## PASS ATTACK OF HOOD RIVER WINS FROM TIGERS 14-13

A fighting Hood River high school football machine that refused to be beaten came from behind twice Friday night to defeat Medford High school's Black Tornado, 14-13 in the first night game here in history.

Over 1500 spectators, packing the grandstand and bleachers to see the first major battle of the year, witnessed the blue-shirted Applepickers of Coach Jimmy Carr open up with a brilliant passing attack in the second half to score two touchdowns and convert the extra point after each. Stopped dead on the ground by a tough Medford line, Hood River went uptight. And, the Tigers had no answer for the amazing barrage of forward passes as slung by Captain Bobby Dethman, a 168-pound bundle of quarterbacking dynamite.

With Dethman on the throwing end, Hood River heaved 19 passes, all in the hectic second half, and completed 10 of them. Two were intercepted, and two went for touchdowns. The Tigers tried six aerials, with five of them being incomplete and one intercepted.

So superior were the Tigers in the first half that Hood River was unable to get past their own 40 yard line. They were held to a meagre 20 yards from scrimmage while the Tigers were pounding all over the field, rolling up 176 yards and one touchdown.

Coach Bill Bowersback, who coached to its first touchdown early in the initial period, the second time they got their hands on the ball, in fact, Ettinger, catching a punt on the 50-yard line, came back 15 to the 35 and the Tornado was on its way. Ettinger went to the 25 on a delayed half-spinner. Grow got four on a reverse, and then Hill swept wide around his own left end with great blocking to the Hood River two-yard line. On a half-spinner, Ettinger scored standing up through the center of the line. The little quarterback converted with a place kick and it was 7-0.

Three more times in that first half, Medford knocked at the door, but each time they were denied. Midway through the second period, Hill broke loose around right end for 21 yards to place the ball on the Hood River eight-yard line, but four tries at the line failed by a scant foot to reach scoring ground, Edson Grow packing each time.

Dethman started firing forwards as the third quarter opened, and just before the stanza ended, Hood River had its tying touchdown. Starting on their own 25-yard line, the Applepickers moved steadily down the field, with Dethman running the ends and passing the Tigers dizzy. A 25-yard shot to halfback Dick Bentley put the ball on Medford's 35. After several more short tosses and substantial gains through the line as Medford was spreading out to halt the onslaught, the Hood River outfit crossed up the Tigers and Bentley, instead of Dethman, lined an 18-yard pass to end, Samuel, on the five yard line, and the receiver stepped across the goal line. Hill, Medford halfback, apparently had Samuel covered, but the Applepicker reached up and snagged the toss, dodged Hill, and scored.

Dethman converted with a placekick, and the ball game was knotted, 7-7.

The fourth quarter was not one minute old before Medford had again taken the lead. After three plays following the kickoff, Ettinger, starting from the 50-yard line, swung wide around his own right end, cut back behind perfect interference, and reared the entire distance to the goal line. He literally outran the entire Hood River secondary, to score standing up. His attempted place-kick for the extra point was low and wide, and the score was 14-7.

Shooting the works, Dethman of Hood River started his one-man aerial show for the ball again. After Hill had quick-kicked to the Hood River 30, the barrage was unleashed. Straight down the middle Dethman shot them, first to Bentley for 15 yards, then to Bentley again for 5, and again to the same guy for eight more. Dethman gained 10 at left tackle and then went eight off right tackle to the Medford 13 yard stripe.

With only about two minutes to play, it was fourth down and nine yards to go on the Medford 10. There was no secret as to Hood River's last-chance maneuver, but the Tigers were taken in. Dethman faded back and tossed the payoff forward pass to Bentley standing square in the middle of the left side end zone. There was not a Medford player within 10 yards of Bentley as he dragged the ball to his chest for the touchdown. Then, with the old football game hanging fire, with the score tied 13-13, Dethman coolly hoisted the pigskin high, wide and handsome through the uprights for the point that gave his team the victory.

Only a few seconds remained as

Medford received the kickoff and started leaving long passes. Four of them by Shorty Campbell missed their mark and Hood River, taking the ball on downs, stalled through three slow line-plays to end things.

Dethman, by far, was the best ball player on the field, and Bentley was not far behind. The entire Medford backfield looked good on offense but folded completely on pass-defense. Root, end, and Santo and Earhart tackled, also played good games for the Tigers.

The Tigers produced 12 first downs to Hood River's 10. All Medford's came from running plays while six of Hood River's were made through the air. The Tigers were complete master of the situation in the first half, making nine first downs to none for the winners.

## BRAND FORGERIES ROIL CATTLEMEN

DENVER, Oct. 2.—(AP)—Branding marks that heretofore have been burned on helters' hides and painted on ranch gate arches may show up on legal documents soon as part of Colorado's current campaign against cattle rustlers.

Two hundred ranchers and peace officers who met yesterday at the statehouse agreed with Sheriff E. E. Monzingo of Arapahoe county that the ease with which rustlers can forge bills of sale for stolen carcasses is "one of the biggest fleas in our law."

"Almost anything does for a bill of sale, and we aim to have some form drawn up, maybe carrying the cattlemen's own brand, that won't be so easy to forge or copy," said Monzingo, who called the state meeting.

## BOY 6, VICTIM OF HIDE-SEEK GAME

FREDERICK, Okla., Oct. 2.—(AP)—Billy Joe Harbour, 6, died last night, a victim of a game of hide and seek he was playing with his brothers and sisters.

Mr. and Mrs. J. W. Harbour, the parents, said they came home from a store they operated here to learn from an older sister that she had been unable to find Billy Joe, Beatrice, 8, and Wayne, 11, with whom she had been playing hide and seek.

The parents heard a slight noise in a cedar chest. In it they found the three children unconscious. The lid apparently had locked upon them after they crept into the chest to hide.
