YOUTHS INJURED IN AUTO MISHAP

Simon Pappé, Central Point high school student, is confined in Community hospital with concussion and severe body bruises, sustained when the Ford V-8 two-door sedan he was driving left the highway at Central Point Saturday noon and rolled over several times. Dr. C. I. Drummond, the youth's attending physician, said he was not seriously injured.

Pink O'Connor, a passenger with Pappé, and also a Central Point high school student and star athlete, sustained an injured arm and a cut over his eye. He was able to leave the hospital following treatment.

The accident occurred on Main street in Central Point, just at the east edge of town and directly in front of the property of Ed Vincent. The machine, traveling east, hit a slight incline in the pavement, left the street and turned over and rolled. The two boys were thrown clear of the car and landed in Ed Vincent's flower bed some 30 feet distant. The auto was almost completely demolished.

Pappé, knocked unconscious, was rushed to the hospital in the Peri ambulance. Dr. E. H. Porter, CCC physician at Camp Prescott, drove by the accident by chance, and after administering aid to the injured youths, took O'Connor to the hospital.

Applesauce Activities Near Completion

Miss Jeanette Field, who will appear Wednesday night in the high school auditorium as Hazel Robinson, romantic lead for the senior class play.

Rehearsals on the senior class play, "Applesauce," to be presented in the high school auditorium April 27th, at 8:00 p. m., have shown that the cast of seven seniors is nearly ready for the performance this coming Wednesday evening.

In the romantic leading roles Jeanette Field as Hazel Robinson and Don Herried as Bill McAllister are doing splendid work. Harold Sleight cast as Rollo Jenkins, Bill's rival, completes the romantic interests.

Orchestration for intermissions is under the care of F. Wilson. Wait and the high school orchestra which will play Ballet Egyptian by Lull-

guini, and several other musical numbers.

The plot of the play is concerned with the trials and tribulations of a young girl who has promised to marry one man, though she is in love with another. Her parents, and the interested neighbors, add complications that are both humorous and highly interesting.

The entire cast has done splendid work in all rehearsals, and is expected to give a show that will be worthwhile.

Tickets are on sale at the high school and can be procured by phoning 1204 or calling there. Adult admission is 25 cents with reserved seats going at 40 cents. Because only 200 reserved seats have been held, it is considered advisable to procure seats early, and avoid a last minute rush.

A large crowd of interested Medford people and students is expected to pack the auditorium to capacity, since "Applesauce" will run only one night.

Dr. Dwight H. Findley, her attending physician, said she was painfully but not seriously injured, and would be able to leave the hospital this morning. He said a sliver of flying glass pierced her eyelid, and she suffered a long cut on the forehead.

Miss Ditto was seated in the front seat of the machine when the bird crashed against the windshield. The pheasant was killed instantly and badly mangled.
