

# 1,194 MASHIEMEN TO VIE FOR PLACE IN U. S. OPEN PLAY

### Sectional Qualifying Trials Open Tuesday at 31 Points Throughout Nation — 141 Places Open

NEW YORK, May 27. — (AP) — A field of 1,194 golfers, including two-time former Champion Walter Hagen among the pros, and Walker cup alternates, Tommy Tallor and Don Moe, among the amateurs, will compete next Tuesday in sectional qualifying trials for the U. S. open golf championship.

Held at 31 points throughout the country, the 36-hole trials will qualify 141 survivors for places in the 170-man starting field of the championship proper at Denver, June 9-11. The other 29 places will be filled by Home Club Pro Harold S. Long and 28 of last year's 31 low scores, among them defending Champion Ralph Guldahl and ex-titleholders Gene Sarazen, Billy Burke and Sam Parks, Jr.

**Near Record List**  
These 29 bring the total entry list to 1,223, a figure bettered only in 1937, when the record was set at 1,402, and in 1936, when there were 1,277.

Hagen, who missed the open last year when Guldahl broke the record with his 72-hole total of 281, arrived in San Francisco from a world tour just in time to make his qualifying bid there. Battling him and his touring partner, were three of the noted Fry brothers, Dick, Earl and Mark.

Denver tops the sectional entry list with 127, 102 of them amateurs, but Chicago, with a far stronger field of 126, gets 16 places to Denver's 13. Playing at Chicago will be Horton Smith, Tommy Armour, Lawson Little, Willie Goggin, Dick Metz, Jock Hutchinson, Sr., British open winner in 1921, Jock Hutchinson, Jr., and Wilford Wehrle, western amateur champion.

**Ex-Champs Entered**  
In addition to Hagen and Armour, three other former champions are in the qualifying lists. Tony Manero, winner in 1936, will be one of 31 fighting for four places at Springfield, Mass.; Willie MacFarlane, 1925, will be one of 75 in the Metropolitan New York scrap for 10 places, and Olin Dutra, 1934, will be in the 114-man Los Angeles field. Los Angeles, with the third largest entry, was given 13 places.

Among Dutra's rivals at Los An-

gles will be Charley Lacey, low-scoring American in the 1937 British open, and George Von Elm, white Ben Hogan, Frank Moore, Jess Sweetser, four of the Furness, Craig Wood and Teller are in the New York group. Moe, the other Walker cup alternates, will make his bid at Portland, Ore.

**Other stars:** At Pittsburgh, Amateur Frank Souchak, the Pitt Panthers' great end; at Detroit, Al Watrous, Mottie Dutra and Amateur Melvin (Chick) Herbert, winner of the 1937 Michigan open with 268; at Seattle, Amateurs Scotty Campbell and Happy Glavin; at Denver, Amateurs Eddie Held and Rex Eaton; at Washington, D. C., Wiffy Cox; at Minneapolis, Movie Star and Amateur Richard Arlen.

Pairings for open championship sectional qualifying rounds Tuesday, May 31, at Waverly Country club, Portland:

Bobby Litton, Evergreen, G. C., Vancouver, Wash.; (A) Dr. Cliff Baker, Columbia-Edgewater, G. C., Portland, Ore.

George Rongerude, Peninsula G. C., Portland, Ore.; (A) Mike Montag, Columbia-Edgewater, G. C., Portland, Ore.

# The Grange

Griffin Creek Grange  
Tuesday, May 31, a special meeting will be held at Griffin Creek Grange.

Following business session, which will consist chiefly of conferring of degrees, there will be practice of drills and degree team work.

**Upper Rogue Grange**  
Upper Rogue Grange met May 19. Lecture hour was given before the meeting as the Boy Scouts helped with the program, and there was a large attendance of non-members.

The Boy Scouts presented their second court of honor. Their work was well done and impressive. Their new members received tenderfoot pins that night and three boys received second class pins.

Frank Hull, a Scout official was present and gave an interesting talk. Larry Schade, who accompanied Mr. Hull, also complimented the boys on their splendid work.

Rest of lecture hour represented "Mother's Day" and consisted of group singing readings, pantomime, solo by Miss Wanda Howe, and games.

The agricultural chairman announced that June 9 the agriculture agent from Medford will bring out squirrel poison. Everyone wanting this poison should be at the grange hall that morning between 8:30 and 9:00 o'clock.

Mr. and Mrs. Herb Carlton were voted delegates to the state grange at Klamath Falls.

Sunday evening a host of friends met at the grange hall, giving Mr. and Mrs. Paul Robertson a farewell party. They are moving to the valley in the near future and will be greatly missed by friends here. The evening was spent in games and visiting. Refreshments of ice cream and cookies were served.

The ladies are still ahead in the attendance contest. Vic Chapman won the package of seeds for bringing in the most sales slips.

H. K. C. met May 17 with large attendance.  
Plans were made to purchase sufficient material to finish the kitchen.

# FIRST BONNEVILLE LINE CONSTRUCTION SLATED

PORTLAND, May 27. — (AP) — The first construction line from Bonneville Dam—to supply power to Cascade Locks, first municipality apply-

ing for service—will be started June 1. U. J. Gendron, executive assistant of the dam administration, said yesterday.

# MARIAN McDUGALL IS 54-HOLE DERBY WINNER

SEATTLE, May 27.—(AP)—Marian McDougall, Portland, northwest golf champion, finished the annual 54-hole "derby" tournament of the Seattle Women's Golf association yesterday to win with a card of 238 strokes. She came in 10 under her nearest rival.

The handicap division was won by Miss Charla Ingner, Portland.

Closing time for Too Late to Classify Ads is 1:30 p. m.

# WHICH DO YOU USE?

THERE ARE TWO MOTORS UNDER EVERY HOOD — AVIATION ETHYL GIVES YOU THE ONE WITH MORE POWER THAN YOU DARED TO EXPECT

**ONE** that gives you all the power built in at the factory

**ONE** that takes the bills faster

**ONE** that is easier to handle in traffic

## GET THAT NEW MOTOR! FIND IT WITH ONE TANKFUL OF ASSOCIATED AVIATION ETHYL

Yes—it's as simple as that. Just switch to Associated Aviation Ethyl gasoline and discover a new motor, new power you never knew you had.

This true aviation fuel *proves* with a single tankful that it has more "get-up and go" than any other gasoline you have ever used.

That's because Aviation Ethyl (only aviation fuel for your car) is built after aircraft specifications. It mixes instantly and in scientific exactness with the air in your carburetor—the dry vapor gets to the cylinders faster in ready-to-fire form.

Once you have found the new motor this *different* gasoline gives you—you'll never go back to that old motor again. So switch to Associated Aviation Ethyl today.

To be doubly sure you get every last bit of power—have your car Motor-Checked. Your car dealer—properly equipped garages—and your Associated Motor-Check Station can all give you this factory-recommended service. Ask your Associated Dealer about it.
