

BISHOP REVIEWS FAR EAST PHASES AT ROTARY MEET

The second portion of an interesting analysis of the Far East situation, from the American standpoint, was presented at Tuesday's meeting of the Medford Rotary club by Lee Bishop, chairman of the club's international committee. The initial section of Mr. Bishop's review of a book on the Sino-Japanese problem, by Boake Carter and Thomas Healy, was a feature of the Rotary program on March 22.

In opening his talk, Mr. Bishop pointed out how this country's increasing island possessions have complicated our Far East policy. He reviewed the famous "status quo" program of the days of Secretary John Hay which designated territorial rights and defined aspects of influence for powers in the Orient.

Mr. Bishop traced events leading up to the present undeclared war in China—the Boxer rebellion followed by the widely discussed Boxer treaty, the Russian-Japanese war and later our own exclusion policy.

Other interesting facts concerning the Far East policy of the United States, this country's participating in the nine-power pact, the war-time "Siberian folly" and the Kellogg pact, were discussed by the speaker.

In summing up his review of the Carter-Healy book, Bishop pointed out that our stake in China is equivalent to only one-half of our annual cigarette bill and one-sixth of our annual liquor bill. America's trade with Japan is most favorable, he said, with the Japanese ranking third in the list of international customers of this nation. China, on the other hand, has an unfavorable position on our trade list. America's loss in China, over a period of 15 years, has actually amounted to one-half billion dollars, a staggering sum.

E. C. Conroy, program chairman, spoke briefly at yesterday's meeting urging Rotarians to attend the international convention at San Francisco June 19 to 24. Chairman George Henselman and Al Littrell offered reports concerning the local club's participation in this convention.

IRRIGATION DITCHES IN ANNUAL OVERHAUL
Workmen are now engaged in the annual cleaning and repairing of the irrigation ditches of the Medford and Talent districts, under direction of Olent Anspiger, general manager. The work, underway in all sections of the valley, will be completed in a few weeks, when the water will be turned into the ditches.

Irrigation prospects are bright, with all storage reservoirs full or nearly so.

Closing time for Too Late to Classify Ads is 1:30 p. m.

WAKE UP YOUR LIVER BILE—

Without Calomel—And You'll Jump Out of Bed in the Morning!—**Little Liver Pills**—
The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk and the world looks punk.
A mere bowel movement doesn't get at the cause. It takes these good, old **Little Liver Pills** to get these two pounds of bile flowing freely and make you feel "up and up." Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. Stubbornly refuse anything else.

DAINTY HANDKERCHIEFS

A thoughtful little remembrance to enclose with your Easter greetings.

SOCIAL SECURITY HEAD TO CONFER WITH CLAIMANTS

Daniel J. Coman, manager of the social security board office in Klamath Falls, will be here Thursday afternoon and Friday morning to confer with local people relative to the lump sum payment clause of the federal social security act, according to information received here by Postmaster Frank DeSouza.

Coman will be in the federal court room on the second floor of the Medford postoffice building between 2 p. m. and 4:30 p. m. Thursday and 9 a. m. and 10:30 a. m. Friday.

"Our records indicate that there are a number of potential claimants for lump sum payments in Medford and vicinity," Coman wrote DeSouza.

Coman explained that there are two kinds of payments under the old age insurance system established by the social security act. One kind is old age benefit payments. On this type, payments will not begin until January 1, 1942. The other kind is lump sum payments, now due to many workers and to estates and relatives of eligible workers who have died since December 31, 1936. Payments are now due the following:

(1) The worker who has reached 65 since January 1, 1937, and who has been paid wages for work done as an employee since December 31, 1936, and before he reached 65, in any employment which is not specifically excepted under the old age benefit provisions of the act.

(2) The estate or relative of a worker who has died since December 31, 1936, provided the deceased worker had been paid wages for work done as an employee after December 31, 1936, and before he reached 65. Practically all employment in commerce comes under the federal act.

Social security account numbers are important in filing claims for the lump sum payments, Coman stressed.

OFFICERS OF D. A. V. AND AUXILIARY ARE SEATED FOR YEAR

New officers of the Jackson county chapter and auxiliary of the Disabled American Veterans of the World War were installed by Oregon department executives in the Medford armory last night. A dinner preceded the installation ceremonies.

Harry G. Naugle was installed as chapter commander and Mrs. Cora Thimley as auxiliary commander. They succeeded, respectively, A. H. Banwell and Mrs. Harvey Cassman.

Chapter officers were installed by Dr. Roy Reynolds of Bend, state department commander. He was assisted by Rudolph Britano, Bend, chief of staff, Lile Dally, Portland, state adjutant, Frank Holbrook, Medford state senior vice commander, and Cicero Hogan, Portland, national senior vice commander and state rehabilitation officer.

Auxiliary officers were installed by Mrs. Josephine Estrader, Salem, Oregon department commander.

City Councilman H. S. Deuel, representing Mayor C. Furnas, was presented by Dr. Reynolds with a picture of Crater lake on a wooden plaque. On the back of the plaque was an invitation from the mayor of Bend to Mayor Furnas to attend the state D. A. V. convention in Bend June 19-22. To Mr. Banwell Dr. Reynolds presented a past commander's button.

Principal address of the evening was by Mr. Hogan, Mrs. Wheaton Huntley entertained with an accordion solo.

Among the honored guests were Gold Star mothers and fathers.

Others present included Mrs. Roy Guyer, president of the Daughters of Union Veterans of the Civil War; Mrs. Augusta Hall, president of the Veterans of Foreign Wars auxiliary; Mrs. Austria Harberg, president of the United Spanish War Veterans auxiliary; Mrs. C. Conner of the same organization; Mrs. Ethel Yarbough, deputy senior vice commander of the Grants Pass D. A. V. auxiliary.

Also Mrs. Maude Culbertson, commander of the Rogue River Valley Navy Mothers club; Mrs. C. McConochie of the same club; Mrs. H. E. Armstrong, president of the local Daughters of the American Revolution chapter; Mrs. Lois Pratt, president of the Grants Pass D. A. V. auxiliary; Mrs. Julie Canfield, president of district 8, Veterans of Foreign Wars auxiliary; Col. Blaney, commander of the Grants Pass D. A. V. chapter; and Frederick C. Butler, commander of the local post of the Veterans of Foreign Wars.

PEARS IN FULL BLOOM WITHIN COMING WEEK

Pear orchards of the Rogue River valley, under present weather conditions will be in full bloom within the next week, according to County Pathologist A. B. Cordy. The trees have just started to blossom. Some of the peach and almond trees are in blossom.

Weather conditions have been ideal for all growing things. Fall sown grain is well advanced. County Agent Robert G. Fowler states, less wheat was drowned out by winter rains than thought. The grain is now about 18 inches high.

Planting of gardens and other spring crops is now underway. The prospects are for good grazing conditions in the mountains.

STEWART AND PONCE BATTLE SLOW DRAW

PORTLAND, April 13.—(AP)—Kermit Stewart, 133, Portland, and Joey Ponce, 136, Los Angeles, Cal., kept out of trouble and sparred six rounds to a draw in a slow main event last night.

Both clever boxers, neither Stewart nor Ponce would mix. A head-to-head slugging match ended in a six-round draw for Jerome Lewis, 164, Oakland, Cal., and Jack Hibbard, 163, Klamath Falls, in the semi-final.

Car Recovered—A Ford sedan belonging to John M. Textorians of Route 4, stolen in Medford Sunday night, was found parked on a street in Klamath Falls yesterday, city police learned today.

Dr. DaFoe Vetoes Exhibition Of Quins at World's Fair

NEW YORK, April 13.—(AP)—Dr. Allan Roy DaFoe said today an unofficial suggestion that the Dionne quintuplets appear at the New York world's fair of 1939 had been promptly rejected by their guardians.

"Of course such a thing is impossible," said the physician who brought the world's most famous five sisters into the world. "They will not appear in any exhibition."

Dr. DaFoe, here for the purpose, among others, of buying the quintuplets Easter dresses, settled the question as to which of them is brightest. "L'vonne," he said. "She likes to show off, too."

V. F. W. POSTS TO HOLD JOINT INSTALLATION, INITIATION ON FRIDAY

Crater Lake Post 1833 V.F.W. and auxiliary of Medford, and Walter Phillips Post 3423, and auxiliary of Ashland, will hold joint installation of officers in the Medford armory at 8 p. m. Friday. The degree team from Del Rogue Post 2302 is expected to put on a ceremonial invitation for a large class of candidates. Past Commander Ira D. Canfield will be installing officer for the posts while Julie H. Canfield, council member for No. 8, department of Oregon, will act in a similar capacity for the auxiliaries.

Officers to be installed in the Ashland post include Floyd Crosslin, commander; Frank Hibbs, senior vice commander and A. V. Hood, adjutant and quartermaster.

Medford post officers are Fredrick C. Butler, commander; Bert Hukill, senior vice commander; W. W. Coe, junior vice commander; Etha W. Wall, quartermaster; Francis H. Walker, adjutant; Ira D. Canfield, chaplain; George Coddling, judge advocate; and Ben Swindler, guard.

Medford auxiliary officers are Augusta Hall, president; Alice Waterman, senior vice president; Pearl Walker, junior vice president; Julie Canfield, chaplain; Lillian Flynn, conductress; Lenore Wall, treasurer; Wanda Coe, secretary, and Florence Hall, guard.

Ashland auxiliary officers are Ida Crandall, president; Dora Payne, senior vice president; Mula Vedder, junior vice president; Abbie Hood, chaplain; Ida Crosslin, patriotic instructor; Jean Rogers, conductress; Iris Blackwell, treasurer, and Jennie Brady, secretary.

After initiation and installation a luncheon will be served at Valentine's cafe.

LOUISA M. WINN PASSES, AGED 79

Louise McNamara Winn, 79, passed away at her home, 510 Clark street, early Wednesday morning. She had suffered a stroke of paralysis last Sunday evening. Mrs. Winn was born in Texas, January 3, 1859. She had been a resident of Jackson county for 32 years and of Medford for the past 20 years. She was a member of Sacred Heart Catholic church, Heron, Francis W. Winn, was one of the first Jackson county sons killed in the World War, she being a Gold Star mother.

Mrs. Winn was a kindly, Christian character and was loved by a host of friends, besides her family. She leaves her husband, George McChesney Winn, an only son, John Russell Winn, and one daughter, Mrs. William Humphreys of Dunsmuir, Calif., also three grand children and one great grand daughter.

Funeral services will be held at the Perl Funeral Home Friday at 2:30 p. m. Rev. Father Francis Black of Sacred Heart church officiating. Recitation of the Rosary will be held Thursday evening at 7:00 p. m. Interment in Jacksonville cemetery.

Tests For Drivers—Examination of applicants for licenses or permits to operate cars or trucks will be held here from 9 to 5 Thursday and 8 to 5 Saturday. Applicants should apply to the examiner in council chambers on the top floor of city hall.

Jupiter has eight moons

Always under control. Jupiter keeps them traveling in perfect harmony.

A traveling brewer follows Jupiter's example, because without precise control and harmony no beer reaches perfection. Sprouting barley... seasoning malt... mashing and straining... cooking with hops... fermenting and aging—all these complicated operations in the Home of BUDWEISER are controlled 24 hours a day by the laboratory. That is why BUDWEISER is known as a laboratory controlled product even though brewed on a mammoth scale. Every sip pure, delicious, satisfying.

NOTE FOR HOUSEWIVES: A glass of cold BUDWEISER is always a thoughtful compliment to a husband—especially in the evening. Has he ever expected it when there was none in the icebox? Check up on your supply. Keep a carton on hand—and several bottles or cans of BUDWEISER chilled and ready for instant serving... as unexpected as well as regular occasions.

DISCOVER POWER YOU NEVER KNEW YOU HAD

Performance tests reveal that there are actually TWO MOTORS under every hood. Aviation Ethyl gives you the ONE with more power than you dared to expect.

Aviation Ethyl gives you the ONE with more power than you dared to expect.

ONE that has a new gliding smoothness

ONE that is more sensitive to the throttle, easier to handle

ONE that starts quicker—and stays started

GET THAT NEW MOTOR! FIND IT WITH ONE TANKFUL OF ASSOCIATED AVIATION ETHYL

Power to spare—and you never knew it was there. That's been the experience of thousands of motorists who have switched to Associated Aviation Ethyl and discovered—much to their amazement—that their car had more power than they ever dared to expect. Once you try it—and find that new motor—you'll never go back to that old one again. Associated Aviation Ethyl gives better performance because it is built after rigid aircraft specifications. It mixes instantly and in scientific exactness with air in your carburetor—the dry vapor gets to the cylinders faster in ready-to-fire form. That's why this true aviation fuel (the only one available for your car) brings out new power, a new motor you never knew you had. Find it—fill up with Aviation Ethyl today.
