## Miss Crosby Is Bride Today In Quiet Ceremony

Miss Shirley Crosby, daughter of Mr. and Mrs. D. A. Crosby of this city, became the bride of John S. Hixon, son of Mr. and Mrs. James E. Hixon of Mt. Vernon, Mo., at the home of the bride's parents today. The marriage was performed at 4 o'clock by Judge William B. Coleman. Present were parents of the bride and her aunt and uncle, Mr. and Mrs. Howard Doran.

The young couple left for Mt. Vernon, where they will make their home. The bride is a graduate of Medford high school and has lived here the greater part of her life.

Mrs. Doran was hostess at a bridal shower for Miss Crosby at her home last evening.

Guests were Mesdames Orville Goodrich, Ted LeValley, Roy McConchie and Misses Zena Huber, Ruth Hill, Della Mae Dale, Edna Dale, Forest Dale, Betty Morris, Joan McConchie, Emily Knips, Margaret Benson, Lois Smith and Louise Kenase.

## Newburys Home From Coast Stay

Medford residents vacationing during the latter part of August including Mr. and Mrs. Don Newbury, who returned to their home here Sunday. Mr. and Mrs. Newbury and their daughter and son, Nancy Jean and Kenneth, traveled by motor to Neskonowin on the Oregon coast, spending several days at the beach resort. They report ideal weather prevailing.

The Newburys continued north before returning home, stopping in Portland where they were the guests of relatives and friends for a short time.

## Kansas Visitor Leaves For North

Mrs. C. D. Ludwig of Wichita, Kas., left this morning on the Shasta for the north after a stay here.

Mrs. Ludwig has been the guest of her sister, Miss Katherine Stewart, for the past three days. Trips to Crater Lake, Oregon Caves, the Redwood forests and other scenic spots of the region were arranged for the visitor during her stay.

Mrs. Ludwig is returning home via Portland, planning stops in Eugene and Portland before continuing eastward.

## Rhodes Leave For California

Lieut. and Mrs. Lawrence B. Rhodes left today for San Francisco, Calif., and other southern points after residing here for several months.

They plan to spend several days in the bay city before continuing south to Los Angeles, their former home, where they will temporarily reside.

Their departure is much regretted by a wide circle of friends in the city.

## Flicks Return From Visit in Middwest

Returning to their home here this week-end were Mr. and Mrs. Fred Pick, who spent the past three weeks visiting in the midwest.

Mr. and Mrs. Pick went by way of Yellowstone National park and from there continued to Mitchell, S. D., where they were guests of relatives. From Mitchell they went to Des Moines, former home of Mrs. Pick, visiting further with relatives and friends.

They continued to Columbus, Neb., where they visited Mrs. Pick's father and brother. Stops were made at other cities in the region.

The two returned home by Salt Lake City and Reno, making several stops en route. It was Mr. Pick's first visit to the midwest.

## Hartmans Leave For New Home

A departure much regretted by many southern Oregon friends is that of Mr. and Mrs. Hugh Hartman of Rogue River, who are leaving this week for Junction City, where they will make their home.

The Hartmans were recent guests at the home of Mr. and Mrs. Wilbur B. Childreth here.

Mr. Hartman has been on the faculty of the Rogue River school for the past two years and will teach in Junction City the coming year. The young couple is well-known in the valley.

## Miss Bond Home After Motor Tour

Each week sees the return of Medford residents who have spent part or all of the summer vacationing in various other sections of the country.

Returning to her home Saturday was Miss Gladys Bond, who vacationed during the summer. She motored with friends in Canada and New England and south to Washington, D. C.

She has been away most of the summer.

## Crater Lake Chapter, Daughters of the American Revolution, is again actively engaged in carrying out the principles for which the national organization was formed, the teaching of true patriotism through better Americanism.

The chapter was organized 18 years ago and through its efforts, love of country has dominated its every act. For the past eight years, prizes have been awarded the junior high school American history classes. The chapter is planning to continue this work and in order to make it more effective they will hold a rummage sale September 24 and 25. Further details will be announced later.

The chapter is planning to continue this work and in order to make it more effective they will hold a rummage sale September 24 and 25. Further details will be announced later.

## Medford Victims Show Improvement

GRANTS PASS, Aug. 31.—(Sp.)—Mrs. Pearl Johnson and Jack Woolfolk, Medford residents who suffered fractured skulls last Tuesday evening in an accident west of Savage Rapids dam, were both reported considerably improved at the Josephine General hospital.

Mrs. Johnson, who has been almost totally unconscious since the accident, is now able to understand slightly at times. Woolfolk, recovering rapidly, still has periods in which a dazed condition is noticeable.

## Roseburg Parolee Again in Trouble

ROSEBURG, Aug. 31.—(Sp.)—Paul Brockman, alias Ralph Gearhart, parolee from the state penitentiary June 3, 1937, was back in the Douglas county jail today on a charge of larceny in a dwelling. He was arrested yesterday by city police.

Brockman was arrested in Roseburg, November 14, 1936, on a charge of forgery and was sentenced December 2 to one year in the state penitentiary. He returned to Roseburg following his parole.

## Oakland Depot Safe Wrecked By Thieves

OAKLAND, Ore., Aug. 31.—(Sp.)—Southern Pacific company officials at Oakland were today awaiting the arrival of a safe expert to determine whether there was any loss connected with the wrecking of the safe at the S. P. depot here last night. The combination was knocked from the safe and holes drilled into the outer covering, but it was believed that the effort to open it failed, but this cannot be fully determined until the door can be opened. State police and sheriff's deputies are investigating.

## Stage Line Cited For Permit Lack

SAN FRANCISCO, Aug. 31.—(AP)—An order for the Oregon-California stage line to appear September 4 to show cause why a preliminary injunction to cease operations should not be issued was signed today by Federal Judge M. J. Roche.

The interstate commerce commission filed the action against the lines, operated by Howard P. Doyle, charging they were operating without a permit.

## PHONE COMPANY CUTS RATES FOR HAND SET USERS

E. D. Wise, vice-president and general manager of the Pacific Telephone and Telegraph company in Oregon, announced today that:

"In line with our established policy of reducing rates for hand sets as rapidly as conditions permit, our company has advised the public utilities commissioner of Oregon that, in accordance with discussions held with him, we would place in effect on and after October 1 a hand set rate of 10 cents per month, with provision that the charge would be eliminated after the consumer has had continuous service for 12 months. The 15 cent charge for customers who have had continuous service for 12 months or more prior to the date of this change will be entirely eliminated.

"This is a further reduction in the hand set rate since the rate was reduced August 21, 1936, from 25 cents to 15 cents per month with provision that the charge was eliminated after the customer had had the service for a period of 18 months or more.

"This reduction will be a substantial saving to the large number of our customers who have the hand set instruments. While we look forward with interest to the elimination of this charge, that step must be viewed in the light of the pronounced effect upon plant changes involving increased investment and increased operating costs, as well as on effect of necessary rate level considerations.

We believe, however, that it is in the public interest to lower the charge at this time and we hope that the attractiveness of the new rate will promote a still larger use of the present hand set. Our operating expenses inclusive of taxes have been rising rapidly throughout the year, due largely to increased wages and increased taxes, and in accordance with our announced policy of paying just and fair wages and to meet these rising expenses, we hope our customers will find our rates so attractive and our service so ever increasing in value that telephone usage will be such that our revenues will, at all times, make it possible for us to meet our full responsibilities to the public we serve, our employees and those who have put their money in our business.

In accordance with our announced policy, we have been glad to participate in conferences with the commission rather than formal proceedings, since we believe the conference method, conducted in a spirit of fairness, affords an opportunity to develop all pertinent facts and in the long run is a much more satisfactory basis for working out matters in the public interest than prolonged, highly technical and controversial formal hearings."

## Mother of F.D.R. Is Uninformed On Third Terms Plans

PARIS, France, Aug. 31.—(AP)—Mrs. James Roosevelt last night characterized as "absolutely untrue" a published story which quoted her as saying that President Roosevelt, her son, did not want a third term.

"I have never discussed the question of a third term for the president," she said. "I know nothing of his plans."

## Ripenink Whale Is Problem For Warrenton Folk

SALEM, Aug. 31.—(AP)—The town of Warrenton, at the mouth of the Columbia river, will continue to suffer from the stench of a ripenink whale carcass, as far as the state highway department is concerned.

State Highway Engineer R. H. Bullock received a letter from G. Clifford Barlow, Warrenton auditor and police judge, asking the department to take action against the whale.

Barlow thought the highway department had jurisdiction over all tidelands and consequently should have the responsibility. But Bullock explained that he has jurisdiction only over ocean tidelands.

## 5th Traffic Death

PORTLAND, Aug. 31.—(AP)—Portland's traffic fatalities for the police year jumped to 54 today with the death of an unidentified pedestrian last night. The victim, about 70, received fatal injuries Sunday when a trolley coach struck him.

The Library of Congress was established in 1800.

## Son Hacks Mother To Death With Ax

CHICAGO, Aug. 31.—(Sp.)—A 60-year-old woman was found hacked to death today and her son was seized as the slayer a few hours later.

"I killed my mother with an ax because she was a Jew," Police-man Joseph Jarobie said. Richard Stefnak, 30, told him.

Stefnak was visiting at a hospital where his wife is a patient when police took him into custody.

Sergeant William Shea said he learned from an occupant of an apartment above the one where Mrs. Mary Stefnak was killed that she and her son had quarreled last night.

## Hip, Hip, Hurray at Meeting

The mention of the campaign to organize the Ford Motor company touched off this demonstration at the United Automobile Workers convention in Milwaukee. These workers physically demonstrated their enthusiasm.

## Mother of F.D.R. Is Uninformed On Third Terms Plans

PARIS, France, Aug. 31.—(AP)—Mrs. James Roosevelt last night characterized as "absolutely untrue" a published story which quoted her as saying that President Roosevelt, her son, did not want a third term.

"I have never discussed the question of a third term for the president," she said. "I know nothing of his plans."

## Ripenink Whale Is Problem For Warrenton Folk

SALEM, Aug. 31.—(AP)—The town of Warrenton, at the mouth of the Columbia river, will continue to suffer from the stench of a ripenink whale carcass, as far as the state highway department is concerned.

State Highway Engineer R. H. Bullock received a letter from G. Clifford Barlow, Warrenton auditor and police judge, asking the department to take action against the whale.

Barlow thought the highway department had jurisdiction over all tidelands and consequently should have the responsibility. But Bullock explained that he has jurisdiction only over ocean tidelands.

## SCIENTISTS SEEK ADDITIONAL DATA ON COSMIC RAYS

PASADENA, Cal.—(UP)—Dr. Robert Millikan and Dr. H. Victor Neher of the California Institute of Technology have completed plans for a further study of the cosmic rays in the middle west and Canada.

This will be added to the data obtained last year when 11 electroscopes were set up in India.

Where in the past stratosphere data on the cosmic rays were gathered by airplanes reaching an altitude of only 20,000 feet, it is expected that the new experiments will reach into the regions 90,000 feet above the earth.

The instruments for registering desired data about the cosmic ray at high altitudes will be sent up by small balloons provided with a mechanism that causes them to burst after three hours. During this time all of the necessary data will have been mechanically registered by special instruments which are attached to parachutes so as to descend safely to earth.

The principal problem is to get the instruments returned to the institute where the data can be compiled and compared. For this purpose each set of instruments will bear a tag offering a \$5 reward if it is returned.

From Omaha five electroscopes will be headed for the higher altitudes, each borne aloft by a tandem of five balloons. In Nebraska the population is sufficiently dense, it is believed, to insure all of the instruments being sent back to the institute when they come down.

In Canada the experiments will be made from Saskatoon, Saskatchewan, where another five balloons will be sent aloft. To date, the only information available on cosmic rays in Canada is at a height of 21,000 feet. This time it is hoped to attain at least 90,000 feet altitude.

Parachutes attached to the instruments will be two yards square and red.

Depositors Get Dividend.

ALBANY, Aug. 31.—(Sp.)—Dividends totaling \$50,448, authorized by Circuit Judge L. G. Lewelling, will bring the total dividends paid depositors of the Bank of Albany to approximately 90 percent. It was the eighth payment approved since liquidation began.

## Gov. Murphy to Hospital

DETROIT, Aug. 31.—(AP)—Governor Murphy was to enter University hospital at Ann Arbor, Mich., today for observation of a throat ailment. On insistence of his physicians he probably will be in the hospital for several days. He will move his immediate administration staff to his hospital room.

Chopped ham may be added to waffle batter and served with pineapple-orange sauce.

## Gave His Blood

Horace A. Thomson, 30, son of Mr. and Mrs. George Thomson, Hutchinson, Kan., marine now on duty in Shanghai, gave a blood transfusion to Sir Hugh Knatchbull-Hugessen, British ambassador to China, who was shot and seriously wounded when a Japanese airplane splattered his automobile with bullets.

## F. R. STILL PONDERING CALL FOR CONGRESS

HYDE PARK, N. Y., Aug. 31.—(AP)—President Roosevelt said today he still had under advisement the question of a special session of congress but has reached no decision.

He also told a press conference around his automobile at the county fair grounds at Rhinebeck that he had made no definite plans for a western trip, but would start thinking about it in the next few days.

He added he was talking with the state department three times a day on the Far Eastern situation and the government was still on a 24-hour basis in watching developments.

He left the fair to return to work on bills at Hyde Park.

## HI SCHOOL PUPILS GET INSTRUCTIONS FOR OPENING DAY

(Continued from Page One.)

are in the hands of the high school office staff at the time they present themselves for registration. Smith pointed out.

Junior high school pupils who are entering the Medford school system for the first time may register at the junior high school on West Second street Thursday afternoon from one to four or on Friday from 8:30 a. m. to noon. Those unable to register ahead of time may do so when school opens, Smith explained.

Entering seventh grade pupils who attended one of Medford's public schools last year are not to report to the junior high until Tuesday morning at 8:30. Registration of all old pupils has been done and they are not to report until Tuesday morning.

The junior high school book exchange will be open Thursday from one until 4 p. m. and on Friday from 9 until 12 a. m. and from 1 until 4 p. m. Only ninth grade second-hand books will be on sale. Books are furnished for seventh and eighth grade pupils. The exchange will be open again Tuesday morning and at stated times thereafter, Smith announced.

If dark or light brown sugar is too hard to measure heat it in the oven, then measure it quickly while it is soft. Store it in the refrigerator or bread box, where it will remain soft.

## AUGUST IS RATED HEALTHFUL MONTH

INDIANAPOLIS.—(UP)—If you would believe Dr. Herman G. Morgan, Indianapolis health board secretary, there aren't any "dog days" any more. He says it's all because of scientific development of preventive medicine, public health administration and more sanitary sewage disposal.

There was a time, you know, when, in August, horses frothed at the mouth, dogs went mad and little boys were warned to stay away from the swimming hole with the green scum.

Because sanitary conditions and heat were at their worst then, the death rate was higher.

But not now. August now boasts of being the most healthful month of the year when it was once believed the most unhealthy. It has the lowest illness and death rate of them all, Dr. Morgan said.

## BIRTHS

Born to Mr. and Mrs. L. G. Bickel of 148 South Holly street a girl weighing seven pounds six ounces at Heart hospital this morning, Tuesday, August 31.

BONNEVILLE, Aug. 31.—(Sp.)—J. A. Hertling and Sons submitted the low bid for construction of a levee protection at The Dalles in connection with Bonneville dam development, the United States army engineers said today. They estimated the cost at \$142,000.

## TEXAS OFFICIAL FLIES TO WORK

AUSTIN, Tex.—(Sp.)—Attorney General William McCraw of Texas pilots himself to work—and his work is likely to take him anywhere in the state from the Rio Grande to the Panhandle.

A licensed pilot, McCraw owns a plane in partnership with a friend and seldom uses an automobile or train to get from the state capital to other Texas cities.

He hops from Austin to Amarillo, nearly 500 miles by air, in a little more than five hours for the round trip.

"It would take practically a day to go and a day to return any other way," he says.

The attorney general uses the commercial airlines for frequent trips to Washington. He recently left Dallas at 5 o'clock in the afternoon, testified before a congressional committee, and was home again the following night.

## Stage Line Cited For Permit Lack

SAN FRANCISCO, Aug. 31.—(AP)—An order for the Oregon-California stage line to appear September 4 to show cause why a preliminary injunction to cease operations should not be issued was signed today by Federal Judge M. J. Roche.

The interstate commerce commission filed the action against the lines, operated by Howard P. Doyle, charging they were operating without a permit.

## Your New Fall Hat

New Fall COATS - SUITS Dresses - Shoes For your inspection. It pays to shop at

### Royal Hats

"There is a little bit of Paris in every style."

Other Hats \$1.29 up

\$5.98 TO \$10.98

## The BAND BOX

# \$5,000 1st AWARD

# 424 OTHER AWARDS

# STILL TIME TO ENTER

... to send in names for the little Snowdrift men ... to win the grand award of \$5,000.00, or one of the other 424 awards. But we suggest you act at once, for midnight of September 15, 1937 is the last minute. And that's just two weeks away!

# STILL TWO WEEKS LEFT TO ENTER

# \$12,500 FOR NAMING THESE LITTLE SNOWDRIFT MEN

## 425 AWARDS totalling \$12,500

The following awards will be made for the names as selected for the famous little Snowdrift men:

1st AWARD \$5000.00  
 2nd AWARD \$1000.00 • 3rd AWARD \$500.00 • 5 Awards of \$100.00 each  
 20 Awards of \$50.00 each • 30 Awards of \$25.00 each  
 110 Awards of \$10.00 each • 215 Awards of \$5.00 each

### STATE AWARDS

21 1st Awards \$50.00 each • 21 2nd Awards \$25.00 each

The state awards of \$50 and \$25 respectively will be given for the best suggestion and the second best suggestion received from each of the following 21 states: Virginia, North Carolina, South Carolina, Georgia, Florida, Tennessee, Alabama, Mississippi, Louisiana, Arkansas, Texas, Oklahoma, Colorado, Utah, New Mexico, Arizona, California, Nevada, Washington, Oregon, Idaho.

### READ THESE RULES CAREFULLY

- 1—Think of your suggestion for naming the little Snowdrift men pictured here. "Bake and Fry" for instance; or the "Freshness Twins" the "Creaminess Boys", "Snow and Drift" or "The Goodness Team." Write your suggestion on any kind of paper or on the entry blank. Print plainly your name and address, and name and address of your grocer.
- 2—Buy a can of Snowdrift. Unwind the metal strip that seals any one little Snowdrift man. Clip off that portion of the wording on the strip which says, "We lock in all its goodness." Enclose this piece of strip in envelope with your name suggestion and address, and mail to "Award Editor, P.O. Box 994, New Orleans, La." That constitutes an entry. Entries will not be considered unless metal strip accompanies each name suggestion. For example, "Bake and Fry" needs one strip; "The Creaminess Boys" one strip.
- 3—Every entry, duly accompanied by metal strip, will be acknowledged, and in appreciation we will mail you a coupon acceptable by your grocer as 10¢ against the purchase of your next 3 or 6 pound can of Snowdrift. Because of the large number of suggestions, we cannot enter into any further correspondence with any entrant. No entry will be returned.
- 4—Contest closes September 15th, 1937. All entries must be postmarked prior to midnight of that date. All entries become the property of the Wesson Oil and Snowdrift Sales Company. Judging will be directed by officials of the Calkins & Holden Advertising Agency, New York, and of the Fitzgerald Advertising Agency of New Orleans. Decision of the judges will be final. Anyone may submit suggestions, in conformity with the rules, except employees of the Wesson Oil & Snowdrift People, their advertising agencies, or their families. Duplicate awards will be made in case of ties. A complete list of winners will be published as soon after decision as possible.
- 5—State awards will be made only to entrants from states listed in this advertisement, but the 3¢ other prizes are open to any one in the U. S. except as specified in Rule No. 4.

WESSON OIL & SNOWDRIFT PEOPLE  
NEW ORLEANS, LA.

Every entry will be acknowledged with a money-saving coupon. Your grocer is authorized to accept this coupon as 10¢ on the purchase of your next 3 or 6 pound can of Snowdrift.

Read all the rules carefully. Think up your name-suggestions. Send them in today!

EXTRA—FREE MONEY-SAVING COUPON (See Rule #3)

10¢ COUPON for every entry

We lock in all its goodness
