G. O. P.-DEMO COALITION NEXT YEAR UNLIKELY
LONDON'S OFFER TO BACK COURT BILL FOES REJECTED
LEADERS OF BOTH PARTIES ARGUE AGAINST ALLIANCE
LEFT-WING REVOLT IN NEW DEAL IS RUMORED

WASHINGTON, Nov. 2.—A story that certain Democratic senators are finding just too good to keep much longer may as well be told now. It is an appropriate election day story because it forecasts what probably won't happen a year hence.

The tale has to do with the much-touted "coalition" which was to bring Republican support to anti-court bill Democrats who might be opposed by the New Deal.

It seems that, last July, Alfred Landon decided it was the moment to sound off with an appeal to all good Republicans to come to the aid of the Democratic election day story because it forecasts what probably won't happen a year hence.

One of the Democrats said it would be suicidal for him in the primaries to charge him with being the "Republican" contestant for the Democratic nomination.

As a result of this attitude, predictors predict that, if the Republican party starts the coalition walk, it will find itself doing a solo with little Miss Nobody for a partner.

A good Republican, opposed to the coalition idea, puts it this way: "The men who fought the president to preserve the supreme court may be constitutional heroes, but they aren't the only ones. There are a lot of Republican heroes, too, who believe in the constitution and deserve the votes of their own party."

It is said that some of the men who take the wires at the top in the Republican party couldn't stomach

10 ARRESTS MADE SOON AFTER FIRST BALLOTS MARKED

22,600 Posted at Polls Soon After Widespread Talk of Vote Stealing — La Guardia Tours Precincts

LaGuardia Sure

NEW YORK, Nov. 2.—(AP)—Mayor Fiorello H. LaGuardia, after a city-wide tour of polling places, claimed victory today in his anti-Tammany campaign against the Democratic candidate, Jeremiah T. Mahoney.

"This election will be a victory for us—and the defeat of Tammany hall," he told a crowd at City Hall plaza.

"I want to see the collapse of the institution which has existed so long."

NEW YORK, Nov. 2.—(AP)—An army of anti-fraud election watchers, 22,600 strong, mobilized at polling places today as the vanguard of New York's 2,483,387 registered voters marked their choices in the majority contest between the incumbent, Fiorello H. La Guardia, fusion candidate, and former State Supreme Court Justice Jeremiah T. Mahoney, the Democratic nominee.

Widespread talk of vote stealing, aimed by candidates of both camps, led to the posting of 18,000 police, 3,500 special deputy attorneys general and 1,100 volunteers, mostly lawyers, known as "Tom Dewey vigilantes."

Many Disqualified
Ten arrests were recorded within three hours after the polls opened at 6 a. m. Closing time was 6 p. m.

Police Commissioner Lewis J. Valentine said applications for 2073 warrants had been made. Illegal registration was charged. A total of 7437 registrants already had been disqualified.

Mayor La Guardia made a personal all-day tour of the city's 3910 election precincts.

ADMINISTRATOR FOR REVESTED LANDS TO BE ANNOUNCED SOON

WASHINGTON, Nov. 2.—(AP)—Secretary Ickes said today he was shopping "for the right man" to administer the government's revested grant lands in western Oregon.

He said he had discussed the matter recently with other interior department officials and hoped to announce a selection "very soon."

Some 2,500,000 acres of grant lands were returned to the government more than 20 years ago when the old Oregon and California railroad and the Coos Bay wagon road company violated grant terms.

Since then the lands have been administered by the interior department. Virtually all of the income from the lands had been going to the Oregon counties as tax subsidies.

At the last session of congress a new act was approved placing the timber lands on a sustained yield basis and splitting the revenues between the counties, the federal treasury and the interior department, the latter's share to be used for administration.

FIFTY CENT LOAN ON CORN CROP IS PLAN OF WALLACE

Details of Program to Be Announced Soon by Agriculture Secretary — To Loan On 170 Million Bu.

WASHINGTON, Nov. 2.—(AP)—Informal officials at the agriculture department said today that the government would lend 50 cents a bushel on this year's corn crop.

These informants said details of the loan program would be announced by Secretary Wallace soon.

The 50-cent loan will be made on corn sealed on the farm, testing 14 1/2 per cent moisture content, or less.

Farm organizations had asked a 60-cent-a-bushel loan on this year's crop and Secretary Wallace said a loan of about 45 cents would correspond to the 2-cent-a-pound government loan on this year's cotton crop.

45 Cents First Loan.
The first administration corn loan on the 1937 crop was at 45 cents a bushel, well above market prices at the time. Government agencies advanced \$120,000,000 on the 1937 crop.

A loan of 55 cents a bushel was made on the 1934 crop, which was cut short by drought. A total of \$11,000,000 was advanced on this loan.

The rate was reduced to 45 cents a bushel on the 1935 crop and a total of \$13,000,000 advanced to farmers.

The 1936 program was aimed at conserving seed corn supplies. Agriculture department spokesmen said about \$85,000,000 would be

CRUISER AUGUSTA MENACED BY FIRE OF JAP WARSHIPS

Huge Shells Burst Close to U. S. Craft in Whangpoo River—International Area Is Shaken by Bombing

SHANGHAI, Nov. 2.—(AP)—Huge projectiles from Japanese warships in the Whangpoo river burst along Shanghai's waterfront tonight menacingly close to the United States cruiser Augusta.

The Augusta, lying close to the cruiser Izuma, Japanese flagship, cleared her decks and batted out projectiles as a precaution for the safety of her crew.

The bombardment was aimed at Chinese batteries in industrial Pootung across the Whangpoo from the international settlement. It was in answer to Chinese artillery shelling of Japanese forces in the Yangtze and Hongkew sectors of the Shanghai front.

Shanghai's international settlement and French concession, refuge of thousands of Americans and other foreigners, were shaken today by intense Japanese bombardment of Chinese positions only a short distance to the west.

Exploding bombs and shells shook buildings as far away as Shanghai's Bund, but no projectiles fell within the settlement or concession boundaries.

At St. John's university, in the Jesuit park area just west of the settlement, a trench mortar shell crashed into the roof of a gymnasium used as a barracks by British troops, but none was injured.

The tide of battle swept toward the Sincow Catholic mission center on the southwestern outskirts of the French concession. French authorities prepared defense positions circling the mission and set up anti-aircraft guns.

A Japanese naval officer described as closed a Sincow creek incident which yesterday produced an American protest and a Japanese apology.

HARLAN, Ky., Nov. 2.—(AP)—National guardsmen went on duty in the Harlan coal fields today on orders of Governor A. B. Chandler who stated he had reports that "deputy sheriffs armed with rifles were taking charge of the election."

The governor stated at Frankfort these reports came from representatives of both Democratic and Republican parties.

"The troops have orders to disarm any found armed at the polls and interfering with the election," Governor Chandler declared.

No violence was reported from the coal fields, scene of killings in previous elections, but there were several arrests. State police took Deputy Sheriff Ben Unthank to jail and also took into custody the election officials at the town of Cawood.

The ballot box was seized there also Sergeant Clyde Jones, in charge of state police, declined to say what charges, if any, had been filed against Unthank or the Cawood election officers.

Rice, Dallas, Texas, jewelry salesman, near Ashland, were locked in the Jackson county jail at 2 o'clock this afternoon upon their arrival from Monmouth in charge of state police.

District Attorney Frank J. Newman said he would take immediate action for clearing away of the preliminary steps, and an early arraignment, if one was required.

Richard Messenger, 22, Ashland drug clerk, and Eli Cagle, 23, Marshall Hearn, 20, and Stanley Borden, 19, Oregon Normal school football players, arrested by state police Monday at Monmouth for alleged participation in the robbery near Ashland Saturday night of E. D. Rice, Dallas, Texas, jewelry salesman, are due here late this afternoon in custody. According to Sheriff Syd L. Messenger, purportedly made a signed confession Sunday to Ashland city police, and the Monmouth squad members did the same Monday as Monmouth when identified by the drug clerk.

Money Orders Missing.
Express money orders which Rice claims were taken from him, have not been located. Chief of Police Charles P. Talent of Ashland said this morning. Search of the ashore in a store at the Messenger home also failed to reveal an unset diamond, valued at \$1200 which the jewelry salesman declared he had concealed in a seam of his purse, the police chief said.

The youths, authorities claim, admitted burning the purse after the robbery. Part of the money and a watch taken from Rice, were recovered. Chief Talent said.
