# U. S. ACCUSATION LACKS REASON IS VIEW OF JAPANESE

(Continued from Page One.)

President Roosevelt's pronouncement and the state department action were construed as a partial shouldering of the far eastern disturbance, permitting Britain, with France, to concentrate on a showdown in the crisis which grew out

of the 14-month-old Spanish civil war. Britain hints action. Britain gave the unclarified hint of "decisive" action unless Premier Mussolini replied promptly to a seven-day-old invitation to confer with France and England on withdrawal of foreign soldiers from Spain. While diplomatic machinery moved swiftly to produce some form of action in the Sino-Japanese controversy, the undeclared war continued apace.

The Japanese flagship Idrumo sent countless shells whistling over the international settlement in an effort to move the Chinese out of stubbornly defended positions on the Chapel and North Station battle fronts. The eight-inch shells fell close to the sector guarded by United States marines.

Chinese Attack. Chinese lines, executing a counter attack in the early morning hours, emerged from their fortifications all along the 25-mile battle front from the North Station northwest to Lotion. They rushed the Japanese with ancient big swords and bayonets. In retaliation, the Japanese poured artillery fire into the Chinese lines. More than 500 Chinese civilians were reported killed by mass bombing raids of Japanese warplanes in the rich southern province of Kwangung.

Johnston Accepts State Employment. W. B. Johnston, Jr., credit manager and accountant for Mann's Department store for the past 13 years, has resigned his position with this concern to assume a post with the state income tax department at Salem. Mr. Johnston will leave within a few days for the state capital to take over his new duties.

Southern Cal. To Employ Airways. LOS ANGELES, Oct. 7.—(AP)—Plans may expect Southern California to try the airways Saturday in the Trojans' tussle with all-minded Ohio State. Scrutiny of the records of Ohio State's games with Texas Christian and Purdue shows that neither team made much headway on the ground.
