### American Legion Auxillary

The American Legion convention at Albany August 12-14 was one of the most largely attended and enjoyable the department of Oregon has participated in, according to Mrs. O. L. Overmyer, newly-elected president of Medford unit No. 15 of the American Legion auxiliary. Mrs. Overmyer stated that, aside from the fact that everybody who attended from Medford reported a grand and glorious time without a dull moment, a large and gratifying amount of serious and worthwhile business was transacted and local members came back with a better understanding and appreciation of the great work the Legion and auxiliary are doing.

Care of disabled veterans; welfare of children of needy veterans, as well as betterment of conditions of all children; constructive, patriotic education; and support of adequate national defense will be the major activities of the auxiliary as outlined at the convention, to be carried on in close co-operation with the Legion.

Membership enrollment for 1937, according to Mrs. Overmyer, is expected to bring nearly a half million women and men into the organization and during the months of September, October and November members of the local unit will concentrate on a drive which they hope will bring in the largest membership in Medford history.

The unit received a department citation for carrying out all unit activities during the past year. A special Americanism citation was also awarded by the department Americanism chairman, Mrs. W. H. Holloway, Americanism chairman for Medford unit last year.

President Overmyer stated that in future Medford unit would meet on the first Tuesday of the month at the army, instead of twice monthly as has been the custom, and that the meetings would combine a business session with a social hour. A meeting of the executive committee has been announced for Tuesday, August 31, at the home of the president.
