## Guthrie-Solinsky Wedding in South Arouses Interest

A number of valley residents have received invitations to the coming wedding of Miss Jane Solinsky, daughter of Mr. and Mrs. E. C. Solinsky of Modesto, Calif., and Alexander Peter Guthrie, son of Mrs. D. L. Guthrie of London, England.

The ceremony will be solemnized October 7 at 4 o'clock in Swedenborgian church in San Francisco and will be followed by a reception at the home of the bride's sister, Mrs. Alex Young, in San Francisco.

Both Miss Solinsky and Mr. Guthrie formerly resided here with their families and the wedding will arouse much interest among a wide circle of friends in the city and valley.

Mrs. Guthrie has been the house guest of Mrs. C. S. Newhall here for the past few weeks and has been greeted by many old friends here. She will remain until early in October when she will go south for the wedding. Many friends from here are also making plans to accept invitations to the ceremony.

## Miss Fowler and Glen Dole Wed

Miss Velma Fowler, daughter of Mr. and Mrs. Loren Fowler of Prospect, became the bride of Glen Dole, son of Rev. and Mrs. James Dole of Prospect, in an impressive ceremony Friday evening at 8 o'clock in the Church of the Nazarene at Prospect.

Miss Marie Dole, sister of the groom, attended the bride as bridesmaid. Glen Kofman, Medford, cousin of the bride, was best man. Jeanette Grievens and Gloria Dunagan were flower girls.

Rev. Leonard Hanson read the service before an altar banked with autumn flowers and foliage. About 75 relatives and friends were present for the service.

Gloved Dole sang "I Love You Truly," accompanied by Miss Dolores Dole, who also played the wedding march.

The bride wore ivory silk tulle over satin with a tulle veil held by orange blossoms and carried a bouquet of roses. The bridesmaid was gowned in blue tulle. Flower girls wore pastel shades and carried baskets of flowers.

Bride and groom left after the ceremony for a honeymoon, planning to return to make their home near Prospect.

## P. T. A. Plans Active Year

Beginning what is said to be the most constructive yearly program ever advanced by the organization, the Jackson County Parent-Teacher association will meet for the first fall session tomorrow afternoon at 3 o'clock.

"Successful Family Living" is the theme for the year. Topic for tomorrow's meeting is family co-operation for health and safety.

Appearing on the program will be Mrs. L. E. Mentzer, talking briefly on how to develop a co-operative attitude in the family; Mrs. E. M. Drysdale, discussing health habits and their effect on harmonious family life; Seth Bullis, speaking on safety practices in the home and accident prevention.

Also speaking will be Miss Olive Curry, school nurse, describing ways in which the health department and school and health programs affect the home.

A large number is expected to attend the gathering. Business session will be followed by refreshments.

Mrs. L. E. Clevenburg, president, has called an executive meeting for 2:15 o'clock in the school dining room preceding the regular session. All officers and chairmen are asked to attend.

## Guests Entertained At Tucker Residence

Arriving this morning by train from the south was Non Tucker of San Francisco, planning a vacation stay at Rogue's Roost, Tucker summer residence on Rogue river.

He was accompanied by his mother, Mrs. J. L. Tucker of Sacramento, Calif.; two sisters, Mrs. Russell Lowe of Woodland and Mrs. William Nilon of San Francisco, and his sister-in-law, Mrs. Harold Tucker of Sacramento.

The group will vacation for several days at the river lodge, where Mr. and Mrs. Tucker entertain many guests throughout the summer.

## Officers Entertain At First Gathering

Outgoing and incoming officers of the DeMolay Mothers' club were hostesses to members for the first session of the year at the Girls' Community clubhouse Monday afternoon.

Retiring officers are: Mrs. Grant Todd, Mrs. O. E. Myers and Mrs. Blanche Taylor. New heads are Mrs. J. C. Thompson, Mrs. E. B. Pine and Mrs. J. F. Gettles.

Next session is scheduled for October 19 at the Girls' Community clubhouse. All mothers of DeMolay members are cordially invited to attend.

## State President Entertained Here

Being greeted by local members of the Degree of Honor lodge is Mrs. Ethel Lindholm of Portland, state president, who is in the city to assist the Medford group in a membership drive.

The lodge will meet tomorrow evening at 8 o'clock in the armory when a class will be initiated. All members are requested to be present.

## INQUEST SET IN ATCHISON DEATH

An inquest into the death of Mrs. N. H. Atchison of Portland, from injuries sustained Monday in an auto crash on the Pacific highway, seven miles south of Grants Pass, will be held late this afternoon, the district attorney announced this morning.

Mrs. Atchison's legs were broken and other injuries were inflicted in the collision which involved three automobiles and a freight truck.

John Howard Logsdon of Fort Klamath, held in the county jail as operator of the parked auto, allegedly causing the accident, in a complaint filed in justice court yesterday, is charged with failure to report an accident, and fleeing from the scene. No hearing will be held until after the coroner's inquest.

Logsdon is alleged to have fled following the accident on the pretext he was going to telephone for help. He later returned and was arrested by state police.

Mrs. Margaret Fisher of Port Klamath, asserted companion of Logsdon charged with being drunk on a public highway, is also held pending a justice court hearing.

## LONGSHOREMEN ACCEPT CHARTER UNDER C. I. O.

PORTLAND, Sept. 23.—(P)—Portland longshoremen were formally chartered under the C. I. O. International Longshoremen's and Warehousemen's Union today, the new charter being accepted last night "without a dissenting vote," Secretary Rosco Craycraft said.

Union trustees were instructed to return the local's old A.F.L. charter to Joseph P. Ryan, president of the International Longshoremen's association.

When an artist paints a picture he does not think of his colors in terms of red, green and blue so much as placing "warm" colors against "cold" colors on his canvas.

**AN AERIAL ATTACK** sent U. I. Whitehead, Jr., veteran back, crashing on his head when he took a flyer over the line in scrimmage at the U. S. Naval Academy's football practice. But the ball was safe as Annapolis' future admirals gilded their grid machine for attack on a schedule which, as always, highlights the Army game in November.

## DISPLAY KITCHEN HERE ON MONDAY

The modern kitchen on wheels has many valuable suggestions on construction of built-ins and kitchen arrangement for families planning to build and for families planning to remodel. Suggestions are also given for rearranging kitchen equipment in order to make the farm kitchen more convenient.

Some of the features of the built-ins of this modern kitchen consist of a floor-to-ceiling cabinet for storage of packed groceries and cooking utensils; a specially designed wood-box, a cabinet for the storage of farm records and bulletins, and a play cabinet for the children.

An interesting and new color treatment has been used throughout in the finishing of the walls, woodwork and accessories.

Local arrangements for the traveling kitchen display are in charge of Mrs. Mabel C. Mack, county home demonstration agent.

## Coyote Attacks Boy In Log Camp

LAKEVIEW, Sept. 23.—(P)—Marvin Gess, 7, was recovering today from deep lacerations received when he was attacked by a coyote at the Fred Anderson logging camp Tuesday.

The animal, believed to have been maddened by pain from porcupine quills embedded in its throat, mouth and head, leaped from the brush as the youngster was watching operations at the camp.

Loggers killed the coyote.

A process for the manufacture of synthetic camphor has been developed in the research laboratories of the Japanese department of finance, according to reports from Tokyo. Japan has a world monopoly in natural camphor.

A musical pipe, made of a lion's tooth, was found recently in a cave in Czechoslovakia. The pipe, which still gives forth its two notes, D and G, was played by cavemen who lived in that region 30,000 years ago.

## DR. ALDRICH GOING TO NEW FIELD IN FRUIT RESEARCH

(Continued from Page One.)

keeping quality of fruits. He is held to be particularly well equipped by training and practical experience to continue the horticultural research program of the Medford district.

## Aldrich to Return

Dr. Aldrich will return here about November 15 to spend four of five weeks with his successor, familiarizing him with the experimental plots, past results and future plans. This will permit the present program to continue without interruption. Dr. Aldrich and Dr. Degman are friends of long standing.

Dr. Aldrich, in co-operation with R. A. Work, M. R. Lewis, Bruce Allyn and Dr. F. C. Reimer of the Talent experiment station, has been in charge of horticultural phases of the pear research work at the Medford experiment station since 1931. This included problems of tree nutrition, effects of excess and deficient soil moisture, frost injury, pollination, nitrogen fertilization, pruning and root injury. Results of these studies will be published soon in bulletins from the Oregon experiment station.

John H. Grim, assistant to Dr. Aldrich, in charge of the taking of all orchard records, and who is a laboratory technician, will be in temporary charge until arrival of Dr. Degman and will then continue as his assistant.

Dr. Aldrich's transfer is a promotion and sends him to a larger field. He states that he is leaving Medford and the Rogue River valley with reluctance, and praised the fine cooperation between growers, county officials, Oregon State college and federal agencies, which have provided excellent facilities for research.

HILLSBORO, Sept. 23.—(AP)—Neil Stangel, 32, assistant district attorney of Washington county, died here Wednesday.

**Income Tax Take Shows Huge Gain**

WASHINGTON, Sept. 23.—(AP)—Income tax collections from September 1 to 21 were \$189,418,303 more than for the period of September 1 to 20 last year, the treasury department said today.

The total for the first three weeks of September this year of \$473,045,978 included Oregon collections of \$1,271,294, compared with \$689,879 during the corresponding period of 1936.
