

Red Lyons and Black Secret to Vie in Main Event Grapple Tonight

HOODED MEANIE AGREES TO DOFF MASK IF BEATEN

Top Pair Expected to Provide Wild Encounter in Test of Private Brands of Dirt — Britt Meets Chick

Red Lyons and the Black Secret square off tonight in the Medford armory for the meane grappling championship of southern Oregon.

They meet in the one-hour, two-out-of-three fall main event of an all-star program which Promoter Mack Lillard, along with several hundred local fans, figures will develop into one of the most hair-raising of the current year.

Floyd Britt, arm-breaker expert de luxe, tangles with Bobby Chick, ex-light heavyweight champion, in the middle event, and Lefty Pacer faces Tony "Footh" "Em Up" Garibaldi in the opener. First two bouts will be under the Australian round system of six 10-minute heats, or the best two falls out of three.

Not since the Kenaston-McDonald feud several months ago has a grunt and groan affair caused so much excitement among citizens who lay their six bits on the line each Monday evening at this Joplin Ghost versus Black Secret squabble. Lyons, master of the leg-strap, along with every illegitimate maneuver ever invented, is undefeated to date in the local grapple stronghold, and had been held on even terms only once — by Bob Chick two weeks ago. However, in a rematch with Bobby last week, Lyons decisively eradicated that blot on his record by slapping the former champ from pillar to post and finally winding up the bout by slapping on a couple of his favorite leg-straps.

Promoter Lillard said today that the Black Secret had agreed to unmask in case Lyons pinned his shoulders to the canvas for a victory. The promoter also announced that Cowboy Duke Chick, junior heavyweight champion, would be in southern Oregon next Monday on a fishing trip and would probably meet the winner of tonight's main event.

Secret to Grapple Ghost

The Black Secret (above) faces Red Lyons, Joplin Ghost, in the main grappling event at the armory tonight. Only one man, Cowboy Duke Chick, has been able to defeat the hooded horror in the local arena, and he claims Lyons won't be another.

Big Lowell Brown, hurling his first complete game of the season yesterday at Crescent City, turned in one of the finest exhibitions seen in the Southern Oregon league in the past several years when he gave up only two hits and no runs as Medford's crashing Craters defeated the Merchants, 4 to 0, to retain their league lead. It was the third straight win for Manager Wally Rickett's gang.

After nursing all season his southpaw arm, injured several years ago, Brown took the mound for the Craters against last year's pennant winners and proved that he is at last ready to take his regular turn. He fanned five Crescent City batters and passed out only one base on balls. Only 28 men raced the big left-hander, three in every inning but the first, when he issued his only walk. From then on the Merchants were retired in order as Brown fired at the raising fast ball and blazing curve down the slot.

One Big Inning
Medford tallied all its runs in one big inning—the sixth—when Dick Lewis blasted a line-drive triple to deep centerfield with the bases loaded, and scored himself on Cliff McLean's long fly to Framsted in centerfield.

Brown started the game-winning rally himself, singling with none away. Sakrinda drew a base on balls and the bases were loaded when Manager Rickett reached first on second baseman Matsen's error. Lewis then smashed his three-paly wallop and Brown, Sakrinda and Rickett denied the plate. After McLean flew out to Framsted, scoring Lewis, Calvert skied out and Ager grounded out to end the inning.

Crescent City's two lone singles off Brown, by Lefty Mike Koll in the third and Span in the fourth, went for naught as the Craters turned in two more of their copyrighted and spectacular double killings. With one out in the third, Koll got a scorching infield safety. Matsen followed with a roller to Brown in the box, and the hurler angled it, threw to Lewis on second, fanning Koll, and Lewis fired to Tommy White on first to end Matsen. In the fourth, Span singled sharply to left, but Arba Ager grabbed Miller's drive down the third base line, lined the ball to Rickett on second and the Crater manager relayed it to first for the double killing.

Koll Effective
With the exception of the sixth inning, Medford had plenty of trouble with Lefty Mike Koll, league-leading pitcher last season and considered, until yesterday, the best hurler in the circuit. Koll allowed only six hits, fanned four and issued two walks. Hoffman tripled in the seventh and Rickett, McLean and White obtained the other Crater base knocks.

The Craters played errorless baseball behind their brilliant left-hander and Crescent City booted the ball only twice. The game was played in one hour and 30 minutes before one of the largest crowds to ever attend an encounter in the coast city.

Apply Now for Trout Chance in Baseball Camp

Attention, all young ball players in southern Oregon who believe they have the ability to make good in professional baseball and would like an opportunity to display their prowess before big league scouts!

Application blanks are now ready for the try-out camp to be staged in Medford Sept. 21 to 24, inclusive, under auspices of the Durham club in the Piedmont league and the Cincinnati Reds of the National League. These blanks may be obtained from J. Verne Shangle at 318 Medford building, local agent for the camp. After being filled out, the blanks are to be mailed to Charles E. Chapman, representative of the Durham team. Until August 6, he may be reached at 1824 Hinman avenue, Evanston, Ill. Thereafter, at box 904, Orinda, via Berkeley, Cal.

This tryout camp of Durham and Cincinnati (Durham is a farm team of the major league club) is an annual affair, and each year draws promising rookies with the urge to make professional baseball their life work. Last season it was held in Bend, and the year before here in Medford. It was during the Medford camp that Paul Gehman, big right-handed hurler from Bend, was discovered. He was taken to Durham last season, enjoyed a great year, wound up the season with Cincinnati, and this campaign will do his chucking for Minneapolis in the American Association, a double-A class league. That's a mighty leap for a boy who two years ago was pitching bush baseball in the Oregon State circuit, and he is subject to recall by Cincinnati at any time, they having plenty of strings attached to him.

EXPECTANT PAPA WINS FOR ACORNS

SAN FRANCISCO, May 23.—If the Oakland Acora, in last place in the Pacific Coast baseball league, had a pitching staff of expectant fathers they might be in first place.

Young Kenyu Sheehan who did some hurling for the San Francisco Seals last year before shifting his affiliations to the Oaks received a complete set of baby clothes including some tailored three-cornered knickerbockers (you guessed it, the Sheehans are anticipating—and very soon) before the start of the first game yesterday.

He then stopped out and limited the San Diego Padres to five singles to win a 1 to 3 shutout and next hefty Jim Chaplin in a pitching duel. And that was just the beginning for the Oaks. They proceeded to knock the apple all over the orchard in the seven inning nightcap to win 9 to 6. It gave them four out of seven games with the Padres and their first series of the season. They collected 12 base hits, four of them for five runs in the sixth.

Grants Pass Wins 8-7 Over Yreka
GRANTS PASS, May 23.—(AP)—Grants Pass Merchants took advantage of seven Yreka errors to nose out the Californians, 8 to 7, in yesterday's Southern Oregon league game.

Young Maxie Baer Quits Oxygen Tent
OAKLAND, Calif., May 23.—(AP)—Young Maxie Baer appeared well on the way to recovery today from a serious attack of bronchial pneumonia. Physicians yesterday ordered the infant son of the ex-heavy champ removed from an oxygen tent, where he was placed last week.

MEDFORD SHOOTERS WIN MAJOR HONORS IN MATCH AT BEND

The four Medford marksmen who entered the Oregon State Regional Smallbore matches at Bend, Oregon, yesterday managed to steal the show by bringing home six out of the twelve medals awarded.

Next Sunday and Monday, May 25 and 26, will see the Medford Rifle club stage one of the largest shoots ever held in Oregon. It will be a "big" later match, recognized in national competition, and will draw some of the best riflemen on the coast. The matches, beginning at eight o'clock Sunday morning, will be fired on the rifle club's smallbore range near Fable Rock.

Newcomer To Be Queen Of Roses
PORTLAND, May 23.—(AP)—Princess Hulise 18, arrived in Portland last year just in time to witness the 1937 festival parade and was thrilled by its impressive beauty.

This year she will rule the procession from its principal float. The Grand high school girl, late of Wichita, Kansas, was chosen queen of the 1938 festival Saturday night.

Sandlot Casualties
SEATTLE, May 23.—(AP)—Two young men found sandlot baseball hazardous yesterday. Edward Runnels, 28, and Howard Bartell, 28, suffered broken legs while playing with pickup teams.
