

LOCAL AND PERSONAL

Here on Visit—A. K. Andrews of Sacramento, Cal., is spending several days here visiting his parents.

To Portland—Frank Girard of 420 Pearl street left by motorcar yesterday morning to spend the week-end in Portland.

Barnes Returns—W. D. Barnes of Phoenix returned Friday evening from Davenport, Iowa, and Edgar, Neb., where he has spent the past five weeks on business and visiting relatives.

Back from Oakland—Max C. Henne, United Air Lines manager here, returned to Medford by plane Friday afternoon from Oakland, Cal., where he spent a few days visiting his family.

At Hoffmann's—Mrs. Docia Norris has accepted a position at the Ethelwyn B. Hoffmann shop at Sixth and Holly streets. Mrs. Norris has had years of experience in serving the Medford shopping public.

In Sacramento—Dr. A. N. Johnson is spending the week-end in Sacramento where he is attending a meeting of the Northern California chapter of the alumni of the College of Medical Evangelists.

To Elect Officers—Annual election of officers of the Jacksonville Home Economics club will be held at 2 p. m. Tuesday in the home of Mrs. Ruth Hoffman. All members are requested to take part in the election.

Exhibit Planned—Etchings brought here from New York by the Southern Art association will be on display at the studio, room 16, Jackson county bank building, Tuesday from 1 to 5 p. m. Visitors are welcome.

Mrs. Tedrow Visits—Mrs. Maurice Tedrow made a business visit to Medford recently from her home in Washington where her husband is a United States forest ranger. He is stationed about 20 miles from the Canadian border. Mrs. Tedrow was formerly Mrs. Nellie Batten and an employee of the Mail Tribune.

Health Classes—Ida M. Wilson of 7 Chestnut street yesterday announced she would conduct a class on health, a work she has done for 30 years. She said she had been requested to do this by many friends as a consequence of the lectures given here recently by Viola Sweet. Persons interested in enrolling may telephone Mrs. Wilson.

New Stamps—A new three-cent stamp commemorating Alaska will be placed on sale in the Medford post-office and sub-station tomorrow. It is one of a series of new stamps commemorating the territories. The Alaska stamp shows Mount McKinley in the background while in the foreground are views symbolizing present-day developments.

Auxiliary Meeting—Auxiliary of Jackson county chapter of the Disabled American Veterans of the World War will hold a regular meeting in the armory at 8 p. m. Tuesday. It was announced that important business would be considered and all members were requested to attend. Each member was asked to bring sandwiches for refreshments.

Visiting Mother—Ensign Richard Burr Lynch of the battleship Maryland has arrived here to spend the Thanksgiving holidays with his mother, Mrs. James S. Lynch, and Mr. and Mrs. Newton Edwards of 315 North Peach street. He arrived by motorcar from the navy yard at Bremerton, Wash. He was graduated from the Annapolis naval academy in 1935.

Plans Advanced—Plans for the annual American Legion district conference here December 13 were carried forward at Friday night's meeting of the executive committee of Medford post. The district conference is viewed as one of the most important American Legion meetings of the year and a large attendance is anticipated, post officers stated. Post and auxiliary representatives from all parts of southern Oregon will participate. All local Legionnaires were asked to reserve December 13 for the conference.

Brings Prisoners—Paul Hamlin, United States deputy marshal, returned Friday evening from Klamath Falls with four prisoners who were placed in the Jackson county jail to await grand jury action. The prisoners were John W. Howard, 28, described as a CCC enrollee at Camp Silver Lake near Owensboro, Ky., who was charged with larceny of government property; Edward Johnston, 33, Frank Strawn, 37, and Thomas Potey, 37, all of Klamath Falls and all charged with selling liquor to Indians.

Attendance Gain—Medford post of the American Legion is establishing an excellent membership record. It was stated yesterday by Horace Bromley, adjutant, who revealed that more than 150 members had already paid their 1938 dues. Mr. Bromley predicted that the post would attain its membership goal before January 1. He attributed the membership showing to the work of Lee Garlock, membership chairman, whose efforts in past years have won him state and national recognition. This year Mr. Garlock was appointed state vice-chairman of membership.

Examiner Due Wednesday—Examinations will be conducted here for drivers and chauffeurs from 8 a. m. to 5 p. m. Wednesday. Persons seeking permits or licenses to drive cars should report at the examiner's room on the top floor of city hall. No examinations will be conducted Thursday because of Thanksgiving. After this week examinations will be held on the second and fourth Wednesday and Thursday of each month, excepting holidays. This is extra service for Medford and vicinity. In addition to the mid-week services, examinations will be conducted as usual every Saturday under Ward McReynolds, state examiner.

Medford Visitors—Mr. and Mrs. Earl Linger of Ashland were visitors in Medford Thursday evening.

Healing Lecture—The Rev. M. T. Larkin will give a lecture on divine healing in his home at 48 North Orange street tonight at 7:30.

Confers Here—Jesse DeWitt, district ranger of the Rogue River national forest at Union Creek, conferred with forest service executives at headquarters here yesterday.

Skating Poor—Skating conditions in Crater Lake national park were described as poor. It rained in the park all Friday night and yesterday snow mixed with rain.

Zonta Luncheon—Zonta club will hold a regular semi-monthly luncheon-meeting in the Hotel Medford at 12:10 Monday noon. All members were requested by officers to make a special effort to attend.

Gets Contract—F. C. Dillard of Medford has received a contract for construction of a municipal water plant at Toledo, Ore., according to a report received here yesterday. He bid \$54,328. Water will be taken from Siletz creek, the report stated.

Kiwans to Elect—Annual election of officers will be held by the Kiwanis club at its weekly luncheon-meeting in the Hotel Medford at 12:15 tomorrow. Prior to the election a program symbolic of Thanksgiving will be presented. Adjutant G. R. Durham is program chairman.

Ranger Returns—Owen L. Aydelott, assistant ranger of the Dead Indian district of the Rogue River national forest, returned yesterday from a rangers' school at Carson, Wash. He was assigned for the time being to the forest service office in Klamath Falls.

Car Recovered—A 1936 Plymouth touring car stolen from the Lange Motor Car company's used car lot sometime before 10 p. m. Friday, was recovered by city police yesterday afternoon on North Orange street, abandoned and undamaged. Entrance to the car lot was gained by tearing open the front gate, police said.

On Hunting Trip—V. V. Harpham, supervisor of the Umpqua national forest with headquarters in Roseburg, and K. P. McReynolds, assistant forester, visited in Medford Friday night. They were en route to the Klamath basin area where they planned to hunt ducks and geese. Mr. McReynolds was formerly assistant forester of the Rogue River national forest.

Forest Change—Rex Wilson, who has been acting ranger of the Union Creek district of the Rogue River national forest, has been transferred to the Hemlock ranger station of the Columbia national forest at Carson, Wash. It was announced yesterday. He came here from the Columbia forest a few months ago to replace Jesse DeWitt, district ranger who had been granted a leave of absence. Mr. DeWitt resumed his post last week.

Winter Park Service—James G. Bromley, district maintenance superintendent for the state highway commission with headquarters in Grants Pass, yesterday informed the Jackson County Chamber of Commerce by telephone that he had received confirmation of the order to keep Crater Lake highway open to the Crater Lake national park boundary throughout the winter. E. P. Leavitt, park superintendent, was quoted by A. H. Banwell, chamber manager, as saying there had been no change in the plan to keep the roads within the park open all winter. Keeping the highway open, together with the park roads, has been sponsored by the chamber.

Hitler Informs Britain on Pact—BERLIN, Nov. 20.—(AP)—A usually well-informed source disclosed today Adolf Hitler had told Great Britain's good will envoy, Viscount Halifax, the German-Japanese-Italian triangle must be accepted as a fact in world affairs.

Contract Let on Coulee High Dam—GRAND COULEE, Wash., Nov. 20.—(AP)—The contract for construction of the high dam at Grand Coulee, bids for which will be opened December 10 in Spokane, will not be awarded much before Christmas, reclamation bureau officials said here today.

Suspect Held in Banker's Murder—PORT WORTH, Texas, Nov. 20.—(AP)—A 23-year-old man was arrested here today as a suspect in the slaying of W. L. Presley, Dallas banker who was found shot to death in a ditch near Dallas this afternoon.

Felon Sought as Bandit Trapped—SEATTLE, Nov. 20.—(AP)—Claude Travis, 21, ex-convict wanted in connection with a mail robbery charge, walked into a federal bureau of investigation trap here tonight after his escape from a U. S. marshal's deputy Wednesday.

Prevent Colds Best Method—Now that the winter months are here colds are becoming quite prevalent. Do not neglect the first warning sneeze or the first sore throat. Prevention of colds with the modern cold vaccine is the desirable method. However, if you think that a cold is starting, begin at once to treat it. The safest treatment is to see your doctor immediately.

For Sale by Owner—17-ACRE PROPERTY—3 miles Medford, fenced, cross-fenced, city water, large house, 2 bathrooms, flood out bulldozers, P. O. Box 317 Medford.

Madame Perkins Will Not Resign—DENVER, Nov. 20.—(AP)—Sit-down strikes are "illusions," Frances Perkins secretary of labor, said today as she visited Denver briefly on her way from Salt Lake City to Washington.

Hitler Informs Britain on Pact—BERLIN, Nov. 20.—(AP)—A usually well-informed source disclosed today Adolf Hitler had told Great Britain's good will envoy, Viscount Halifax, the German-Japanese-Italian triangle must be accepted as a fact in world affairs.

As Rescue Nearing for Shipwrecked

This remarkable picture of a rescue at sea shows one of the sailors of the Greek freighter, Tzeny Chandris, with arms extended and supported by a life belt, just before he was snatched from the storm waters off Cape Hatteras, Va., by a rescue crew of the Coast Guard cutter Mendota.

Lass Would Go to War

Ruth Chin, 18, American-born Chinese supper club hostess in Seattle, Wash., would like to become the first woman pilot in the Chinese army. But her sex, she was told, makes that impossible. "But someday I'm going to fly in China, maybe as a teacher," she insisted. She is a capable pilot.

HITLER INFORMS BRITAIN ON PACT

BERLIN, Nov. 20.—(AP)—A usually well-informed source disclosed today Adolf Hitler had told Great Britain's good will envoy, Viscount Halifax, the German-Japanese-Italian triangle must be accepted as a fact in world affairs.

This first concrete indication of what Hitler and the British lord president of the council talked about yesterday came from the obscure press service "from Germany." Government spokesmen gave assurances this service was "usually right."

FELON SOUGHT AS BANDIT TRAPPED

SEATTLE, Nov. 20.—(AP)—Claude Travis, 21, ex-convict wanted in connection with a mail robbery charge, walked into a federal bureau of investigation trap here tonight after his escape from a U. S. marshal's deputy Wednesday.

Five out of six pedestrians injured in motor car accident are struck before they reach the middle of the street they are crossing.

Joan Davis, the "fall girl" of comedy, once sold goldfish in a five-and-dime store in her native St. Paul.

Autos rank second only to food in family budgets in 24 towns of the western states, the department of agriculture reports.

Transparent photographic film first was used in 1888.

COLORADO FOWLS SPRING SURPRISE

LONGMONT, Colo., Nov. 20.—(AP)—Turkey growers of the Longmont area are gathering turkey eggs gloomily and wishing the turkey hens wouldn't bother.

The hens, for unexplained reasons, have started laying at a season when they should be conserving their strength—and weight—for the eventualities of next Thursday.

Water leaking from a faucet the size of a common pin wastes 160 gallons a day.

JACKIE COOGAN OF BOY ACTOR FAME IN MOVIES, WEDS

LOS ANGELES, Nov. 20.—(AP)—Jackie Coogan, the ragged urchin who starred with Charlie Chaplin in the silent screen hit, "The Kid," 18 years

ago, and Betty Grable, blonde screen actress who has been his sweetheart for three years, were married today in St. Brendan's Catholic church. The Rev. William L. Mullane officiated.

There were scores of top-flight movie actors and actresses in the little church to see the ceremony and speed the couple away on the briefest of honeymoons at Palm Springs, nearby desert resort. Jackie and Betty must be back on a movie lot next Monday to resume work in the picture "College Swing."

When the brief ceremony was completed the newlyweds kissed at the altar and were greeted by numbers of photographers' flashbulbs as they

walked down the aisle.

The Jackie Coogan of 18 years ago wore patched and baggy pants. He was just starting a remarkable career as a child actor. Today, the Jackie Coogan who took the beautiful Betty Grable as his wife, was a millionaire.

Coogan appears infrequently in the movies. His fortune was built as a child actor and the salary he earned was wisely conserved and invested by his father, Jack Sr., who was killed a few years ago in an automobile accident near San Diego, Cal.

Jackie's money was placed in a trust fund and the principal was turned over to him only two years ago, when he reached voting age.
