Bridge awards went to Jack Dooms, Frank Rush, Molly Johnston and Myrtle Kent. Those scoring in pinocle were Leah Ivis, Gladys Dooms, Dick Singler and Theo. Amsteth. The next club party is to be held November 19.

## Oak Grove Study Club Meets Monday

The Oak Grove study club will hold its first meeting of the fall season, Monday, October 11 at 3 p. m. at the Oak Grove school. Everyone is invited and a special invitation is extended to new residents of the district.

The study club is part of the Home Economics extension service of Oregon State college. Four leaders have been chosen from the district and they attend classes at the court house conducted by Mrs. Maud M. Morse, extension specialist in parent education and child development. They, in turn, conduct the classes for Oak Grove.

The course is "Understanding Ourselves" and deals especially with security in our lives. Everyone interested in the problems of the home and a happy family relationship is urged to be present at this first meeting.

## The Garden Club

Many and varied were the subjects discussed at the monthly meeting of the Garden club Thursday evening. Mrs. A. Orin Schenck told about the oldest flower garden in America, which has been in constant bloom since 1755 and which for several hundreds of years before that was a famous Indian planting ground. It is now owned by Mr. and Mrs. S. H. P. Pell and is at Fort Ticonderoga, N. Y. Mrs. Schenck also read short and timely articles on transplanting evergreens and setting out bulbs in the rock gardens.

Mrs. Cope discussed the planting of daffodils and tulips, bringing out the fact that the former should be planted early and in such places where they will not be disturbed for years to come. Tulips should be planted later and need to be taken up every two or three years.

Mrs. H. F. W. Spitzer took up the subject of how to order bulbs for fall planting and most approved ways of planting.

Mrs. Howard Bowden, who had planned the evening's program, gave directions for making an inexpensive cold frame and suggestions for its use during the fall and winter months.

The monthly news letter from Oregon Garden clubs was read and the new federation year books distributed.

Mr. Frank Gray was present and spoke in behalf of the community chest drive, and Colonel Paine reported on the satisfactory results of the campaign for the eradication of the troublesome earwig pests.

The next meeting will be held November 4 and Mrs. Ralph Woodford, program chairman, reported that arrangements have been made for another illustrated lecture to be given at that time.

Mrs. A. E. Reames and Mrs. T. E. Daniels are attending the California Federation of Garden Clubs annual meeting. Mrs. Reames is first vice president of the Oregon federation. A fall plant sale is being planned for the near future.

**WINDOW GLASS**—We sell window glass and will replace your broken windows responsibly Trowbridge Cabinet Works

## Methodist Society Plans Golden Jubilee

An all-day golden jubilee meeting will be held by the Women's Missionary society of the Methodist Episcopal church Thursday, October 14, at the church in commemoration of 50 years of missionary work in the state. Sessions will start at 10 in the morning and 1:30 p. m. with a luncheon at noon.

An unusual opportunity will be offered those interested to hear Miss Ethel Hartst, a mountain girl of Georgia, speak both in the morning and afternoon. Miss Hartst attended a missionary home in the south and is a college graduate. She is now head of settlement work and Christian education at Cedar town, Ga., and will tell of her interesting experiences.

The jubilee includes all societies in the Cascade district and visitors will attend from Roseburg, Sutherlin, Ashland, Klamath Falls and other places.

## Scout Leaders to Hear Mrs. Morse

The Girl Scout leaders council members and committees and troop committee members will have the privilege of hearing Mrs. Maude Morse, Oregon State Home Extension specialist in parent education, speak on "Understanding Ourselves So That We May Be More Progressive Leaders" Monday afternoon at the courthouse. This meeting has been arranged by Mrs. Mabel Mack, county home demonstration agent and Miss Marjorie S. Pena, local Girl Scout executive.

## P.T.A. Activities

The Parent-Teacher association, which had a modest beginning in the United States in the late '90's, will begin its forty-first year next week. Now a powerful organization devoted to the interests of child welfare, it covers not only the United States, Hawaii and Alaska but many foreign countries as well.

A review of the objects of the organization which already has accomplished so many fine things shows it is attempting to promote the welfare of children and youth in home, school, church and community; to raise the standards of home life; to secure adequate laws for the care and protection of children and youth.

To bring into closer relation the home and the school that parents and teachers may cooperate intelligently in the training of the child, and to develop between educators and the general public such united efforts as will secure for every child the highest advantages in physical, mental, social and spiritual education.

The organized cooperative effort of the more than two million members of the National Congress of Parents and Teachers is at least a partial answer to many of the perplexing problems we are facing today. To the membership committee to that number charge of adding to that number until there are enough people thinking together, planning together, and working together to make conditions in every community what they should be.

The Junior high school P. T. A. will hold its first meeting on Tuesday, Oct. 12, at 8 p. m. in the school gym.

The program planned for the year will be a continuation of last year's study of the curriculum. Some of the topics to be discussed are: "Does Our School Provide Marketable Vocational Training; "International Understanding Through the School Curriculum," "Which is the Greater Asset to a Community—An Elaborate Building and Grounds or Adequate Salaries for Efficient Teachers?"

On Tuesday evening Mrs. Maude Morse, specialist in parent education from Oregon State college will lead a discussion on "Understanding Ourselves that We May Better Understand Our Children." Capt. Durham of the Salvation Army will lead the singing of favorite songs during the evening.

Following this there will be an informal reception honoring James Mullins, the new principal and the faculty members. Mr. Mullins has expressed the hope that all the fathers and mothers who have children in his school will take this opportunity to get acquainted with their teachers.

The Junior Hi P. T. A. officers are Mrs. C. L. Hopkins, president and Mrs. L. B. Thurman, treasurer, who are both beginning their second term in office; Mrs. George Coddling, vice-president; Mrs. F. L. Rush, secretary, and Mrs. Isabelle Church-Klem, historian.

## Heads Pioneers

A. E. Reames, (above) Medford attorney, and member of a pioneer Jacksonville family, was elected president of the Society of Pioneers of Southern Oregon at their annual reunion in Ashland last week.

## Baptist Group has Pioneer Banquet

The Pioneer and Rally banquet of the First Baptist church was a successful event of the past week. Decorations were in keeping with the pioneer motif, the table being decorated with miniature prairie schooners drawn by their annual regatta. A church with a square steeple, and a church resembling the present edifice. The dinner also was typical of pioneer fare.

Miss Muriel Albert acted as toastmistress. Mrs. M. E. Coo gave the toast to the pioneers with Mrs. S. L. Bennett, the pioneer of the Medford church, responding. Rev. James Hamilton, pastor, gave the devotional. Miss Albert led in the pageant of early days. The young people's quartet sang between the episodes. The single grand march and benediction closed the program.

## Civic Club Members Entertained at Tea

Mrs. William H. Brown entertained with a tea recently at her home in Eagle Point for the thirty-five members of the Civic club. The rooms were lovely with fall flowers and yellow and blue flowers and white tapers formed the centerpiece for the attractive tea table. Mrs. Lottie Clement and Mrs. Royal Brown presided.

The first meeting of the Civic club of Eagle Point was held at the club rooms Thursday, October 7 with 30 members present. A covered dish luncheon, was served at close of the afternoon. The club was organized October 18, 1916 and is starting its twenty-first year of active service to the community.

## FIRE CAUSES DAMAGE AT BINGEN SAWMILL

HOOD RIVER, Oct. 9.—(AP)—A midnight fire destroyed the loading dock and lumber and two carloads of timber of the Nordby Lumber company, Bingen, Wash. Two empty freight cars burned and only the arrival of a pumper from Hood River saved adjoining fruit cold storage warehouses. The loss was estimated in excess of \$20,000.

## SALEM WOMAN BURNED BY FIREPLACE SPARKS

SALEM, Ore., Oct. 9.—(AP)—Mrs. Jane Eoff was severely burned about the back and shoulders today when her clothing caught fire while she was sitting in front of a fireplace at her home five miles south of Salem. Ase Eoff, her husband, is on a hunting trip. She is the daughter of the new "Joanne" has been selected for the new arrival.

**OREGON HOP OUTPUT FAR OVER ESTIMATE**  
SALEM, Oct. 9.—(AP)—A local statistician said today Oregon hop production for 1937 will total at least 135,000 bales, about equal to the 1936 crop and 10,000 bales more than was previously estimated.  
An added 35,000 bales, left on the vines as a result of mildew, would have made the season's yield the largest on record, had it been picked.

**IF YOU WERE A CIRCUS GIANT.**  
Any Ordinary Heater Would Give You Your Money's Worth.

But most of us never use the part of the room that is near the ceiling. We need heat in the Living Zone\* first... for this means cheaper, faster heat.

SPARK OIL HEATERS give two kinds of heat—circulating heat that moves through the Living Zone\* and warms the entire room; radiant heat that warms the floor like a fireplace. Ordinary heaters send heat to the ceiling first where only a Circus Giant could use it. SPARK sends it into the Living Zone\* first where everyone can use it.

Mail the coupon to get the new SPARK booklet, "What You Should Know About Home Heating", and a FREE HEATING ESTIMATE that tells you what it should cost to heat your own home. They are absolutely free... send for them today.

\*Imagine another ceiling about six feet up from the floor of your room. The space between the floor and the imaginary ceiling is the Living Zone... the only part of the room you live in.

NO WOOD NO COAL NO SOOT NO DIRT

I should like your free booklet, "What You Should Know About Home Heating", and a FREE HEATING ESTIMATE for my home. I understand that this places me under no obligation of any kind.
