

ELKS WILL GIVE PUBLIC PROGRAM IN PARK TONIGHT

(Continued from Page One.)

tonight as one of the features of the first day of the annual convention of the Oregon State Elks association. It will start at 7:00 o'clock.

Walter F. Meier of Seattle, former grand exalted ruler of the Elks lodge and official representative of the present grand exalted ruler, Charles S. Hart, will be the principal speaker. He will be introduced by C. E. Gates, past exalted ruler of the Medford lodge, who will act as chairman.

George Peckham, following the march rendered by the Elks band will sing the Star Spangled Banner and will also lead the audience in the signing of America at the close of the program. A pledge of allegiance to the flag will be given by the audience, led by J. F. Pilgall of the Medford lodge, and drill teams and organizations will "mass their colors at either side of the bandstand. In case the weather is unfavorable, the program will be held in the Elks temple.

Delegates Pour In

Delegates from all parts of Oregon were today pouring into Medford and registering at headquarters at the temple as the annual convention of the Oregon State Elks association moved into its first day of business sessions and hilarity, honest work and needed play.

At one o'clock this afternoon, over 150 delegates had scrawled their names across the big book in Elks temple, and that was only a starter. At least 500, total, were expected to be on hand by tonight to start out afresh tomorrow morning and continue at top speed until the windup Sunday night.

Of the 17 state lodges belonging to the association, 15 were represented early this afternoon. The two others were expected at any time.

One resolution was passed at the opening business session in the temple this morning. Introduced by Brother J. B. Ofner of Portland, it resolved, "that Oregon state Elks resent all misrepresentation as to Crater lake and other Oregon scenery and urge all Elks to report further mistatement to the officers of this association." The resolution brought a great cheer from the huge gathering.

Gates Gives Welcome

The Rev. E. S. Bartlett of Medford gave the invocation as the business session opened. He was followed by C. E. ("Pop") Gates of Medford, past exalted ruler of the Medford lodge, who gave the address of welcome. O. A. Neal of Portland, state Elks chaplain, responded to the welcoming speech.

Opening address of the convention was made by J. W. Flanagan of Marshfield, president of the Oregon State Elks association.

President Flanagan told of the rapid and successful growth of the state association, which now embraces all but six of Oregon's lodges. He commented on the excellent cooperation received from member units, and stated that this convention looked like the best of them all.

Among the distinguished visiting Elks present this morning were Past Grand Exalted Ruler Walter F. Meier of Seattle and Jack Allen of Bend and Harry B. Ruth of Eugene, district deputies of Oregon. All state officers were either present or expected at any time.

Routine Business

With the exception of the one res-

olution passed, all business this morning was routine. The important session will be held tomorrow morning at 9 a. m.

Both the Medford and Astoria Elks bands, fully uniformed, were on hand and blaring away. A large delegation of Medford Elks met the southbound train this morning and welcomed many visiting delegates.

The ritualistic contest, with teams from several state lodges competing, is being held in the temple this afternoon. The winner will confer the degree on a huge group of candidates this evening.

Initiation At 8 P. M.

At 8:00 o'clock tonight, the Medford lodge will hold its regular session and candidates from the local lodge and many other units over the state will be initiated. Degree's will be conferred by the team winning the ritualistic contest, now being held in the temple.

Lady Elks will be entertained in Ashland at 6:00 o'clock this evening by the Ashland ladies.

Official business sessions of the state association will be continued tomorrow morning at 9:00 o'clock in the temple, with election of state officers and resolutions taking up most of the time.

At 1:00 p. m. tomorrow, a huge caravan of visiting delegates will leave Medford for Oregon caves under the auspices of the Grants Pass lodge.

At 2:00 p. m., a golf tournament at the Rogue Valley Golf club will be held, with members from Medford and all state lodges competing for prizes. Full handicaps will be allowed in the 18-hole medal play, and there will be awards for both the low gross and net scores, in addition to many others. All Elks are invited to enter the tourney.

Days of '49 Stated

Saturday's program will be brought to a close with the hilarious "Days of '49" celebration in the Elks temple for all Elks and their ladies. There will be special entertainment features as well as dancing.

Sunday, final day of the convention, will open with another caravan, this time to Crater lake under auspices of the Klamath Falls lodge, at 8:00 o'clock. The golf tournament will be brought to a close during the morning, and a trap shoot will be held at the Medford Gun club grounds.

At 3:00 p. m., the grand picnic will be held at the Elks picnic ground on Rogue river. Five fights featuring the cream of CCC talent and two wrestling matches will highlight the athletic program at the picnic, and there will also be foot racing, broad jumping and other entertainments.

During the picnic, music will be furnished by bands from Medford, Astoria and other lodges, and by the Gay Nineties orchestra from Klamath Falls.

Wasserman Tests Urged For Pupils

WASHINGTON, Sept. 24.—(AP)—Dr. R. A. Vanderlehr of the public health service said today recommendations have been made to interested universities that new students be given serologic tests for venereal diseases.

The recommendations stipulate, he said, that confidential methods should be used and that discovery of the diseases should not be used as a basis for refusing admission to a student.

Dr. Vanderlehr said the amount of syphilis among college students is relatively small—usually less than one percent, and in one university tested was as low as one-tenth of one percent.
