

### SOCIETY and CLUBS

By Janet Wray Smith

**Mrs. Conroy Is Weekend Hostess.**  
Hostess to friends over the weekend was Mrs. R. J. Conroy, who entertained out-of-town visitors at her summer home on Union Creek.  
Guests were Mr. and Mrs. R. W. Prosser of Los Altos, Calif., and Maida McCosham of San Francisco, stopping here as part of a vacation tour. They have continued north.  
The group was joined on the river Sunday by Mr. and Mrs. J. P. Wolf of Ashland, the hostess arranging dinner for ten. Others present included Mrs. Conroy's son, Robert and daughters Katherine and Anne.

**Hamptons Here For Week's Stay.**  
Being greeted by many friends in the city this week are Mr. and Mrs. Norman Hampton of Portland who are guests of Mrs. Hampton's parents, Mr. and Mrs. W. F. Quisenberry.  
Mrs. Hampton was formerly Miss Jeanne Quisenberry. Her marriage was a prominent event of the early summer and the popular young couple has a wide circle of friends in the city. They will remain here until Sunday.

**Mrs. Hart and Daughter Home.**  
Mrs. Floyd Hart and young daughter, Harriet, returned home by train this morning after several days spent in the south.  
They were accompanied south by another daughter, Miss Charity Hart, who left to enroll in Katharine Branson's school at Ross, Calif. Mrs. Hart and Harriet also visited other spots in the bay district before returning home.  
They have been away about a week.

**Two Leave for Northern Event.**  
Among the many valley residents planning to attend the annual Pendleton round-up which opens today are Louis Salade and his son, Billy.  
The two left yesterday by motor for the north to view the western show.

### SCHOOLS OF CITY TO MARK SIGNING OF CONSTITUTION

(Continued from Page One.)

stitution and its historical backgrounds.  
Students of the junior high school gathered this afternoon for a constitution day program. Frank Dixon, student body president, opened the assembly with a welcome address and James Mullins, new principal, was introduced to the student body.  
Dorothy Territt, president of the girls' league and Billy Thorndike, acting president of the boys' league, presented short addresses. Alfred Dodson was heard in a trumpet solo.

The American flag was presented by the girls' drum corps with Allen Buckingham, Bob Holmes, Elmer Baahaw, Bill Fredericks as flag bearers. Jimmy Elliott led a flag salute by the entire student body. Vern Rellenbeck presented the constitution story and the students repeated the preamble of the constitution. Patriotic songs were sung by the students.  
A number of patriotic and veterans' organizations of the city are planning special programs and sessions to observe the day.

### GATES TO SPEAK ON CONSTITUTION

At the Masonic temple tonight a Constitution anniversary address will be delivered by W. A. Gates. Mr. Gates has made an exhaustive study of circumstances, conditions and developments in early European governments which brought about a desire for greater liberties, freedom and justice of the people, and which was the thought foundation for the formation of the United States constitution adopted in September, 1787—160 years ago.

Citizens should be familiar with this historical document and a large attendance is expected at the gathering, the announcement states.

### BOX OF MATCHES SAVES NEW AUTO

Leonard Adair of route 1, Medford, can thank a box of penny matches for saving his new automobile from being demolished by a southbound fruit train.

Adair told state police that he was driving on South Riverside avenue Tuesday evening, and as he neared the Stewart avenue intersec-

tion, the tie rod broke loose on his machine. Out of control, the car shot up Stewart avenue and came to a wobbly stop exactly on the Southern Pacific railroad tracks near the S. O. S. packing plant.  
In the meantime, a fruit train had gathered headway out of Medford and was roaring southward. Adair told state police he jumped out of his car and, having nothing better with which to flag the train, started lighting matches and waving them in the air. Engineer of the locomotive saw Adair's signals and brought the train to a halt a scarce five feet from the stalled auto.  
The train was held up about seven minutes while Adair's car was moved from its precarious position on the tracks, after which carloads of local pears moved on to their markets and the auto was towed to a Medford garage.

### CALLISON SELECTS TENTATIVE LINEUP

EUGENE, Ore., Sept. 16.—(AP)—Frank Emmons, speedy 190-pound back, was shifted from fullback to right halfback today as Coach Frank Callison sought the proper combination for the University of Oregon's opening football game with U. C. L. A. September 24.

Emmons' speed and open field running ability fitted him perfectly for the halfback post, Callison said.  
Bill Rach, husky sophomore from Seattle, and Paul Rowe were slated for fullback competition, with Arlight Bentley, now at quarterback, available if necessary.

Callison's tentative backfield lineup was as follows:  
Quarterbacks—Hank Nilsen, Arleigh Bentley, Ernie Robertson and Dennis Donovan.

Left halfback—Dale Lasselle, Jim Nicholson, Jay Graybeal, Steve Anderson and Ted Gebhardt.  
Right halfbacks—Bob Smith, Frank Emmons, Don Kennedy and Connie Grubb.

Fullbacks—Paul Rowe, Bill Rach and Arleigh Bentley.

### C. E. GATES TO HEAD ELKS LODGE MEET

Regular weekly meeting of the Elks club will be held tonight in the temple with C. E. ("Pop") Gates taking charge due to the absence of Exalted Ruler B. L. Sanderson.

Several features to be presented during the state convention here next week will be staged tonight, and a large attendance is urged. Secretary Ernest Scott stated that the meeting would not be long but would be extremely interesting.  
Sandwiches, beer and coffee will be served following the business sessions.

The meeting will also dedicate the new improvements in the club room which were supervised by the board of trustees.

### TAMMANY'S FATE SEEN IN GOTHAM MAYORALTY VOTE

(Continued from Page One.)

Mayor Fiorello H. La Guardia, fusion, pro-New Deal incumbent, is a candidate for the Republican nomination. His opponent is United States Senator Royal S. Copeland, writer and radio talker on medical subjects, foe of many New Deal policies.

Senator Copeland is also, as the designee of Tammany, a candidate for the Democratic nomination, where his only opponent is Jeremiah T. Mahoney, president of the A. A. U., choice of the four pro-New Deal Democratic borough leaders of the city (Tammany is restricted to Manhattan.)

Norman Thomas is unopposed for the socialist nomination.  
A last minute development was the sudden growth, admittedly in Tammany strongholds, of a movement to write in La Guardia's name on the Democratic ballots.

### Cyclists To Hold Scavenger Search

A scavenger hunt on motorcycles will provide entertainment for the Southern Oregon Motorcycle club tonight. About 12 motorcycles will engage in the search, with a delegation expected from Grants Pass. It was stated by Bill Meyers, club secretary.  
The hunt will start at 8:30, the cyclists to assemble just prior to that hour at the Jackson County Chamber of Commerce. Each rider will be assigned a list of several articles to bring to the place of meeting, the first to arrive with his allotment winning a prize.
