NEW YORK, Aug. 30.—(AP)—Stock market leaders did a turn-about today and retrieved fractions to 3 points of their previous losses.

The disconcerting part of the upward reversal, however, at least from the standpoint of commission houses, was the lack of volume. It was one of the slowest sessions of the year, transfers approximating only 450,000 shares.

Brokers attributed the convalescence largely to nibbling by day-to-day traders who saw prospect of a technical rally due to the lengthy and sharp decline. Some short covering also was reported here and there.

TWO DAYS RAIN STARTS TONIGHT

First rain to fall here during the month of August was expected tonight as weather officials predicted showers.

Official forecast was: Probably showers tonight and Tuesday, slightly warmer tonight; cooler Tuesday.

No precipitation has been recorded for the month so far. A monthly deficiency of 22 of an inch exists, with the seasonal deficiency reported as 1.21 inches. Yesterday's maximum temperature of 86 degrees was considerably higher than prevailed most of last week. Minimum this morning was 45.

Portland, Ore., Aug. 30.—(AP)—A rain sweeping in from the Pacific drenched Portland today and extended south on the Oregon coast to Marshfield.

By tonight or Tuesday, the weather bureau reported, the rainfall probably will be general east and west of the Cascade mountains in both Oregon and Washington. The storm probably will continue through tomorrow night, the bureau said.

HEAVY TRAVEL ON WILLIAMS ROUTE

WILLIAMS CREEK, Aug. 30.—(Sp.)—Traffic on the Williams creek road this summer has been the heaviest ever known residents report.

An unusually high number of tourists and pleasure seekers have combined with constantly increasing trucking to bring about a constant flow of traffic. Logs, lumber and cream are being transported in great volume.

Three new sawmills, the Head and Brown mill, Ernie Gibson's mill and the A. D. Gray mill have added their volume of transportation to the usual output of the two established mills, of Amos Smith and Dick Gibson. Babe Fields and Jess Spicer are both trucking logs to Grants Park, Oregon. Line Products Co. trucks join the traffic at Powell's creek bridge.

DELAY IN FIGHT REDUCES WEIGHT

NEW YORK, Aug. 30.—(AP)—Joe Louis scaled 197 pounds today for his delayed 15-round heavyweight championship match with Tommy Farr in the Yankee stadium tonight.

Farr scaled 204 1/2 pounds. Both fighters were lighter today than they were last Thursday when they went through weighing in ceremonies only to have a steady rain force a postponement until tonight.

At that time Louis scaled 198 pounds and Farr 207.

Although the weather was cloudy and threatening today, promoter Mike Jacobs said he would make no decision on a postponement until late this afternoon.

If postponed again, the bout will be staged tomorrow night.

OKLAHOMA SEMI-PROS ANNEX CHAMPIONSHIP

WICHITA Kan., Aug. 30.—(AP)—Undeclared in eight tournament games, Enid, Okla., packed up a monstrous red-and-white pennant and a tall gold trophy today and started for the Sooner state, the national semi-pro baseball champion of 1937.

The Oklahomans won the championship by defeating Buford, Gro. 7 to 4, before an estimated crowd of 15,000 persons here last night. Buford also was runner-up in the 1936 tournament, being defeated by Duncan, Okla., in the finals.

Last night's game, which was clearly Enid's after a four-run second inning, ended a tournament which started August 13 and attracted 32 teams from all parts of the nation.

Post War Problem Subject Dramatic Craterian Picture

Intensely human, powerfully dramatic, a skillful blending of comedy, pathos, suspense, is "The Road Back" which opened its run at the Craterian theater last night.

Briefly, the story concerns the efforts of a group of boys to adjust themselves to conditions as they find them after an absence of four years spent in the trenches. "The Road Back" takes up where "All Quiet on the Western Front" leaves off. Both are by the same author, Erich Remarque. "The Road Back" treats of the disillusionment, the heart-breaking revelations, which come to the ex-soldiers as they find their ideals so closely held for years, trampled under foot at home.

The direction is splendid. The picture has a dramatic sweep which gains momentum with every scene and rises to a dramatic climax in the closing seconds of the picture. As stars go, "The Road Back" has no stars, yet every player, even in the most minute role, gives a stellar performance.

Detail and contrast are the means employed. The home of a modest German family impoverished by the war is shown, neat, homelike, yet with an air of love and trust and honesty. Then it swings to the home of a profiteer who has waxed fat manufacturing munitions. Its gaudy, baroque furnishings, the lavish display of wealth, the insincerity of the war-rich snobs, drive home a dramatic point more powerfully than would a half hour of dialogue.

LEGLESS MERMAN IN BAD CONDITION

NEW YORK, Aug. 30.—(AP)—After claiming all marathon swimming records with his 145-mile Albany to New York swim in 147 hours and 37 minutes, Charles Zimny, 43-year-old legless merman, was reported at Harlem hospital today to be in "very serious condition."

Constitution in his lungs caused fear that he had developed pneumonia.

Zimny was apparently in good condition when he finished his swim last night.

Wary, but grinning as handlers wiped from him a heavy protective covering of grease and a few bandages collected during his long journey, he announced: "My next hop will be from Key West to Havana."
