

SUMMER CHANGES IN CCC DISTRICT LISTED BY CHIEF

Loss of Only One Camp Is Slated—Eight Camps to Close, Four to Be Reoccupied, Three to Be Opened

The Medford CCC district will lose but one company in the summer moves to start soon. It was announced today by Major George R. Owens, district commander.

The district, one of the biggest in the United States, will have a summer strength of 31 camps as against the 32 under Medford administration during the period just closed.

Eight camps now in the district will be closed for the summer, four old camps will be reoccupied and three new camps will be established. Major Owens said. Three companies now in the district will move to other districts and two new companies will come here.

Policy Changed The district had been slated to lose four companies under a contemplated reduction policy, but when congress voted recently to keep the corps at full strength for the coming year, the reduction program was cancelled and moves now announced are routine summer movements.

The district at present embraces a total of about 80,000 square miles, running from Eugene, Oregon, to Red Bluff, California, and from the coast to Hart mountain in eastern Oregon. Ninety officers and civilian employees are on duty at headquarters in Medford, and about 80 officers, sergeants and educational advisors are on duty in the camps along with 5500 men. These figures do not include the forest service, park service and other technical agency personnel.

Company movements will start soon, although definite dates have not yet been determined. Major Owens said.

Three Companies Now in the district will be moved to camps in other districts of the ninth corps area. They are Co. 998, Camp Big Bar, which will move to Camp Calder in the Sacramento district; Co. 1578, Tule Lake, which will move to Camp Orland; and Co. 5438, Coos Head, which will move to Camp Neskutuck in the Vancouver-Barracks district. Camps Big Bar, Tule Lake and Coos Head will be closed for the summer.

Five companies will move within the district. Co. 468, now at Prescott, will move to Wineglass in the Crater Lake national park; and Co. 5463, now at Oregon Caves, will move to Annie Springs, also at Crater Lake. Co. 919, Camp Salt Creek, will move to Camp Leaf, east of Weed, Calif.; Co. 5445, Camp Big Springs, will move to Halls Flat, a new camp site in northeastern California. Co. 5484, now at Rand, will move to Diamond Lake. All five of the camps to be vacated will remain closed for the summer.

In addition to Halls Flat, two other new camps will be established in the district. One will be at Alkali Lake in eastern Oregon and the other in Douglas county, definite site not yet being named. Two new companies will come here to occupy the camps, one occupying Camp Gunter, near Roseburg, until the new Douglas county camp is built.

Companies to remain unchanged during the next period follow: Co. 503, Silver Lake; Co. 920, Oregon; Co. 922, Whitmore; Co. 966, Big; Co. 978, Sims; Co. 1310, South Fork; Co. 1334, Sitkum; Co. 1905, Hawkins Bar; Co. 1910, Selad; Co. 2904, Juniper Flats; Co. 3442, Hart Mountain; Co. 3450, Steamboat; Co. 3507, Lava Beds; Co. 3538, McKinley; Co. 3544, Peanut; Co. 3438, Hackamore; Co. 5443, China Flats; Co. 5483, Wimer; Co. 5457, Bianna; Co. 5483, Applegate; Co. 5470, Klamath; Co. 5478, Gasquet; and Co. 5486, Clear Lake.

BEQUEST TO DOG IRKS RELATIVES

WOBURN, Mass., May 11.—(AP)—With the dignity befitting the holder of a \$20,000 bequest for dog biscuits, Brownie, the arduous, remained in seclusion today as his owner's relatives began efforts to void her will.

Brownie was adopted nine years ago by Mrs. Marion E. Springer of Woburn. She died in Florida a month ago, settling aside half of her estimated \$40,000 estate in a trust fund for the dog. At his death it would go to a Boston animal hospital.

Yesterday, Attorney Max Cohen of Lowell filed notice he would represent a new Bedford brother and sister opposing allowance of the will in probate court. He did not name his clients, but said they were first cousins of Mrs. Springer.

More and More in dignified service and in the most modern conveniences combined with thoroughness and sincere helpfulness, is the motto of this concern. LADY ATTENDANT PERL Funeral Home 4th & Frank Peril Ambulance Service Phone 47

NEW YORK, May 11.—(AP)—Electric power shares swung to the front to give the stock market leadership for a resumption of the April-May recovery today.

Most industrials were slow to respond to the bullish signals hoisted in the power division but gains ranging to 2 points or more were general throughout the list.

Profit-taking retarded the advance as leading shares approached the recent highs, although a number of utility shares succeeded in pushing ahead to the new peaks for the recovery.

Rails fell in step with the rise and carrier bonds added their strength to a further advance in the investment market.
