The high-powered, run-crazy Medford Craters, undefeated league leaders, face a big Decoration Day weekend.

Sunday afternoon at the local high school park, Yreka, Calif., sends its Southern Oregon league team against the Craters in an encounter that has all the earmarks of proving much tougher than the respective standings of the two clubs would indicate. Other circuit encounters on that day, the fourth in the first-half pennant chase, sees Ashland traveling to Crescent City and Glendale to Grants Pass.

Wins Pole Post

Floyd Roberts, veteran of 22 years of racing from Van Nuys, Cal., won the pole position for the Memorial Day 300-mile speedway race in Indianapolis, with a record-breaking 21-mile qualifying run. Roberts is shown after he raced 135.506 miles an hour to qualify during the drizzling rain.

chard, the Craters clash with the powerful Weed Townies of the Northern California league in a special Decoration Day exhibition battle. The Townies are in third place in the aster circuit with one win and one loss. Both Sunday and Monday games start at 2:30 sharp.

Yreka, which has lost three straight games by close scores as the result of untimely errors in the clutch, will present a team strengthened by the acquisition of eight new ball players. League Secretary Austin Frazier announced today the Yreka management had notified him of the release of eight reserves and the signing of the same number of newcomers, most of them college ball players.

Ray Erickson, righthander, will probably open on the mound for the Craters against Yreka, with Cliff ("Chief") McLean back of the plate. Bill Ratke and Ed George, also righthanders, will be on call if needed, and one of the other will toe the slab against Weed, Monday. Lowell Brown, big southpaw, will be back at his first base post while a slightly sore shoulder receives a rest. Calvert and Acheson will probably alter-

TRIBUNE SHOOT IS SUNDAY HIGHLIGHT AT TRAP GROUNDS

Medford Mail Tribune trapshoot, one of the annual highlight events for local target shooters, will open with a big entry list at the airport grounds Sunday morning at 10:30.

Attractive programs were mailed early this week to all registered shooters in southern Oregon, with the result that mail entries commenced yesterday.

Among outside shooters will be Al Riehl of Portland, who will cashier the shoot, and John Camp of Corvallis, who arrived last night to do a little practicing before the big event.

On account of the promising attendance, cash optional entries were added to the program last night in addition to a generous collection of trophies. John Tomlin, present holder of the beautiful Mail Tribune trophy, will defend his possession Sunday morning. Klamath Falls shooters, for years anxious to take the Tribune trophy away from Medford, will be represented by a large delegation. A year's subscription to the Mail Tribune is awarded the winner, also.

The shoot will be an all-day affair, lunch being served on the grounds. The public is invited to attend.

FIGHT POSTPONED TO NEXT TUESDAY

NEW YORK, May 27.—(AP)—The welterweight title fight between Barney Ross, the champion, and Henry Armstrong was postponed until next Tuesday night, after Promoter Mike Jacobs received unsatisfactory reports on tonight's probable weather. It was the second postponement for the bout, originally slated for last night.

The weather showed some clearing tendencies at mid-day but additional showers were forecast. The scene of the bout, Madison Square Garden's bowl in Long Island City, was so thoroughly soaked after an all-night rain that it was in no condition to accommodate spectators tonight even if the skies cleared.

Ross and Armstrong, the negro challenger, planned to resume training this afternoon in a New York gymnasium, instead of returning to their camps.
