

Yates Sole American Survivor in British Amateur Title Quest

WIND, RAIN STORM PROVES HANDICAP FOR U. S. ENTRANTS

Atlantan Defeats McClure and Robb to Become Only Yankee Hope — Kocsis Is Routed by Native Son

TRON, Scotland, May 26.—(AP)—Happy, sociable Charley Yates of Atlanta today became America's sole survivor in the British amateur golf championship as the combination of a wild wind and rain storm and some stubborn domestic opposition drove U. S. champion Johnny Goodman, Charles (Chuck) Kocsis of Detroit, and Fred Haas, Jr., of New Orleans to the sidelines.

Yates beat Andrew McClure, 7 and 6, this morning, and followed up with a 6 and 5 decision over Dr. W. M. Robb of England, defender of defending champion Robert Sweeney yesterday.

Kocsis Routed But Kocsis, who had whipped Goodman, 3 and 2, in the morning round, fell apart in the afternoon's storm and was put to rout by local favorite Johnny Stevenson, a native son, 7 and 5, and Haas was beaten, 3 up, in the morning by Sam McKinlay, Glasgow, golf writer.

Moving into the quarter-finals with Yates and Stevenson were C. Ross (Sandy) Somerville, present Canadian and former U. S. titleholder, who picked up one hole on the back nine to beat R. C. MacGregor, Jr., 3 and 2, and H. W. Hattersley of Australia, whom Somerville will meet tomorrow.

Yates Cards Para Yates, looking more and more like the last U. S. hope, turned four up on Dr. Robb, three-putted and the fourth, fifth and sixth with para as Robb pulled his tee shots into the rough. Charley retained his lead through the ninth.

Their cards: Yates, out 445 435 454—38 Robb, out 455 595 454—43 Yates picked up another hole at the tenth, when Robb three-putted again, and went six up at the twelfth, where the Englishman hooked his second into the sand. Charley matched the doctor's bogey 5 at the thirteenth to win the match, 6 and 5.

Their cards: Yates, in 444—5 Robb, in 545—5 Yates wins, 6 and 5.

Goodman's defeat by Kocsis marked the third time U. S. Walker Cup player had been put out by a team-mate, for Omaha Johnny eliminated Ray Billows of Poughkeepsie, N. Y., in the second round, and Yates put out Johnny Fischer of Cincinnati in a 19-hole first-round encounter.

To Meet Tolley Yates' opponent in tomorrow morning's round of eight will be Veteran Cyril J. H. Tolley, champion in 1920 and 1929, who defeated Sam Roberts of Britain, 3 and 2. Stevenson will play Cecil Young, curly Irishman and 1936 British Walker cupper who eliminated Alex Kyle, member of the 1935 team, 5 and 1. Ewing yesterday disposed of Francis Oulmet, American cup captain.

Oulmet remarked at the end of the day's firing: "This is the worst golf day we've ever had in the country for the amateur championship."

OAK MOUNDSMAN ENTERS HALL OF FAME

The ultimate in pitching performance—the no-hit, no-run, no-man-weak-first game—was turned in by Weston Worden as he hurled Oak Grove to the county grade school baseball championship last Thursday at Oak Grove. The victim of the 15-year-old right-hander's amazing exhibition was Lone Pine. The score was 2 to 0.

Worden fanned 12 batters and in the seven inning game, only 21 men faced him, three in each inning. Ray Robinson, Oak Grove catcher, hit three times in three trips. The winning team was coached by Lyle Landley.

Salvo Is Strikeout Ace of Coast Loop

LOS ANGELES, May 26.—(AP)—Big Manuel Salvo of San Diego stood as the strikeout king of the Pacific coast, as well as one of the most effective hurlers in the loop, as figures on pitching were released today covering games played through last Tuesday.

Jadwiga Defeats American Entrant

LONDON, Eng., May 26.—(AP)—Jadwiga Jedzejowska, husky Polish champion, defeated Sarah Palfrey Fabyan of the American Wightman cup tennis team, 3-6, 6-3, 6-2, today in the fourth round of the Middlesex tournament.

Billy Hulen says: Birdies, Eagles To Be Rewarded At Rogue Links

A handful of cuffed scribbles: Hookers and Nicers of the Rogue Valley Golf club will receive more than mere mental satisfaction when they shoot birdies or eagles from now until June 21 . . . for each and every member or guest scoring a one or two under par on any hole, a set of Dundee air-conditioned briar pipes will be awarded . . . also a pipe bag, and a trophy . . . case card bearing the recipient's name, a record of his accomplishment, and the signature of the committee chairman . . . Closing down of placer weeks for 40 hours over the week-ends has helped fishing conditions in the Rogue river plenty, say Grants Press sportsmen . . . water is still pretty high for good trout fishing, but salmon catches are holding up fair . . .

Our special eastern operative reports that Al Johnson, who once owned a piece of Henry Armstrong, is one of a group of screen stars with \$50,000 to shoot on the colored boy against Barney Ross tomorrow night . . . careful. Al ol' boy . . . It's funny how things develop . . . in spring training this season, Manager Wally Rickert's biggest worry was his pitching staff . . . It looked like the Craters would be hard put to offer much in the way of mound strength . . . so what happens but smack out of the bag jumps Bill Rathke, good enough for any bush club . . . then, Ray Erickson turns in that sweet exhibition against Ashland in the league opener . . . and now it's Lowell Brown proving he's positively the class of the circuit . . . and, Ed George, the former Utah-Idaho league sidarm right-hander, hasn't even shown his stuff yet . . . he probably will either Sunday, against Yreka, or Monday against Weed Towns . . .

Tonypandy Tommy Parr is under contract to make six records in England, reproducing his voice in jolly song . . . he hopes to sing better than he fights . . . along with the collapse of the St. Louis Cardinals comes the report, unconfirmed of course, that Pepper Martin is becoming slightly fed up with the Gas House gang and acutely desires to be traded . . . when the Craters pulled off those two double killings at Crescent City last Sunday, that made it nine for the season in six games . . . look for turf on the Crescent City infield next season . . . Johnny Allen of Cleveland, a former Yankee, has the best lifetime won and lost average among major league pitchers . . . his 200 and lost 20 for a 73% percentage, his 15 wins and one loss last year helping the mark considerably . . .

The softballers are having at it each and every twilight at the high school field, but the general public is not invited to witness goings-on . . . over a dozen teams are battling it out in sort of a "proving ground league" with the club managers keeping an eagle eye posted for any signs of weakness in their respective outfits, and making changes when such crop up . . . the twilight series of encounters is indicating which teams will receive favorable positions when the regular season gets under way "neath the stars and gimmers . . . when the campaign formally opens, all teams will be in excellent shape, and it looks like a great season is upon us . . . not to get the gussy out of the container, but put own Timber Products as the club to beat, what with their hefty plate punch and Dale, the fireball moundsman . . .

According to dope of the experts, following completion of spring practice up and down the Pacific seaboard, next season's top football teams will be University of Washington and old Southern Cal . . . with perhaps Santa Clara ranking right up there again . . . and, it's also being advised to not let Tex Oliver and his Webrocks too short . . . local gridiron fans will witness Medford's Black Tornado in southern Oregon conference action against Klamath Falls and Grants Pass and at least two non-league teams . . . the Tigres, by the way, were the only southern Oregon ag-

REVENGE ON CHICKS OFFERED BY SECRET IN MONDAY'S GRAPPLE

The Black Secret, defeated only once in the Medford armory, will get a chance to avenge the setback when he faces Cowboy Dude Chick in the main event of the "ladies' night" Decoration Day wrestling program next Monday evening. It was Chick, Junior heavyweight champion, who headed the bodied bad-man his lone beating in the local arena, lariat-spinning him into oblivion a month ago.

Since that time, the masked meane has clawed and fouled his way to victories over all opponents, and beat Red Lyons last Monday night for right to face the abampion. He is burning with desire to even his score with Chick, but in case the champ puts him, local fans will get their first look at the Secret's face. He has promised Promoter Lillard to unmask when and if defeated.

Shortstop Avery Waving Wand at .667 Clip in First Three Weeks' Action — Craters Lead Teams

Les Avery, Glendale shortstop, is the Southern Oregon league's leading hitter after three weeks of action, according to averages released today by Austin Prazier, secretary. Avery has bunched out six hits in nine trips to the plate for a mark of .667.

Al Drolette, Grants Pass first baseman, Dick Sakralda, Medford center fielder, Cliff McLean, Crater catcher, and Cottingham of Yreka are all batting at a .500 clip. Lefty Mike Koll, Crescent City pitcher, leads his team at bat with .400 and Lewis, with an average of .400 heads the Ashland Lithians.

The Medford club, league-leaders, are far ahead in the team batting race, having collected 39 hits in 112 times at bat for an average of .348. The Craters have also turned in six out of the 11 double plays.

Following are the team and individual batting averages for regulars hitting 300 or better in two or more games:

Firestone Gives You This High Quality Tire at This New Low Price

Because Firestone saves money by controlling and securing rubber and cotton at the sources and by more efficient manufacturing and distributing. These savings make possible extra values at lower prices. You get:

High Quality—First choice rubber and selected cotton that conform to Firestone's high standards and rigid specifications.

Long Mileage—Safe, silent tread design made of tough, slow wearing rubber that assures long mileage. Sturdy bars and rugged notches give protection against skidding.

Blowout Protection—Nine extra pounds of rubber are added to every 100 pounds of cord by the Firestone Patented Gum-Dipping process. Every fiber of every cord in every ply is saturated with liquid rubber which counteracts internal friction and heat that ordinarily cause blowouts.

Puncture Protection—Due to the Firestone patented construction of two extra layers of Gum-Dipped cords under the tread.

New Low Prices—Never before have all these safety features been combined in a tire priced so low. Don't take chances on your holiday trip. Come in today. Let us put a set of these large size, rugged, long wearing tires on your car—remember, you save 25%.
