

CLARK, HAMMOND WILL SEEK PLACE IN GOLF CLASSIC

Iceland Clark and Bob Hammond, Jr., two of southern Oregon's most brilliant golfers, will leave Medford Sunday morning for Portland to enter the district qualifying round for the National Amateur golf championship to be played over the Alderwood Country club course in August. The district qualifying round will be staged in Portland next Tuesday. Clark and Hammond both have 2 handicaps. Between 40 and 50 of Oregon's finest amateurs are expected to enter the qualifying round Tuesday. Entries and pairings for the 36-hole medal play will be announced tomorrow. Players qualifying for the National Amateur are based on the number of entries in the qualifying round, and the number to be allotted for the championship proper will be

announced at the time of the pairings. It is expected that the five or six low scorers will be named to enter the battle for amateur golf's most coveted prize—the national championship. The qualifying round in Portland Tuesday will be one of many held in all parts of the United States on the same day. From these qualifying rounds, the cream of America's amateurs will then meet at Portland's Alderwood Country club in August. Between 180 and 200 golfers are expected to compete. Although the qualifying rounds will be on a medal basis, the championships will be staged under match play rules. The two local golfers have for several years been ranked near the top of southern Oregon golf. Hammond twice won the southern Oregon-Bornheim California championship. Clark has been near the top of the national amateur golf ranks for many years. Hammond's title years were 1929 and 1931. Last year Hammond defeated Clark one up in the tournament over the Rogue Valley fairways. Both have been practicing intensely for the tournament, and announce that they are near top form. Although all amateurs in good standing and members of a club which is a member of the United States Golf association are eligible to

442 GOLFERS TO SEEK HUGE PURSE

CHICAGO, July 22.—(AP)—A staggering entry of 442 golfers—every sort from the hottest of money players to just plain swingers—will start out tomorrow over two Medinah Country club courses in the \$10,000 Chicago open. The field, biggest ever to enter a major event, includes 238 professionals and 204 amateurs. The entry list might have been even larger. A halt was called last night by officials of the sponsoring Chicago District Golf Association, however, when Tommy Armour, Medinah's professional, offered to bet 20 to 1 that a lot of starters wouldn't be able to complete the initial 18-hole assignment before dark. An additional 35 players, including two former open titleholders, Billy Burke and Sam Parks, Jr., and the 1936 western amateur champion, Paul Leslie of Jefferson City, Mo., and Louisiana State university, were permitted to enter yesterday before the tournament committee decided that enough was enough.

DIAMOND LAKE NEEDS FISH CONSERVATION IS ROSEBURG CLAIM

ROSEBURG, July 22.—(AP)—The Roseburg Chamber of Commerce wrote the state game commission requesting that all trout fry in Diamond lake, site of the world's largest rainbow trout egg station, be retained until the lake is adequately restocked. The chamber contended poor fishing has resulted from transfers of spawn to other waters, and that the 6,000,000 eggs taken this year were less than half the normal amount. Improvement of salmon racks on the North Umpqua, held a hindrance to migration of large steelhead, was also sought.

STEELE WINS BY TECHNICAL KAYO

WASHINGTON, July 22.—(AP)—Freddie Steele, the world's middleweight champion, held a technical knockout triumph today over one of the roughest battlers he ever fought, Charles (Hobo) Williams of Alexandria, Va. It took the Tacoma, Wash., ace eight of the scheduled ten rounds here last night before he could release himself from the clutching arms of the former carnival batter and fire his big guns. The bout, which did not involve Steele's title, was stopped by Referee Charlie Reynolds after two minutes and 56 seconds of the eighth round. In the final skirmish Steele knocked Williams down with a terrific right clout to the jaw, but after taking a nine count the Virginian arose. The champion then moved quickly across the ring and felled Williams again with another hard right. The referee halted the match midway of the count, although it appeared Williams would have tried again.

CROSBY VENTURE BRINGS IN GOLD

DEL MAR, Cal., July 22.—(AP)—President Bing Crosby of the Del Mar Turf club looked back over the half-way mark of his race track venture today and found it a success. Opening on July 3 with a crush of spectators, and continuing day by day with better than fair "play," the \$1,000,000 "Gem of the Ocean" has exceeded even the fondest hopes of its backers. Crosby, taking time off from his motion picture work to personally run the track, expects the latter stages of the meeting to top the first, with a final burst of attention centered on the closing program, July 31. During the first 12 days of Del Mar's inaugural meeting, the parimutuel average daily "handle" has exceeded even the fondest hopes of its backers. HORNBY PONDERING SUIT OVER CONTRACT

ST. LOUIS, July 22.—(AP)—Rogers Hornsby, deposed manager of the impotent St. Louis Browns, studied possible legal action today to enforce his contract through the remainder of the year. Hornsby and his first assistant, Coach Charlie O'Leary, were dismissed suddenly, and were displaced by "Bunny Jim" Bottomley as manager and Charles "Gabby" Street, former Cardinal and St. Paul manager, as coach. Hornsby, who had been manager since the middle of the 1933 season, said he turned down "a \$5,000 offer of settlement," because he believed his contract should hold good to the

Wall St. Report

NEW YORK, July 22.—(AP)—Late profit selling today stemmed a stable rally in the stock market. There was a morning run up, led by motors and steels, which lifted prices generally fractions to 3 or more points. Early strength was attributed by brokerage observers largely to indications further economic recovery will get into full swing in the near future. On top of this some buying was thought to have been inspired by the growing feeling in Wall street that opposing forces in the administration's court bill squabble will adjust their difficulties and congress adjourn shortly. Volume was still somewhat restricted, transfers being around 1,000,000 shares. Today's closing prices for 32 selected stocks follow: Al. Chem. & Dye 295 Am. Can 107 1/2 Am. & Pgn. Pow. 9 A.
