

ARMISTICE FETE ENTIRE SUCCESS LEGION REPORTS

Large Crowds Attend All Feature Events On Program—Prizes Announced in Children's Pet Parade

American Legion's Armistice Day celebration was recorded in the Medford post's annals today as the greatest fete in years.

Large crowds attended the numerous events on the day-long program and all committee heads reported apparently had an enjoyable time. Almost as if by design, the weather cleared just before the start of the big patriotic parade and rain held off until completion of the Medford-Ashland high school football game which was attended by a throng estimated at more than 5000. By that time scenes of the festivities had shifted indoors and the showers did not matter.

About 1600 persons attended the dance and floor show held last night as a climax to the celebration. This was the largest Armistice Day dance there in more than a decade, said Lee Garlock, chairman for the event. Dugout popular. The dugout was a popular rendezvous.

voice from noon to 8:30 p. m. Veterans and civilians alike kept the dugout comfortably filled at all times. Mrs. Lorena Leach, chairman of the American Legion auxiliary's junior activities committee, today announced winners in the children's pet division of the parade as follows: First group—First prize, Georgia Ann Holloway and her pet goose; second, Barbara Lamb and Bernice Wood, representing a farmer and his wife with their rooster; third, Phyllis Whitlock, representing a blind woman and her guiding dog.

Second group—First, Phyllis Janet and Barbara Poutre, with their goat and baby in a buggy; second, Lillie Crisley with her dog in a doll buggy; third, Billy and Richard Scott riding calves. Honorable mention was accorded to Chairman Brault as a sailor girl; Hazel Harnish and Charles Ashpole, Jr., riding Shetland ponies; Bobbie Hubbard and Richard McElhose and their pigeons; and Moreen Field as a football girl. Honorable mention was accorded also to Boy Scouts of troop 7 and Girl Scouts of troop 2, who dipped into ancient history to appear in the procession with a horse and antique open carriage.

"The celebration was a complete success," said Gain Robinson, general chairman. "Everyone seemed to have a good time, and that was our primary objective."

Chicago Wheat

CHICAGO, Nov. 12.—(AP)—Big export business in North American wheat, as well as steepjack gains in prices, accompanied today sensational frost damage reports from Argentina.

Late estimates were that approximately 3,000,000 bushels of wheat from the United States and Canada had been bought today for trans-Atlantic shipment. In addition to crop losses by frost in Argentina, root-rot and yellow stripe rust were reported today to have curtailed that country's wheat production.

Wall St. Report

NEW YORK, Nov. 12.—(AP)—Re-assertance to the advance was more pronounced in today's stock market, although selected issues managed to hold gains running to two points and a few registered wider swings.

The list, deluged by profit selling at the opening based on Wednesday's sharp recovery, leaned backward for a while, but buying support soon appeared and most declines were cancelled.

Trading sentiment was again buoyed by the growing belief the administration is getting ready to stem the declining trend in business and industry.

Building material stocks achieved popularity on expectations the federal authorities would inaugurate a huge housing campaign as a means of bracing employment. Specialties were in demand.

Transfers approximated 1,900,000 shares.
