Teachers Chorus Presents Concert Monday Evening

The annual spring concert of the Jackson County Teachers chorus will be given Monday evening, May 9, in the auditorium of the senior high school. The program is under the direction of Esther Church Leake and will include numbers by the women's chorus and the mixed chorus, as well as several soloists.

The Jackson County Teachers chorus was organized six years ago and has proved to be one of the most popular musical organizations in the valley. It has appeared locally on many programs, recently being heard with the Junior Symphony orchestra. In 1936 the chorus received a special invitation to sing before the National Education Association which was held in Portland, and since that time has been the inspiration for the organization of similar groups throughout the state. Until this year the chorus has been confined to women's voices, but because of the many requests to include men's voices, a mixed chorus has been added.

Among the soloists appearing on the program will be Rolla Reedy, Miss Elizabeth Clement and Miss Floyd Young. The program will start at 8:15 o'clock and will be open to the public without charge.

FLOWERS AND FISH OUTDOOR LURE ON COMING WEEK-END

The following recreational bulletin was issued today by Rogue River national forest headquarters:

"The wild flower lover should find the outdoors more interesting and the fisherman will find improved fishing conditions this week-end."

"Dogwood is beginning to blossom in the Applegate territory and numerous flowers and flowering shrubs will be found in blossom in all the higher areas."

"The roads in the lower elevations of the Applegate district will be found in good condition, with the exception of the Little Applegate road, which is under construction. A point within two miles of Squaw lake may be reached by car. The Innaha road from Prospect is open to within two miles of the Innaha guard station. The road up Trail creek is passable to the Swainville mill. The Elk creek road is open to Bitter Lick bridge."

"Fishing is very good at Fish Lake. The road from Butte Falls is open to Willow Prairie, which is approximately five miles from the lake. One foot of snow was reported in the open and from three to four feet in the timber at the lake last Thursday. The north fork of Little Butte creek offers good fishing. Some fly fishing has been done in Four-Bit creek in the Butte Falls area and fair catches have been reported. Big Butte creek is still considered too high for good fishing."

"Good catches of trout are being made in Elk creek between Bitter Lick bridge and the mouth of the creek. Rogue river is fairly clear between Prospect and Trail. Fishing in the streams north of Prospect is reported as poor. Bait fishing in the Copco dam, one mile west of Prospect, is fair. A report from Union Creek states that Beckelmyer's resort is open and that Regnier's cabins are now available."

"Several small catches have been reported as made with single eggs on Beaver and Squaw creeks in the Applegate area."

"Fishing would show a decided improvement if present weather conditions continue."

GOVERNOR BUYS FIRST POPPY ON MEDFORD VISIT

A corps of women volunteers, organized as a part of a great patriotic army, will bring America's flower of remembrance to the people of Medford on Poppy Day, Saturday, May 28. The sale will start Friday morning, with a breakfast for volunteer workers at Valentine's cafe at 8 o'clock, according to Mrs. Charles Kuntz, poppy chairman. Each of the workers will be assigned to a team which will distribute poppies in a specified district. Downtown headquarters for the poppy sale will be the Allen hotel on Main street.

All of the workers will serve as unpaid volunteers, permitting every penny received for the poppies to go into the auxiliary's rehabilitation and welfare funds. This money is the principal source of support for the continuous program of aid for disabled veterans and families of the dead and disabled, carried out by the auxiliary.

The local corps of workers will be part of an army of 100,000 women who will distribute the little red memorial flowers throughout the country on Poppy Day, to honor the war dead and raise funds to aid those living in suffering and need because of the war. More than ten million poppies have been made for the day's observance by disabled veterans in government hospitals and auxiliary work rooms, located in 40 states. Fully one million dollars is expected to be received this year from the sale of the poppies.

During his recent visit here Governor Charles Martin was given the honor of buying the first poppy in the state of Oregon, according to Mrs. Kuntz. The poppy was sold by Carmen Wright, daughter of Mr. and Mrs. Ray Wright of this city and a junior auxiliary member.

Jack Travera, alias Jack Hoffman, under a five-year sentence on a plea of guilty to larceny, and Archie Ewing, sentenced to two and one-half years for obtaining money under false pretenses, were taken to the state prison at Salem this morning by Sheriff Syd I. Brown.

Ewing was charged with leaving spurious checks in this city over a year ago, and was arrested in Portland six weeks ago, and returned here. He informed the court when sentenced he was a member of a prominent Nebraska family, and that his troubles were due to liquor.
