

ALFRED SLOAN OF GENERAL MOTORS TOPS SALARY LIST

Chairman Received \$561,311 Last Year—Hearst Chief Competitor—Chrysler Received \$200,700

WASHINGTON, Aug. 4.—(AP)—Alfred P. Sloan, Jr., chairman of General Motors corporation, ranked today as the highest paid executive in 1936 among corporations reporting to the securities commission. He was paid \$561,311, including a \$411,161 bonus.

From available statistics, Publisher William Randolph Hearst was Sloan's chief salary competitor. The only Hearst salary listed is \$500,000 from Hearst Consolidated Publications, Inc., but securities officials said he may have received other pay checks from the score of other corporations that make up his newspaper, magazine, real estate and mining empire.

Among the few large corporations which do not have to report to the S.E.C. is the Ford Motor company, because its securities are not traded on a national securities exchange.

Chrysler Got \$200,700. Walter P. Chrysler, another auto manufacturer, drew \$200,700 from Chrysler corporation.

General Motors made President William S. Kauden a contender for top honors with \$507,645 and reported \$353,755 for Vice-President Charles F. Kettering.

Nicholas M. Schneek, president of Loew's, Inc., which controls Metro-Goldwyn-Mayer pictures, topped the Hollywood film colony last year with \$317,725.

In other companies, actors usually drew more than executives, including Warner Baxter, \$284,583; Gary Cooper, \$265,454; George Raft, \$202,666; Kay Francis, \$227,500; Joe E. Brown, \$201,562; Leslie Howard \$185,000; Ronald Colman, \$182,500; and Irene Dunn, \$102,777.

Motion picture directors and producers also stood high on the salary list. Darryl F. Zanuck was listed at \$260,000. Roy Del Ruth at \$238,933. Frank Capra at \$208,000, and Wesley Ruggles at \$188,500.

Many Get Increases. Many a business executive shared pay raises given employees of many companies last year. Sloan's pay, for instance, was about \$190,000 more than in 1935.

Some of the other conspicuous increases included: F. B. Davis, Jr., president of U. S. Rubber company, from \$125,220 to \$227,260; Gerard Swope and Owen D. Young, president and chairman of General Electric corporation, respectively, each from \$95,000 to \$145,500; L. B. McKittrick, president of Phillips Morris & Company, from \$101,350 to \$143,699; and H. W. Phelps, chairman of the American Can company, from \$126,800 to \$182,100.

Pay cuts, usually due to elimination or reduction in bonuses, also appeared on the list. Chairman Charles M. Schwab of Bethlehem Steel, for instance, last listed at \$203,332 in 1935 and \$180,000 in 1936.

Among other industrialists in the \$200,000 pay class were Walter S. Gifford, president of American Telephone and Telegraph company, \$210,450; George W. Hill, president of American Tonnac company, \$246,173; and Harry P. Sinclair, director of Consolidated Oil company, \$200,659.

WILLIAM TUCKER MADE LIBRARIAN

Word was received today by Mr. and Mrs. W. P. Tucker of 319 South Orange street of the appointment of their son, William P. Tucker of Seattle, to the position of state librarian of Washington.

A graduate of Southern Oregon Normal school and of Medford high school, Tucker will take over his new duties September 1. Twenty-six years old, he will probably be the youngest state librarian in the United States.

He recently completed academic work for a Ph. D. in political science at the University of Washington, and is now corps area librarian for the CCC headquarters in San Francisco. He obtained his A. B. degree in education at the College of Puget Sound and was awarded an M. A. degree in history and politics, science at U. of W. He also took post-graduate work at Stanford university.

MRS. BECKNELL FINDS JAIL LIFE BORESOME; SEEKS DRIVERS' TEST

Fiorhanna Mae Becknell, Medford matron serving a 30 day sentence in the county jail for non-possession of an auto driver's license, will appear before an examiner tomorrow morning, and take the examination for a new license, Sheriff Syd I. Brown reported today. The sheriff said he would take Mrs. Becknell to the city hall for the test.

Mrs. Becknell planned to take the examination today, but decided she would spend another day studying the motorist's manual.

It is anticipated, in the event she passes the test, she will make formal application for release. Justice of the Peace William B. Coleman has indicated he would give consideration to such a plea.

The secretary of state's office declined to issue a driver's license to Mrs. Becknell because she had failed to fill out the space for her birth date. She also refused to provide the same information for the jail records, when first incarcerated, on the grounds "it was none of the public's business."

In passing sentence, the committing magistrate declared, "you have defied the secretary of state, the state police, and this court long enough." Mrs. Becknell declined to turn over her 1931 license, when requested to do so by the court.

She has served ten days of her sentence.

Vacation Advice

MRS. NONA CROSBY Fabric Expert from the Lux Laboratories

"For almost a year you have been looking forward to what you're going to do on your vacation. No matter what you do, if you don't have the right sort of clothes it won't be half so much fun," says Mrs. Nona Crosby of Mann's this week. "Right clothes are not only smart clothes but clothes that are appropriate and practical. A well-planned 'luxurious' wardrobe that will fit in a suitcase will do as much for you as a trunk full of clothes, and be a lot more fun."

ARMY WILL START WORK NEXT WEEK ON RADIO STATION

The United States army will start next week installing equipment for its new airways radio station on Crater Lake highway east of the city. It was stated in a monthly report submitted to the city council last night by Thomas A. Culbertson, Jr., manager of the municipal airport.

Two army men arrived yesterday for duty at the new station. They are Pvt. Pete H. Christiansen, radio operator and Pvt. Allan P. Cross, radio technician, both transferred to Medford from the Presidio at San Francisco. They have taken occupancy of a room at the municipal airport administration building. Mr. Culbertson informed the council.

The army radio station will occupy the site on which the department of commerce formerly operated a radio post. The army acquired the site after the department's station was moved south of the city.

The army station is to be of a new type, one of 29 to be established throughout the country. It will provide two-way radio telephone communication, linking army air corps and ground operations.

The new airport boundary lights installed recently are now in use and provide a great improvement over the old system, Mr. Culbertson reported. Councilman J. P. Erickson said the new lights could be seen to best advantage from the air. He advised his colleagues to make a flight over the airport to note the improvement.

C. C. Furnas, acting mayor, congratulated Mr. Culbertson on his report and ordered it filed.

SECOND SESSION OF SCOUT CAMP GETS UNDER WAY

The second session of summer camp opened at Boy Scout Camp McLaughlin at Lake of the Woods last Sunday with registration of over 50 scouts. A court of honor was held Sunday afternoon with John H. Fuller, council chief of honor, chairman, presiding. The following awards were made: Tenderfoot, Keith Haines, troop 12, Ashland; second class, Bob Mitchell and Sam Young, troop 4, Medford; Dick Smith, troop 7, Medford; Jack Douglas, Lone scout.

Second class merit badges: Charles Johnson, troop 2, Medford, painting; Richard Roberts, troop 5, Medford, horsemanship, poultry-keeping, pottery, painting; Frank Dixon and Bill Thordike, troop 7, Medford, painting. First class: Bob Holmes, troop 7, Medford, and Richard Burke, troop 26, Dunsmuir.

First class merit badges: Curtis Hopkins, troop 4, Medford, first aid; Don Younger, Sea Scout Ship 8, Medford, chemistry; Forrest Frost, troop 22, Grants Pass, first aid; Dick Linsinger, troop 26, Dunsmuir, photography; Nell Stone, troop 40, Central Point, scholarship.

One-year service stars were awarded Rodney Witham, Bill Thordike and Frank Dixon, troop 7, Medford. Dick Linsinger of troop 26, Dunsmuir was presented his two-year service star. For two years of perfect attendance at troop meetings, Charles Johnson of troop 3, Medford, was awarded a two-year perfect attendance pin.

Assisting Judge Fuller with the court of honor were Irving P. Beesley, scout executive; C. L. Hopkins, assistant scoutmaster of troop 4, Medford; Don Burke, assistant scoutmaster of troop 26, Dunsmuir; Frank Eiler, troop committee man of troop 26, Dunsmuir, and Russell Miller, camp liegward and waterfront director.

Two more weeks of summer camp remain and the registrations for both periods are large. Any scouts who have not registered and wish to go to camp must turn in their applications to headquarters at once. Many inquiries have been received as to how to address mail to scouts in camp and the following is being given: Camp McLaughlin, B. S. A., Lake of the Woods, via Rocky Point, Ore. Packages or messages left at headquarters will be sent out with individuals going to the lake as soon as possible.

KID BASEBALLERS TO DISPLAY WARES

Mike Balkovick's future baseball stars, some 50 of them from five to 13 years of age, will be on display to proud parents Friday morning at the high school field. After working out daily for the past month, the tiny national pastimers will play a double-header starting at 10 a. m., and all parents and anyone else interested are invited to attend the games.

Coached by the Crater manager, the baseball school is meeting with amazing success. Every morning there are at least 30 Medford youngsters going through their paces on the green turf of the high school field, and at times the turnout exceeds 50 kids. All equipment with the exception of gloves or mitts is furnished by the school. From the enthusiasm displayed by the youngsters, southern Oregon need not worry about ball players in years to come.

TO GRADUATE 90,000 MOSCOW—(UP)—This year Soviet universities will graduate more than 90,000 new specialists. In 1935 the graduating class numbered 75,000 and in 1934, 38,000. Among the graduates are 22,120 mining, chemical, electrical and building engineers.

Judge Earl Fehl, needs more time in which to prepare for the trial.

The motion sets fourth that Fehl, under terms of his parole from state prison by Governor Martin, for ballot-theft conviction, will not be effective until midnight August 15, when he can return to Jackson county, and until the opening of court the next morning, is insufficient time, in which to prepare. Fehl, former county judge was sentenced to a four year term for vote stealing after conviction by a Klamath county jury.

Circuit Judge E. B. Ashurst of Klamath county, set the case for August 16, when he was assigned to it by the state supreme court. The jury for the case has been ordered report August 16, the county clerk said.

The suit involves a mortgage on property, on which Heimroth loaned money.

8-RUN OUTBURST BY FABER OUTFIT TRIMS LAMPORTS

An eight-run scoring outburst in the sixth inning, overcoming an 8-1 Lamport lead, gave the fighting Faber club of Central Point a 11-10 victory in a Commercial league softball encounter at the high school field last night.

Scoring seven runs in the second inning on seven walks, three base knocks and two passed balls, the Officio Boys defeated the Catholic Men, 11-4, in the other Commercial league affair.

Service league games saw Copco beat out a 3-2 victory over the Telephoners, and Postoffice defeat the Lions club, 15-6. The Copco-Telephone scoring spree broke all records to date. Ken Leavitt, considered by many the best hurler in

the Commercial league, was belted for 16 runs in the last two innings, and today is wondering which of these here leagues is supposed to be the tougher.

Plans are moving forward for the district tournament to determine the southern Oregon champion and right to enter the state meet in Salem August 23-28, inclusive. E. H. Hedrick this morning received a telegram from Dwight Adams, secretary of the state softball association, approving the single elimination system. Hedrick said that the tournament would probably be staged August 19 or 20, with champion teams of Klamath Falls, Grants Pass and Medford competing. An attempt was also being made today to include an Ashland club in the tournament. Last night's scores:

Fabers.....11 12 3
Lamports.....10 9 2
Hulbert and Babbs; Schilling and Wood.

Bride Gets Clay Pipe.
WEST PLAINS, Mo.—(UP)—Chas. T. Freeman, 73, gave Mrs. Nellie Summers, 57, a clay pipe for a wedding present when the two were married here after a two-year romance at the county welfare home. A state old-age pension for the bridegroom made them independent.

Mass Said for Thread.
TOKYO.—(UP)—A centuries-old custom was revived here with a Buddhist mass in honor of the spirits of threads and strings. The service was an expression of appreciation for the services to mankind rendered by these commonplace articles.

HOW OFTEN CAN YOU KISS AND MAKE UP?

Two husbands can understand why a wife should turn from a pleasant companion into a shrew for one whole week in every month. You can say "I'm sorry" and kiss and make up earlier before marriage than after. If you're wise and if you want to hold your husband, you won't be a three-quarter wife.

For three generations one woman has told another how to go "smiling through" with Lydia E. Pinkham's Vegetable Compound. It helps Nature tone up the system, thus lessening the discomforts from the functional disorders which three women must endure in the three ordsals of life: 1. Turning from girlhood to womanhood. 2. Preparing for motherhood. 3. Approaching "middle age."

Don't be a three-quarter wife, take LYDIA E. PINKHAM'S VEGETABLE COMPOUND and Go "Smiling Through."
