

NAVY DAY OBSERVED AT LEGION MEETING; STAG PARTY PLANNED

"Navy Day" was observed by members of Medford post of the American Legion at their regular meeting in the armory Tuesday night.

Legionnaire E. M. West told of the origin of this annual event which is observed throughout the nation on October 27 under the sponsorship of the Navy League. West, navy recruiting officer for this district, asked that all Legionnaires display the national colors on Navy Day.

Lee Garlock, who represented Medford post at the national convention in New York last month, gave a comprehensive report of the convention proceedings and quoted interesting excerpts from the speech of National Commander Colmery in which he vigorously assailed all subversive groups attempting to promote Communism, Nazism and Fascism in this country. Accomplishments of the past year under Americanism, peace program, rehabilitation, immigration enforcement, child welfare and other important phases of the Legion's program also were covered by Garlock in his report.

Excellent progress was reported on the plans for Armistice Day by the general chairman, Gail Robinson, who spoke of the various phases of the day's program, including the parade, street stunts, dugout, football game and the big Armistice dance and floor show which are expected to draw a record attendance this year.

He also called for reports from the following committee chairmen, all of whom reported progress: Dugout, J. F. Fliegel; Legion scrip sales, C. L. MacDonald; dance and floor show, Lee Garlock; and advertising and publicity, H. L. Bromley.

Legionnaire E. K. Brunsger, scoutmaster of troop 7, reported on the Boy Scout rally in which the Legion troop made a good showing. He spoke of the need for suitable standards and emblems for the troop, flags and a motion picture to secure these items at once. Garlock told of sev-

eral recent cases of relief for local disabled veterans being secured by the Medford Legion post after all other efforts had proved futile.

It was reported that the V. F. W. instituted a plan at the last convention for an emergency relief organization which should prove effective in case of floods, fires and other major disasters. It should also tie in well with the American Legion service companies, organized by many posts several years ago for this same purpose, and which proved their efficiency in the Ohio floods, the California earthquakes and the Bandon fire, officers said.

Commander MacDonald announced a big stag party with a Dutch lunch and entertainment free to all veterans, to be held on Tuesday, November 2. The following committee has charge of the event: C. L. Barnhill, R. R. Ebel, James Collins, O. L. Overmyer and Goodwin Humphreys.

WOULD KEEP ROAD CLEARED TO PARK

State highway commission has been requested by the Jackson County Chamber of Commerce to keep Crater Lake highway open this winter to the boundary of Crater Lake national park. It was announced today.

No reply has yet been received to the request, forwarded by Ben E. Harder, chairman of the chamber's committee on roads and highways. E. P. Leavitt superintendent of Crater Lake national park, could not be reached today but he was quoted by A. H. Banwell, chamber manager, as saying that he was reasonably certain sufficient funds would be available to keep the park roads open this winter.

BIRTHS

Born to Mr. and Mrs. L. B. Sanderson of Eagle Point, a boy weight 9 pounds, 3 ounces, Wednesday, October 20, 1937 at the Sacred Heart hospital.

PAY LESS, DRESS BETTER
