HELP KIDNEYS PASS 3 LBS. A DAY

Doctors say your kidneys contain 15 miles of tiny tubes of filters which help to purify the blood and keep you healthy. Most people pass about 3 pints a day or about 3 pounds of waste. Frequent or scanty passage with smarting and burning shows there may be something wrong with your kidneys or bladder. An excess of acids or poisons in your blood, when due to functional kidney disorders, may be the cause of nagging backache, rheumatic pains, leg pains, loss of pep and energy, spots on the face, swelling, puffiness under the eyes, headaches and dizziness. Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

Wall St. Report

NEW YORK, June 2.—(AP)—Late buying in utilities awakened a sleeping stock market today and selected issues after succumbing to earlier profit selling, got back on the rallying trail for net gains of fractions to a point or so. There was an assortment of losers, however, at the close. The list extended Wednesday's upswing at the opening, but soon met sufficient offerings to take the steam out of leaders. Initial advances were as the session progressed. Volume picked up in the final hour when quotations were stiffening. Transfers were around 500,000 shares. The Grange

Sams Valley Grange Grange will meet June 4 and a good attendance is desired as the meeting is set for election of an alternate delegate to the state Grange session at Klamath Falls. Memorial services were held the second meeting in May honoring the members deceased since organization of the order. The following members assisted: Mrs. Maud Grant, Mrs. R. E. Nealon, Mrs. H. Dramatic Role

As Pickle Bisby, Andy Devine has what is probably his finest characterization, and one that adds greatly to the entertainment of "In Old Chicago," the spectacular drama now showing to capacity crowds at the Craterian theater, where it plays until Saturday night.

Romantic Team

As poignant as "Stella Dallas," with the dramatic punch of "Dead End," and yet containing a refreshing slant of its own, "King of the Newboys" comes to the Rialto theater as the companion feature with Charles Starrett in "Call of the Rockies." Lew Ayres and Helen Mack have the romantic leads in the dramatic hit, and other members of the cast include Alison Ekipworth and Marjorie Main (the mother of "Dead End"). Ayres plays the title role as the young son of the slums who rises to importance.

as the closing number. During suggestions for good of the order Mr. and Mrs. Foley complimented the Grange on the program made on the new hall. The chairman of the ways and means committee advised a card party for raising funds would be given in the near future. Members expressed themselves as eager to see the drill team active again. Refreshments were served by the Duggan family.
