TO HOLD SHOWER FOR FAMILY HIT BY HOME BLAZE

A miscellaneous shower for the A. R. Mansfields of the Butte Falls district will be held in the Derby school community hall at 8 p. m. next Wednesday.

The Mansfields, Butte Falls homesteaders, lost all their belongings recently when their isolated mountain home was destroyed by fire. Their two-and-a-half-year-old daughter, Shirley, was saved by the family dog who perished in the blaze after the rescue.

Memorial service and dedication of a monument honoring the dog will be held at 2 p. m. Sunday in the Jackson County Humane society's pet cemetery.

Neighbors, other friends and all charitably-inclined persons are invited to the shower Wednesday night. The committees in charge ask that contributions be as varied as possible. Anything of use in a home will be appreciated, but gifts for the child should not be overlooked, it was emphasized. The family consists of Mr. and Mrs. Mansfield, a son and the small daughter, Shirley.

Merely to indicate what is most urgently needed the committees listed these items: household articles and kitchen utensils, pictures, clothing, bedding, canned fruit and vegetables and baby chair.

The committees are Mrs. Charles Humphrey, Mrs. F. D. Hill, Mrs. Frank Chaplin and Mrs. Burt Chambers, for refreshments, and Mrs. Dennie Clark and Mrs. Cora F. Gustin for games and entertainment.

OFFER AID TO AVERT POSTAGE STAMP WAR

WASHINGTON, Oct. 22—(UP)—The United States, Venezuelan and Costa Rican governments today formally tendered their "good offices" to prevent a threatened war between Nicaragua and Honduras over a postage stamp.

The threat has been deadly serious in both countries, however trivial the cause may have appeared elsewhere. It rose when the Nicaraguan government issued a new special air mail stamp on which the map of Nicaragua was pictured. The engraving covered territory which the Honduran government claims is Honduran territory by right of an arbitration award made by former King Alfonso of Spain in 1906.
