Miss Hollars will be married to Fred Woodriffs of this city, Saturday, May 7. She has been the inspiration for many delightful affairs in recent months.

What the Girl Scouts Are Doing

The regular monthly meeting of the Girl Scout leaders will be Wednesday, May 4. Leaders, troop committee members and council members under the Medford council are entertaining the leaders of Grants Pass at an out-of-doors meeting.

Leaders will assemble at scout headquarters and drive to the new camp ground in back of the county fair-ground.

Each leader will bring food selected from the following menu: Bacon, steak, eggs, pancake flour, butter, jam, buns or bread, pine-apple-buttered, bread. The local leaders' association will furnish coffee and "Some-Mores."

Leaders will dress in clothing suitable for hiking. A No. 10 tin can is required for each three leaders.

This will be the last meeting of the leaders' association for this school year. The next meeting will be in September with leaders from Troops 1 and 2 in charge of handicraft exhibits, instruction and guest speakers. Hostess leaders also furnish the refreshments for the social hour.

During the Mother and Daughter luncheon Saturday the monthly leaders' bulletin, "The Crater Guide," was distributed to all leaders, troop committee members and council members. Camp folders were also given out at the court of awards. Registration slips for summer camp will be given to the leaders Wednesday.

Last minute plans will be made for the sessions with the regional nature advisor, Mrs. Elizabeth Price. These sessions will be held Tuesday and Wednesday, May 10-11.

If at all possible the play day at the Jackson Hot Springs will be Thursday, May 25.

Happy Lives for Horses With Circus

Among the scores of comely equestriennes to be seen with the Al G. Barnes and Sella Pioto combined circus coming to Medford, Wednesday, May 11, for an afternoon and evening performance, is Ann White, noted for her daring horsemanship. Ann is here shown surrounded by a few favorites, the number used on the big show. Ann is studying hard to emulate the famous Reifensch Troupe, who have just arrived from Europe. Unquestionably this sensational act is "tops" in all circus riding.

Ruth Pechstein Wins Second Prize in Martin Letter Contest

Sixteen entries were received in the letter-writing contest conducted by the Jackson County Re-Elect Governor Martin club. It was stated today by Postmaster Frank DeSouza, chairman of the board of judges. All were of high quality, he said.

The first prize winning letter, written by Agnes Elmore Kelly of 911 Queen Anne avenue, was published yesterday. The second winner, composed by Ruth C. Pechstein of 806 West 10th street, follows:

"Governor Martin should be re-elected because of his unquestionable fairness in handling the state's affairs without regard to party, clique, faction, creed or sectional influence; because of his determination and perseverance to rid labor of the cancerous parasites from which labor, through her own efforts, was unable to free herself; because of his wisdom in regarding the state as a unified whole, rather than composed of diversified interests and conflicting needs; because of the recognized progress Oregon has made under his administration; because he is a man's man with inflexible loyalty for his state and people's welfare."

Following is the third prize winning letter, written by Mrs. W. D. Whittle of 123 B street, Ashland:

"Governor Martin should be re-elected because he has made a good record unequalled for efficiency in managerial ability. He is primarily a highly trained executive, not a politician. Governor Martin is absolutely fearless in the discharge of his duties, not obligated by prejudice or

GET THE "RIDE" SENSATION OF THE YEAR IN THE BIG PLYMOUTH

"Roadking"

Today's leading lowest-priced cars cost about the same...but one stands out!

That car is the big, beautiful Plymouth "Roadking"...with a remarkable new ride that's the year's sensation of the lowest-price field...

It has more room, more riding comfort...engineering's last word in safety features. It has amazing power and record economy...BOTH!

And it's easy to own...your present car will probably represent a large proportion of Plymouth's low delivered price...balance in surprisingly low monthly installments.

PLYMOUTH "Roadking" 5-PASSENGER SEDAN \$685

—"Detroit delivered price," including front and rear bumpers and bumper guards, spare wheel, tire and tube, foot control for headlight beam with indicator on instrument panel, ash-tray front and rear, sun visor, safety glass and big trunk space (19.3 cubic feet). Plymouth "Roadking" models start at \$645; "De Luxe" models slightly higher. Plymouth prices INCLUDE ALL FEDERAL TAXES, State, local taxes not included. Convenient time payments.

Airplane-Type Shock-Absorbers Plymouth's double-action, airplane-type shock-absorbers swallow roadshocks far better because they control both the up and down movement of all four springs!

Result? A new ride... plus faster steering, easier handling, and the extra smoothness of double-action hydraulic brakes.

Rubber-Cored Body Mountings To prevent road "drumming" and vibration from reaching passengers, Plymouth engineers have developed "live" rubber body mountings to do away with metal-to-metal contact between body and frame.

These new body mountings—together with Plymouth's new scientific sound-proofing—block out road noises and vibration...give a smooth, "hushed" ride.

Biggest of the 3 It's important to know that the Plymouth "Roadking" is easily the biggest of the three leading low-priced cars...it is nearly 7 inches longer than one; and more than 10 inches longer than the other.

One of the first things people say about the Plymouth ride is—"You can't feel the motor!" And Plymouth is famous for the economy of its 82-h.p., "L-head" engine, with full-length water jackets and 4-ring pistons. Owners report 18 to 24 miles on gas...lowest oil consumption!

Try Plymouth's New Ride To know today's lowest-priced car values you must drive the big new Plymouth. Telephone your nearby Plymouth dealer for a demonstration today. There's no obligation. PLYMOUTH DIVISION OF CHRYSLER CORPORATION, DETROIT, MICHIGAN.

Floating Power Engine Mountings This advancement keeps engine vibration from being "telegraphed" to passengers.
