

TURK SUPPLY CUT BY HEAVY EATING BEFORE HOLIDAY

Twice As Many Birds Consumed So Far This Year—Advance in Price Prospect Before Thanksgiving

SAN FRANCISCO, Nov. 18.—(AP)—Turkey-eaters have done about twice as big a job this year as in any preceding year in the nation's history—they consumed more than 35,000,000 pounds of turkey in the last nine months.

And now that Thanksgiving Day is just around the corner, it appears that turkey in the oven will cost a little more than a year ago, because of the record turkey-eating and reduction in supply.

Prices are now two or three cents higher than a year ago, and they may go up before Thanksgiving, sellers here said today.

Especially if picker troubles spread. However, these troubles are apparently confined to central California and Utah. Pickers are demanding 15 cents a bird for killing, picking and salting. They have been getting around five cents less than that at some plants.

Unionization of the pickers led to backing of their demands by the Butchers' union here—with the additional demand of a closed shop. An agreement has been offered to a dozen Stanislaus county marketing firms, with the threat of a boycott by the butchers on all non-union picked birds. Butchers here were threatening to boycott non-union birds from Utah, but had taken no action against Oregon turkeys. Some of the Oregon birds are union-picked, others are not.

DOG AIDS IN LOCATING MISSING HUNTERS BODY

PORT HANEY, B. C., Nov. 18.—(AP)—A search party, aided by a police dog brought from Vancouver, today found the body of J. P. Wilson, 45-year-old Port Haney hunter, missing from his home since Sunday.

Wilson's body was discovered near Loom Lake, about 10 miles north of here. Search parties had combed the wooded area near the lake for nearly three days.

Yesterday a search party at Interior Trail, B. C., found the body of J. E. Brinson, hunter who was lost Saturday while on a hunting trip.

gifts. Afterward the high school organizations will play and sing Christmas carols at downtown intersections.

The same program will be repeated the following Thursday, with the band and girls' tife, bugle and drum corps of the junior high school participating.

The candy and balloons will be donated by various merchants.

Other features of the Christmas program are now being worked out. The city will be decorated in a different fashion this year, plans calling for placing of colored cellophane in all city street lights and the trimming of light standards with large stars and evergreen wreaths.

Medford Garden club will conduct the home and commercial decoration prize contest this year, the chamber announced. The chamber has conducted the contest in past years.

The club is to announce its plans later, the chamber said.
