On Roxy Bill

Surpassing the romantic heights they reached in "Broadway Bill" and "Penthouse," Warner Baxter and Myrna Loy are again co-starred in "To Mary With Love," at the Roxy theatre today and tomorrow.

Mr. Moto Role

The screen's master of impersonations brings to vivid life the Saturday Evening Post's master sleuth, "Mr. Moto." That master impersonator is none other than Peter Lorre and he brings his first effort as the famous Japanese sleuth to the screen of the Rialto theatre for tomorrow and Saturday only under the title of "Think Fast, Mr. Moto." The new detective character is expected to run a close race with Charlie Chan for box office supremacy. Other members of the cast include Virginia Field, Sig Rumann, J. Carroll Nash and Thomas Beck. Peter B. Kyne's most outstanding Western story, "One Man Justice," is scheduled as the companion feature with the "Moto" story. Charles Starrett has the leading role.

Musical Show Hits Craterian Showing

"Varsity Show," a musical comedy along altogether new lines, and possessed of a sparkling cast, had its local premiere at the New Craterian theatre yesterday. A star individual—Dick Powell—a star organization—Fred Waring and his Pennsylvanians—are the top-liners in this melodious, laughable, fast-paced tale of college life as the movie-makers see it—and as, doubtless, all college boys and girls wish it were. It is the tale of how the under-graduates of a little fresh-water educational institution try to put on a show under the supervision of a dignified and gloomy professor, only to realize that he's running it with his highbrow notions. Then they go to the city and dig up Dick Powell, a graduate, who by now is a successful Broadway producer, and induce him to come back to school and supervise a real show. Dick and his partner—none other than the goofy Ted Healy—take over the job. And after many a battle between the modern and old-fogey elements in the school, a show is put on—and what a show!

"Varsity Show" is a refreshing relief, in its story, from the well-worn, "back-stage" routine into which many musical comedies have been kept. There is an air of briskness and youth and gaiety to it rarely found in movie-musicals. Rosemary Lane, lovely to look at, is Dick Powell's romantic feminine interest.

Hot water is my specialty

I am always "Johnny on the spot". I'm as quick as you can turn the faucet. I am never tired or caught napping. I am the continuous hot water heater. Next only to the furnace, I am the greatest modern convenience in the home, and unlike the furnace, I serve the year round. Best of all, my unflinching service may be had for a few pennies a day!

A Morning Glass If you're a good health follower, and cleanse your system mornings with a glass or two of hot water, I'm ready for you with water, clear, fresh and as hot as you like it.

Care of Baby I am always ready for the baby's bath. And I'm equally ready with plenty of hot water for keeping baby's clothing fresh and comfy. I keep floors and woodwork clean and germ-free.

Healthful Bathing From the cleansing, stimulating morning bath that revives sleepy-heads to the tepid bath at night which leads to deep slumber, I keep every member of the family "in the pink"

In The Sickroom And when illness comes, I'm indispensable. I'm always ready for the invalid's drinking water and medicines for compresses, bathing, cleansing of bed linen, towels. I never fail.
