in the \$230,000 Welcome hotel fronting a full city block in Burns business district.

Postmaster Walter Power and his assistants succeeded in removing mail and valuable papers from the post-office located in the hotel's south corner.

E. W. Barnes, manager and principal officer in the Central Holding company of Portland, owner of the hotel, said night clerk John McGrath discovered the fire under the floor timbers.

Falling water supply developed a high tension as the flames reached their peak, bursting through the roof of the hotel and threatening three nearby gasoline stations. The fire was controlled by noon just as the water was exhausted.

# Mule's Kick Fatal For Klamath Rider

KLAMATH FALLS, July 15.—(AP)—A kick from a bucking rodeo broncho caused the death of Julius Lalo, 31-year-old Klamath Indian, it was learned today.

The accident occurred at the Klamath fairgrounds July 5. Lalo was thrown from the horse he was attempting to ride and suffered a compound leg fracture. He died several days later of gangrene in the injured member.

Lalo was a grandson of Chief Lalo, veteran Indian scout who served with the U. S. army in Modoc Indian war days.

Crawfordville, Ind., firemen answered a false alarm. Fireman Frank Holland had turned in the alarm while painting the box.

# EDUCATION PHASE OF CCC IS TERMED BEST EVER KNOWN

CORVALLIS, July 15.—(AP)—CCC camps are the "greatest outdoor universities ever known," Dr. D. E. Wiedman, chief educational advisor of 330 camps in the ninth corps area told the second annual conference on guidance and adult education at Oregon State college.

Eighty-seven per cent of the enrollees have taken the opportunity voluntarily to improve themselves in crafts, citizenship and general educational betterment. Dr. Wiedman said the emphasis was placed on training for reemployment and better citizenship, pointing out the responsibility resting upon the individual camp educational advisers.

Dr. F. G. Macomber, director of curricula and instruction of Riverside, Calif., pointed out that an adequate guidance program was impossible without an effective curricula organization.

The conference ends tomorrow with consideration of adjustment problems of college freshmen.

# MINISTER HELD IN WOMAN'S SLAYING

PARIS, Mo., July 15.—(RP)—Prosecuting Attorney Tom Proctor of Monroe county announced today recovery of \$1930 he said presumably had been taken from Mrs. Dennis Kelly, 45-year-old church worker, whose battered body was found late Tuesday floating in the Mississippi river near Louisiana, Mo.

Proctor said the money was taken to the home of Sheriff Russell Wilkes at 2 a. m. today by Miss Myra Hanan, who has made her home here with the Rev. and Mrs. C. E. Newton since her childhood.

He quoted Miss Hanan as saying the Rev. Mr. Newton, 51, a northern Missouri Baptist minister for 30 years, who yesterday was charged with the slaying of Mrs. Kelly, had given her the money which he described as "valuable papers" Tuesday when he left to officiate at a funeral.

# PORTER, BAUER INJURED IN AUTOMOBILE CRASH

Jack Porter of 819 Minnesota street and Bruce Bauer of 1336 Queen Anne were injured slightly last night when the car they were operating upset on the Pacific highway near the Chateau.

Porter, son of Mayor George Porter of Medford, received a knee injury his father said today, while Bauer suffered a hurt ear. The car, a Buick sedan, was almost totally demolished, Mayor Porter stated.

The machine left the road on the curve this side of the Chateau and ran up the bank, then rolled back and turned over, the mayor said he was told. A blowout of the rear right tire was explained as the cause of the accident.

# Applegate Bossy Trapped In Cabin Near Starvation

BIG APPLAGATE, July 15.—(Sp.)—Included in the annual routine of the rancher's life is the first trip to the cattle camps on the range in early summer to make repairs and get ready to care for the herds going on the range.

But this year the regular routine was broken, for when Louis Straube and others opened the door of the Silver Fork cabin Monday, an emaciated cow greeted them. The animal had entered through the door, which afterward closed, trapping her in the building. She had remained there a week. It was believed, and was in such a weakened condition, that she was only able to make her exit over the door sill. The cow belonged to Louis Straube.
