PLANES COLLIDE 3500 FEET OVER BOEING AIRPORT

together," he said. "Then the smaller plane plummeted to earth, twisting and turning in its fall.

"The other plane seemed to glide earthward and then towards the last plunged downward at a terrific speed. One of the men who jumped from the small plane seemed to have difficulty with his parachute. The other one floated down easily."

The planes were about 3,500 feet in the air when they crashed, spectators said.

Goodsell said his parachute had not opened properly and he fell hard on landing. He was stunned.

"It happened so quickly I can't tell you what happened," he said.

Lieutenant Twohy, a crash victim, was a son of D. W. Twohy, Inland Empire pioneer and an executive in the Old National bank, Spokane. The son attended Gonzaga university and was a graduate of Annapolis.

PICKETING STUDENTS RECEIVE LECTURE IN PROSECUTOR'S OFFICE

Eight Medford high school youths and two St. Mary's academy students, accused of impromptu "picketing" last Sunday evening of the confectionery of Darrell Huson (DeVoe's) at Main street and Oakdale avenue, appeared before the district attorney yesterday afternoon for a lecture and a warning that any continuance of such tactics would result in charges being filed. Names of the offenders were withheld pending good behavior.

According to District Attorney Frank J. Newman and Sheriff Syd I. Brown, the youths appeared Sunday evening at the store front door, urged customers not to enter, called those who did "scabs," and in a couple of instances barred the way by holding hands.

According to the sheriff and district attorney, the picketers objected to the strict manner in which Huson conducted his business, placing too many restrictions upon them. The establishment is a favorite gathering place of the younger set.

"It was just a case of youth in its fullest flower," District Attorney Newman said, "and further outbreaks by these boys or any other boys will not be tolerated."

Huson said: "The boys and I had different ideas about how I should run my business. I held out for law and order. The boys were all back last evening, and it looks like the incident is closed."

Ronald Colman In Sunday Role

Famous for years as one of the greatest romantic-adventures ever written, "The Prisoner of Zenda," starring Ronald Colman, with Madeleine Carroll, Douglas Fairbanks, Jr., Mary Astor, C. Aubrey Smith, Raymond Massey and David Niven, brings its sweeping entertainment to the screen of the New Craterian theater Sunday.

The story of the man who was willing to risk his life for the love of a woman he could never claim as his bride was one of the greatest pictures of the silent era and now, in its modern sound version, it once again is being ranked as one of the outstanding pictures of the times.

Dancing Role

Miss Jessie Mathews as she appears in her newest starring vehicle, "Gangway," which plays at the Rialto theater for today and tomorrow. Miss Mathews, considered the world's most graceful dancer, has the role of a chorine who goes to Broadway to set the world on fire with her dancing and winds up snaring a lot of gangsters out of the mire. Nat Pendleton and Barry Mackay play opposite.

"Saturday's Heroes," a dramatic football "racket" expose, plays as the companion feature. Van Heflin and Marian Marsh have leading roles.

Ritz Brothers In Collegiate Comedy

Better and battier (if possible), the three comedy-mad Ritz Brothers are starred for the first time in "Life Begins in College," opening a four-day engagement today at the Craterian theater, also featuring Joan Davis, Tony Martin, Gloria Stuart and a noteworthy cast.

A hilarious, tuneswept maelstrom, "Life Begins in College" contains all the frenzied entertainment expected from the Ritzes, giddy gags, gorgeous girls and plenty of frenzied fun. Also in the cast are Fred Stone, Nat Pendleton, Ed Thorgersen, Dick Baldwin, Joan Marsh, Dixie Dunbar and Jed Prouty.

The story is one mad escapade after another, with a football game to end all football games, as its hilarious climax, and the Rita Brothers leading the fun with Joan Davis fast behind them in her wild heart-hunt for an Indian.

When the Indian, snubbed by all the fraternity brothers, is discovered to have only $10,000 a day to spend, the Ritzes take him in hand and then the fun begins.

Songs in the picture include "Why Talk About Love," "Big Chief Swing It," "The Rhumba Goes Collegiate," "Our Team Is On the Warpath," "Fair Lombardy," and "Sweet Varsity Sue."

PUPILS TO STUDY MINERAL SAMPLES

The society has been giving samples for study to the two schools at periodic intervals but the action voted last night makes the donations a regular semi-monthly project. Specimens are to be brought to each semi-monthly meeting and then turned over to the schools.

Plans were completed last night for the society's participation in the Armistice Day parade November 11.

E. R. Santo, society president, was in charge of the meeting.

HELP STOMACH DIGEST FOOD
Without Laxatives—and You'll Eat Everything from Soup to Nuts
The stomach should digest two pounds of food daily. When you eat heavy, greasy, coarse or rich foods or when you are nervous, hurried or chew hastily—your stomach pours out too much acid. Your food doesn't digest and you have gas, heartburn, nausea, pain or sour stomach. You feel sour sick and upset all over.
Doctors say never take a laxative for stomach pain. It is dangerous and foolish. It takes those little black tablets called Bell-ans for Indigestion to make the excess stomach acids harmless, relieve distress in 5 minutes and set you back on your feet. Relief is so quick it is amazing and one 25c package proves it. Ask for Bell-ans for Indigestion. Sold everywhere. (c) Bell & Co. Inc.
