

### PROBE OF PROPAGANDA AWAITS SELECTION OF COMMITTEE IN HOUSE

WASHINGTON, May 27.—(AP)—A broad investigation of un-American propaganda in the United States will begin as soon as Speaker Bankhead selects a seven-member committee of house members for the task.

The house shouted its approval of the inquiry yesterday in adopting a resolution by Representative Dies (D., Tex.), although criticism and

derision came from some representatives.

The resolution did not specify the groups to be investigated. Dies, however, spoke of "shocking" information about the Nazi movement in proposing the investigation, and others mentioned fascists and communists.

Representative Maverick (D., Tex.) opposed the inquiry as an "entering wedge to religious persecution." Representative Knutsen (R., Minn.) termed it a means of providing "certain congressmen room and board for the summer."

Dies said he had seen affidavits "signed by supposedly reputable people charging that in one of the principal Nazi camps only recently a speech was made by one member of the band advocating the assassina-

tion of the president of the United States."

#### Nazarene Church Bible School To Open Wednesday

The Church of the Nazarene is sponsoring a daily vacation Bible school beginning Wednesday, to continue to June 17. Sessions will be from 9 a. m. to 12 noon, Saturday and Sunday omitted. Ages will range from 5 to 14 years.

Miss Helen Wilson will supervise the school, assisted by an able corps of teachers trained for the work. Miss Wilson, who has been teaching in the public schools for the past two years, and is elected to a principalship next year, has had previous experience in Bible school work. She is a graduate of the Medford high school and the Southern Oregon Normal school.

All boys and girls are eligible and are afforded a splendid opportunity for instruction in a standard daily vacation Bible school.

The school, designed to be interesting as well as instructive, will cover several phases of Christian training including good morals and ethics, Bible drill, music, play and handwork.

### NEGRO SUSPECT HELD IN RAPE AND MURDER OF FIREMAN'S WIFE

CHICAGO, May 27.—(AP)—Mrs. Florence Johnson, 34, wife of a city fireman, was raped and brutally beaten to death early today by a negro who entered her south side apartment through a window.

Her body was found on the bedroom floor with a paving brick written by.

Her sister, Miss Margaret Witten, 28, who was sleeping in an adjoining room, said she saw the negro scurrying through the hallway and jumped out of a window.

A few minutes later police seized a negro near the building. He identified himself as Thomas Crosby, 18, an automobile washer, Sgt. Harold Fogarty said Crosby's hand bore scratches and his clothing was blood-stained.

Dr. F. K. James said Mrs. Johnson was criminally assaulted and that death was caused by a skull fracture.

The man entered the apartment through the window of the Johnson children's bedroom which is only a few feet away from a railroad embankment. The children, Kenneth, 5, and Florence, 3, were not awakened.

Sgt. Fogarty said Crosby would be questioned about the slayings of Mrs. Florence Castle Thompson, 24, and Miss Anne Kuchta, 19.

## Put on the Jelly Kettle!

# STRAWBERRIES ARE CHEAP!

AND CERTO CUTS BOILING TIME TO 1/2 MINUTE FOR JELLY... ONE MINUTE FOR JAM!

No "Boiled-Down" Taste to Jams and Jellies Made This Easy Way... With Certo!

Now's the time to stock your jam cupboard full of the delicious jams and jellies your family loves!

And with Certo you boil your fruit juice only 1/2 minute for jelly—one minute for jam! The whole job takes less than 15 minutes after your fruit is prepared. That short boil saves the original flavor of the fresh fruit, too. None of the flavor has a chance to escape in steam.

**ALL FRUITS JELL PERFECTLY!** You never need to worry about failure when you use Certo! Even hard-to-jell fruits like strawberries and pineapple jell perfectly always!

**SO MUCH MORE JAM AND JELLY!** During that extremely short boil, no juice boils away. So you average 11 glasses instead of 7—half again more than you would get by the old-fashioned long-boil method.
