WARRANT ISSUED FOR HIT-RUNNER  
A warrant was issued by the district attorney yesterday for a "John Doe" driver, charged with failure to furnish name and aid at the scene of an accident, in a complaint signed by Andrus H. Smith, of Jacksonville. Circumstances told by Smith show that an accident similar to the one that befell George W. Nichols, Jr., valley stockman, two weeks ago on the Pacific highway near Talent, was narrowly averted. Nichols is in a local hospital with two broken legs and other injuries, as the result of being struck by a hit-run driver, while repairing a headlight. No trace has been found of the driver, who sped on into the night. Smith informed the district attorney that while driving from Jacksonville last Saturday night, he pulled off the highway to inspect his lights, and his car was hit and damaged by a fast moving vehicle, whose driver failed to stop.
