

LOCAL AND PERSONAL

Convalescing—Mrs. George R. Owens is convalescing in her home at 906 West Main street from a tonsillitis she underwent at Sacred Heart hospital Monday.

Picnic Sunday—Civilian employees of the Medford CCC district headquarters are planning a picnic to be held near the Bybee bridge Sunday. Eugene Hamilton is in charge of arrangements.

Back from Los Angeles—C. G. Smith, principal of Medford senior high school, returned to Medford today from Los Angeles where he attended summer sessions at University of Southern California. Mr. Smith has been gone since June.

To San Francisco—Lieut. and Mrs. T. P. Coates left yesterday for San Francisco where Mrs. Coates will spend several days at the Letterman General hospital for diagnosis and treatment. She has been in ill health for several months.

Recalled by Fire—M. L. Merritt, United States assistant regional forester, left here last night for his headquarters in Portland, recalled because of a serious fire on the Columbia national forest. Merritt arrived here Monday to spend three weeks in making an inspection of the Rogue River national forest.

Grange Meeting—Central Point Grange will meet in its hall at 6 o'clock Friday evening. Initiations will be held in the third and fourth degrees and other Granges having candidates ready are invited to join in the ceremony. Refreshments will be served after the business session.

Clinic Tomorrow—A well-baby clinic will be held from 1:30 to 3:30 tomorrow afternoon in the Sparrow Memorial clinic, Jackson county courthouse. Dr. C. I. Drummond, county health officer, will be the examining physician. He will be assisted by Elizabeth McCallister, county nurse. Appointments may be made by telephoning 1350.

From Nebraska—Mr. and Mrs. George S. Copeland of Beatrice, Neb., arrived in Medford early this week to visit with Dr. and Mrs. R. M. Hood. Mrs. Copeland and Mrs. Hood are sisters and the two families are enjoying a reunion seeing southern Oregon's scenic beauties together. The Copelands expect to remain until the latter part of the week.

Grass Fire—Chemical crew of the fire department was called at 3:30 yesterday afternoon to put out a grass blaze at 11th and South Front streets. The fire was set under permit to burn excess grass but got beyond control and ignited some old tar paper which sent black smoke billowing high into the air. The blaze was extinguished without damage.

Hall Arrives—Seely Hall, general superintendent of the United Air Lines with headquarters in Chicago, arrived this morning on a United Mailliner from Seattle, Wash., for a day's visit here with his parents, Mr. and Mrs. Court Hall. He will leave tomorrow morning for San Francisco, joining Major "Shorty" Schroeder, who a short time ago left the bureau of air commerce to become affiliated with the operations division of United, and O. C. Richardson, division superintendent at Oakland, Cal. Schroeder and Richardson will be on the Mailliner which Hall will board in the morning.

Join Gem Society—Thomas J. Radcliffe of 107 East Main street and Irvin House of route 4 were admitted to membership in the Southern Oregon Gem and Mineral society at its regular semi-monthly meeting in the Jackson County Chamber of Commerce last night. Mrs. Nellie Wall assisted the session as a representative of the Southern Oregon Art association. E. R. Santo, president, emphasized that the society is in need of additional mineral specimens for its permanent display in the chamber show windows. Frank Reed reported that Talent wanted to form a gem and mineral society and the practicality of establishing such an organization will be studied for report at a future meeting. John T. Ross displayed specimens of agates, jasper and crystals. It was announced that Prof. F. C. Reimer of the southern Oregon experiment station would address a meeting of the society soon.

Wall St. Report

NEW YORK, Aug. 4.—(AP)—Rails steamed forward briskly today, hauling the stock market ahead fractions to a point or more. Today's dragsy start, carriers picked up momentum on a Wall Street rumor the result of wage negotiations would be less burdensome on rails than earlier feared by some observers. Lack of stamina in the utilities arrested all street's attention and some commentators said they believed this group was stopping for a breathing spell following recent advances. Transactions approximated 900,000 shares.
