Today, October 31, in the Lutheran church, and in increasing degree in other Protestant churches, is observed as a great day. October 31st is known as Reformation day in commemoration of the beginning of the Reformation of the sixteenth century. It was on Oct. 31, 1517, that Martin Luther posted the 95 theses on the church door at Wittenberg. This act brought into being the Reformation to which tvery Protestant church in the world is indebted.
Our morning service will be in harmony with the day.
Our evening service, which is featuring a series of sermon-lectures on the Great Teachings of the Bible About Salvation, will be centered around the sermon on the commandment, "Thou shalt not take the name of the Lord thy God in vain." An opening song and an illuminated cross make these services very interesting and different.

BANDIT BIRD AND WIFE CAPTURED BY G-MEN'S RUSE

CLEVELAND, Oct. 30.—(AP)—Federal agents scratched Frank Bird, convicted slayer and bank robber, from their list of "wanted men" today and turned to the search for his brother, Charles, only member of the Bird brothers' gang who escaped from the Cuyahoga county jail over a month ago still at large.
Frank Bird and his wife, Sylvia, also a fugitive, were trapped in a bulletless capture last night as they drove up to the home of Mrs. Bird's mother.
Sheriff Martin L. O'Donnell said his deputies were in the house as Bird's wife walked in and that a member of the family was instructed to go out and tell Frank that the coast was clear.
Frank then came in and was captured, O'Donnell said.
Bird and his brother, accompanied by James Widmer, escaped from the county jail here September 28, in a daring armed break and a wild automobile chase through the city streets, leaving in their wake a fatally injured woman whom their speeding car struck down.
On October 15, Widmer was captured in Philadelphia in a stolen car.
The Bird brothers and Widmer were arrested here in July, during an attempted robbery of a Cleveland Heights bank and were being held for trial in a series of Cleveland bank robberies.
Both of the Birds have long prison records. Charles escaped from Missouri's state prison July 19, 1936, after serving less than four years of a 10-year robbery sentence. Frank escaped from the same prison last January 13, where he was under a life sentence on a first degree murder charge.
