Wall St. Report

NEW YORK, May 10.—(AP)—The stock market ran out of rallying steam today and leading issues generally turned in minor gains or fell to moderately lower levels.

An attempt was made at the opening to extend yesterday's advance but profit selling appeared in sufficient quantity to quickly halt the climb. There was a fast run-up near the start of the second hour when the ticker tape, for a brief period, was a trifle late. The pace soon slowed and most of Monday's favorites drifted to the downside. Transfers were around 1,100,000 shares.

"Test Pilot" Coming To Craterian

The thrill-packed story of the men who live on "borrowed time" is brought to the screen in "Test Pilot," opening a four-day run tomorrow at the New Craterian theater. One of the finest casts ever assembled for a motion picture has Clark Gable playing the title role as a daring aviator, willing to risk life and limb for a job he loves, living every minute of his life up to the hilt.

Sharing honors are Spencer Tracy, as the best mechanic in the business, Gable's buddy and best friend in every sense of the word; Lionel Barrymore as the lovable aircraft manufacturer who hires Gable and finally persuades him to give up his perilous life, and Myrna Loy, as the farm girl who marries the famous flyer and finds herself combating the unseen lure of the sky in a battle to hold the love of her husband.

The picture has been acclaimed by aviation experts, military and civilian, to be the truest picture of aviation ever produced, and affords countless breathless moments before brought to its conclusion.

Rialto Drama

Ralph Bellamy and Josephine Hutchinson have the leading roles in "The Crime of Dr. Hallet," drama of love and hate under the tropic skies with a scarlet fever expedition, which comes to the Rialto theater for tomorrow and Thursday as the added feature with "The Lone Wolf in Paris."

Francis Lederer and Frances Drake have the principal roles in the Louis Joseph Vance mystery surprise.

Cream Grading To Be Topic At Meet

A meeting to discuss cream grading will be held in the court house auditorium at 8 p. m. Wednesday, May 11, Mr. Metager of the state department of agriculture and Dr. Wilster of Oregon State college will talk on the subject.

Farmers who should know about requirements of the law now in effect are asked to attend.
