Junior Symphony Concert Tickets Placed on Sale

Tickets for the concert are now on sale at the following stores: Pruitt's Music and Radio Center, Lawrence's Jewelry store, Leonard's Electric shop, and Ethelwyn B. Hoffmann's. Purchases may also be made from any member of the Zonta club, sponsors of the concert.

A number of valley residents have already contributed to the instrument fund of which any amount of money is appreciated. Donations may be left at Ethelwyn B. Hoffmann's shop or given to any of the following members of the orchestra committee: Mrs. Hoffmann, Effie Herbert Kurtz and Lois Cook Young.

The presentation Tuesday evening is keenly anticipated by southern Oregon residents in a desire to support such a fine local musical organization in an effort to maintain the orchestra as a permanent institution.

Unique Musicales Anticipated For Friday Evening

The evening musicale sponsored by the Thursday Morning Study club, to be presented Friday evening at 8:15 o'clock in the Baldwin Piano hall, is drawing much comment because of the unique and interesting entertainment in store.

The program will deal with the characteristics and music of some of the countries before the public eye of today.

Speakers fitted to give first hand information, as a background for the music to follow will be Mrs. Angus Bowmer, of the Southern Oregon Normal school, who spent last year in England and will talk on English people and their music. Mrs. Esther Church Leake will report on what our country is doing for the youth of the nation. She recently returned from the music conference in St. Louis. There will also be many musical selections of violin, piano and vocal. There will be no regular meeting Thursday morning of the Thursday Morning Study club.

Bennett-Sanderson Saturday Wedding

BEAGLE, April 26.—(Sp.)—A very quiet wedding ceremony was solemnized Saturday evening at the home of Rev. D. E. Millard of Roguedale when Miss Ruth Bennett, daughter of Mr. and Mrs. Marion Bennett of Sams Valley, became the bride of Lloyd Sanderson, son of Mr. and Mrs. Chas. Sanderson of Beagle. The ring ceremony was used by Rev. Millard. The bride was attired in pink satin. Those attending the wedding were Mrs. Bennett and sons, Marvin and Chester, and daughter, Lois; Mr. and Mrs. Chas. Sanderson, Mr. and Mrs. Ben

Belows, Mr. and Mrs. Milton Sanderson, Mrs. Jesse Hammet and Miss Betty Caster. Sunday evening a wedding dinner was given the newlyweds at the home of Mr. and Mrs. Chas. Catholic Club To Sponsor Dance

A meeting of the Young Ladies' Catholic club was held in the parish hall on South Oakdale last evening at which Alice Huff presided. After the minutes were read by Geraldine Wilkinson, an open discussion was in order for the dance to be held Thursday evening, April 28, in St. Mary's gymnasium.

Helen McDonnell, chairman of the dance committee, reported excellent advance sales and she stated that there is much enthusiasm displayed by many. The original date of the dance was Wednesday, April 27, but has been changed to Thursday. Steve Whipple's orchestra will furnish the music.

The publicity for the forthcoming play, "A Little Clodhopper," is under the direction of Mary Morrisey. The three-act play will be enacted Thursday and Friday evenings, May 12 and 13, in St. Mary's Academy auditorium. The entire cast is progressing splendidly under the capable direction of Rev. Augustine Meyer and his assistant, Geraldine Wilkinson.

Plans were formulated for the club to go horseback riding. Gertrude Armstrong is in charge of this outing which will take place in the near future. Catherine Porterfield was appointed to take charge of the refreshments and furnish entertainment for the next meeting. A gift was presented to Mrs. Richard Harbert, formerly Miss Patricia Mortsey of this city, before her departure for Seattle where she is making her home.

Annual May Dance For Elks Saturday

The annual May Day dance to be held by the Elks Lodge Saturday night, April 30th, promises to be a gala event. The dance hall will be decorated with flowers, May poles, and the traditional May day motif.

As this may be the last dance of this season for the Elks, it is anticipated that a large crowd will be in attendance.

An excellent orchestra has been arranged and an amplifier will be installed so that the music can be heard more distinctly all over the dance hall. The price of admission has been cut in half for members of the Lodge but guests will pay the usual price.

Musical Events Feature Week

Mrs. Lois Young will present a group of her piano pupils in the first of a series of recitals, Monday evening at 8 o'clock at the Baldwin Piano Shoppe.

HEAT CAN'T BREAK IT DOWN

THE Greatest MOTOR OIL in the West

NEW RICHLUBE
NO OTHER MOTOR OIL HAS ALL SEVEN GUARANTEED QUALITIES:

1. Motor heat or car speed cannot break it down.
2. It flows freely through your motor even in zero temperatures at the instant of starting.
3. It cannot gum your valves.
4. Carbon and sludge-forming elements have been removed.
5. Its tremendous film strength protects moving parts.
6. It's completely de-waxed, de-jellied.
7. Special refining process produces finest quality oil at no extra cost to you.

ALL WAX EXTRACTED
Richlube is a 100% paraffin base motor oil refined from the highest grade mid-continent crude. All the undesirable wax contained in most motor oils is extracted by processing because wax is not only useless but harmful. Costly processes remove every trace of it from Richlube, as well as extract all other substances of no value for lubrication.

NO PETROLEUM JELLY
Most oils contain a bulky "filler" of no lubricating value. A special process was developed to remove this useless "petroleum jelly," leaving only pure, free-running oil that is all lubricant.

POURS FREELY AT ZERO
At zero temperatures most every motor oil freezes solid—but Richlube still flows easily—freely. This is important, not only in cold weather, but in everyday use. Remember, Richlube has highest film strength and toughest heat resistance. It insures easy starting in any weather and immediate lubrication of all moving parts.
