

COMMITTEES FOR YEAR ARE NAMED AT LEGION MEET

Members of Medford Post, No. 15, of the American Legion and Auxiliary enjoyed a periodic "get-together" meeting Tuesday night with a goodly representation of local veterans and auxiliaries present. A covered dish dinner, with chicken pie as the main attraction, was served by the ladies in the auxiliary rooms at the Medford Armory, after which Lee Garlock was called upon for an account of his recent trip to the national convention of the American Legion held in New York City.

His description of the 18-hour parade and other highlights of the "greatest convention in the history of New York" proved most interesting to all present. Garlock announced that Oregon had a large delegation present and took an active part in the convention proceedings. The 1938 convention will be held in Los Angeles and the Oregon department is already planning to send a delegation of 1000 legion and auxiliary members, according to Garlock, who urged local veterans to plan to attend.

Following the dinner, regular semi-monthly business sessions were held by both organizations after which a social evening was enjoyed with music, cards and dancing. Music was provided by Steve Whipple's orchestra.

During the legion business meeting, Commander MacDonald announced that the Armistice Day committees under the leadership of Gain Robinson are now functioning and a big day's program is being prepared for entertainment of the thousands of

southern Oregon citizens who are already planning to celebrate with the legion in Medford, Nov. 11. Through the fine cooperation of the local high school authorities the annual Medford-Ashland football game will be played here, instead of in Ashland, on Nov. 11, adding much to the feature attractions of the day.

Cole Holmes suggested that steps be taken to protect Medford business men from out of town racketeers who take advantage of Armistice Day and other patriotic holidays to sell window cards, etc., under the guise of raising funds for veterans. Commander MacDonald announced that the legion will sell no such cards to the merchants and would be glad to cooperate with the chamber of commerce and merchants' association in abolishing any such activity on the part of so-called "veterans" from out of town.

Certificates of distinguished service presented to Medford Post by State Commander Guy Cordon and Department Membership Chairman O. E. Palmateer were read by Adjutant H. L. Bromley who urged all members to pay their dues promptly to qualify for the post for 1938 citations. O. L. Overmeyer, chairman of the boy scout committee, reported the legion troop was making fine progress with much interest and enthusiasm among the boys.

Lee Garlock told of seeing Past Commander Seely Hall in Chicago en route home from the convention. Hall, who is now vice president of the United Air Lines, sent his best wishes to all members of Medford Post and promised to visit Medford sometime in the near future.

A report of the Ashland Post meeting Oct. 2 and the presentation of a national memorial citation for Paul McDonald, past commander of Medford Post, was made by Joe Pileggi who stated that Medford was represented by 25 legion and auxiliary members.

One of the important features of Tuesday's business session was announcement of standing committees for the year by Post Commander C. L. MacDonald as follows:

Did this ever happen to you?

You might be standing right next to the most attractive person you ever met, but you don't know it until you are introduced... until you get acquainted.

And you don't know how much pleasure a cigarette can give until somebody offers you a Chesterfield.

Certainly this is true: Chesterfields are refreshingly milder... they've got a taste that smokers like.
