

Ashland Will Invade Crater Bailiwick Sunday for Crucial Battle

ASHLAND OUTFIT SEEKS REVENGE FOR TROUNCING

Visitors Reinforced by College Players — Grants Pass to Journey to Crescent — Glendale at Yreka

Where They Play Sunday, Ashland at Medford, Grants Pass at Crescent City, Glendale at Yreka.

Southern Oregon league's bitter first-half pennant race will produce three crucial battles Sunday, with the trio of first division clubs swinging desperately in an attempt to remain in the wild, "toes-up" stretch drive.

Medford and Grants Pass, tied for the lead with four wins and one loss, face Ashland and Crescent City, respectively, and from past performances our Craters appear to have the post position. Tied with Yreka for the bottom rung with one victory in five starts, Ashland apparently hasn't what it takes to halt the Medfords in their pennant surge, but neither did Yreka two weeks ago—and the score was 12 to 8, Yreka. Taking no chances on the possibility of another upset, Manager Wally Bickert said today that Lowell Brown, big left-hander who has allowed only one run in 19 innings, will do the Medford pitching against the Lithians. It will be Brown's first start before a home-town audience.

Opposing the Medford ace will probably be either Clay Lewis, six foot, six inch right-hander, or Johnny Shonaker, Manager Jack Baulding's Ashland club has been strengthened by the acquisition of Pat Patterson, Oregon State college first baseman, and Al Simpson, University of Oregon catcher. And the Lithians are seething with the desire to get revenge for the bad treatment they took from the Craters in the league opener. They are plenty dangerous.

Grants Pass travels to Crescent City, but unlike Medford, the Climate club must face a team only one game out of first place and red-hot after the pennant race. In second position with three wins and two losses, will start Lefty Mike Koll on the rubber, while Manager Jud Pernoll of Grants Pass will send Steve Crippen, undefeated right-hander, to the box for his team. Glendale, winners of two games and losers of three for third place, must beat Yreka Sunday to retain a fighting chance at the flag. Merle Johnson will pitch for the Loggers; Bennett for the Californians.

After Sunday, only two games will remain in the first-half race. A defeat for either of the leaders at this time will mean probable curtains so far as pennant aspirations are concerned.

One of the year's largest crowds is expected to witness the Medford-Ashland encounter, bringing together the most bitter rivals in the circuit. The Craters will work out this afternoon at the high school park, starting at 5 o'clock.

LONG SHOT PLAYERS GARNER \$394 FOR \$2

AGAWAM, Mass., June 10.—(AP)—Oenwick, longest shot in the history of the Agawam Park race track, came galloping home to win by a length in the first race Thursday afternoon to pay \$394.80 on a two-dollar ticket and to help create a new daily double pay-off record for the track of \$3,258. Coupled with the favorite Good Dame, in the second half of the double, the combination brought two ticket holders \$3,258 each. Gemwick, against which the odds were 106 to 1, is owned and trained by J. Skarbek.

In Timber Togs

Yes, it's Sockeye Jack McDonald (above), dressed and ready to attack some tall timber. Next Monday night in the armory, the ex-logger attacks in their pennant surge, but neither did Yreka two weeks ago—and the score was 12 to 8, Yreka. Taking no chances on the possibility of another upset, Manager Wally Bickert said today that Lowell Brown, big left-hander who has allowed only one run in 19 innings, will do the Medford pitching against the Lithians. It will be Brown's first start before a home-town audience.

Medford Riflemen To State Matches

A squad of small-bore riflemen from Medford will invade Clackamas, Ore., this week-end where the Oregon State Rifle and Pistol association small-bore matches for the state championship are to be held on Saturday and Sunday. Among those attending are Mr. and Mrs. S. M. Tuttle, Mr. and Mrs. Ivan Waddell, Ed Lall and Lew Conger.

JUNIOR CRATERS PLAY AT PROSPECT SUNDAY

Medford's Junior Craters travel to Prospect and Gold Hill goes to Talent Sunday as the Jackson county league enters its third week of action.

Manager George Harrington said today that Ray Erickson, right-hander, would be on the mound for the Junior Craters. He will probably be opposed by "Skippy" Wilson, brilliant Prospect youngster.

BEND CLUB PRESIDENT SETS PRACTICE PACE AT STATE TRAP MEET

BEND, June 10.—(AP)—Dr. J. C. Vandevort, president of the Bend Trap club and acting president of the state association, set the pace yesterday for western America marksmen competing in the state trapshoot by turning in a perfect score in practice. Secretary of State Earl Snell officially opened the shoot by shattering the first target released. He broke 97 of 100 trapped, one of the best marks of the day.

MRS. BUNCH BOWS TO MISS VEATCH

PORTLAND, June 10.—(AP)—Don Moe and Dr. O. P. Willing, Cliff Polen and Harold Alvador, two veterans and two youngsters, emerged winners yesterday in the championship flight of the Oregon state golf tournament.

Moe, state champion and Walker cup team alternate, eliminated Eddie Hogan, Lloyd's 2 up. Dr. Willing, Walker cup player, put away Bill Prantiss, Peninsula, 4 and 3.

Defending the crown she won last year, Marian McDougall, Waverley, played steadily to defeat Mrs. A. C. Mural Veatch, Alderwood, former western junior and Washington junior titlist, eliminated Mrs. F. O. Bunch, Medford, after being two down at the turn. Miss Veatch finished 1 up. She will meet Miss McDougall today, while Miss Iginer will match Mrs. B. E. Eva, Columbia-Edgewater, former state champion. Callan, Portland, 3 and 1.

Charla Iginer, Portland, medalist, continued to shoot sub-par golf in beating Mrs. Mac-Wilkins, Portland, 7 and 3. Miss Iginer finished one under women's par.

Billy Hulen says:

Seattle Signs Another Young Mound Wonder

The amazing success of Freddy Hutchinson, Seattle's "boy wonder" pitcher who has been standing Pacific Coast league clubs on their collective craniums,

has apparently put ideas in the heads of Owner Emil Sick and Manager Jack Levitt of the Rainiers.

With Hutchinson proving there is such a thing as a mere 18-year-old stepping right out of high school and going great guns in double-A baseball, Sick and Levitt have been keeping eagle eyes

peered for any more of those fellows who might be running loose in the bush.

It appears they have bagged another such boy, or rather, a youngster whom they sincerely hope will turn into a hurler of that calibre.

He is Glenn Elliott, the sensational Myrtle Creek high school southpaw whose chief bid for fame this year was a no-hit, no-run game he pitched to give his club the Douglas county prep pennant. Only 18 years old tall and lanky and possessing a remarkable curve ball and a fair fast one, the youngster will receive a month long tryout with the Seattle club, starting in about two weeks, so he told Crater players last Sunday at Glendale. All his expenses will be paid while he shows the Coast league team what he's got.

Elliott is on the roster of the Grants Pass Merchants of the Southern Oregon league, and worked part of the game here against Medford, May 15, but according to a letter received yesterday by League Secretary Austin Frazier from Business Manager Fred Roper of the Merchants, Elliott desires to cast his lot with Glendale. He was in the stands at Glendale Sunday.

Roper, according to Frazier, has accused Glendale of attempting to entice the southpaw away from Grants Pass with an offer of a job paying such and such an amount and so much do-or-else per game, with a neat little bonus for every one he wins. Roper has appealed his case to president of the league, Don Provost of Ashland, and Secretary Frazier, asking them to prohibit Elliott from signing with any other circuit club because of the fact that he is already listed on the Merchant roster and has already pitched for the Merchants.

Roper also explains that a job is awaiting Elliott in Grants Pass whenever he appears to claim it. Provost and Frazier, after considering the matter, have informed Glendale that Elliott must wait one month before seeing his first action with the Loggers. The league rules state that a player performing for any league team cannot jump to another team unless he gets a written release from his original club manager, or takes up bona fide residence in the second town for whom he wants to play, after which he must wait ten days before playing.

Pitching staff of the Medford Craters was reduced to two this week when Manager Wally Bickert released Ed George, right-hander. The action left the Craters with Lowell Brown and Bill Rathke, with Ray Erickson sub-

ject to recall at any time from the Junior Craters. With George's release, the Crater squad was cut to 11 players, much more widely than it had been.

Like a look at next fall's University of Oregon varsity football team? Well, here it is, as tentatively released yesterday by Coach Tex Oliver after nine weeks of spring practice. Larry Lance and Vic Reginato at the ends; Merle Peters and Elroy Jensen, tackles; Nello Giovanni and Mel Passolt, guards; Jim Cadenasco, center; Hank Nilson, quarterback; Duke Hankinson and Ted Gebhardt, halfbacks; and Paul Rowe, fullback.

Sharing duties with Gebhardt, the squad's most versatile back will be Roy Smith and Dave Gammon. Oliver told the Eugene Register-Guard, they will perform at the right halfback position. Jay Graybell is one of five left halfbacks who will see heavy service—Hankinson, Jimmy Nicholson, Anderson and Jim Stuart.

Nothing is definite yet, but Promoter Mack Lillard may take his grapples out of doors right after the Fourth of July, opening up at the high school stadium. The grapplers will take a couple of weeks off the Monday before and on July 4, and Mack is thinking seriously of starting things anew in the open air under the stars. It was pretty warm in the armory last Monday night, and it's due to get no better fast.

PICARD AND HINES LEADING IN OPEN

DENVER, Colo., June 10.—(AP)—Slightly groggy but still in there punching, golf's bigwigs and less noted members of the clan let loose their best shots today in another bout with par which brought the national open championship through the second round.

When the bombardment ceased nearly two-thirds of the field was slated to takeheat last long trek to the sidelines of the biggest golfing show of 1938.

The 60 low scorers and ties remained to fight it out in the last 36 holes tomorrow.

Pace setters Henry Picard and Jimmy Hines teed off in an easier frame of mind than many of their five-star competitors. Each knocked out a first-round 70.

Picard clubbed his sub-par effort into the records with a 36-34. Hines repeated the figures for the same total.

The opening favorite, Sam Snead of West Virginia, bobbed up with a dismal 77. Harry Cooper was not any too well off, starting off with a 78. Five important men in the divot chopping practically clubbed themselves out of contention with open-swing day scores as high as this Rocky Mountain links rendezvous: Read 'em and weep: Horton Smith, 80; Ky Laffoon, 81; Jimmy Thompson, 82; Bobby Cruickshank, 83; Sam Parks, 1935 champion, 85.

HELEN MOODY SQUARES WIGHTMAN CUP MATCH

WIMBLEDON, Eng., June 10.—(AP)—Helen Wills Moody, flashing streaks of her old-time form, today defeated Margaret Scriven of Britain, 6-0, 7-5, to square the United States-Britain Wightman cup standing at 1-1. Previously, Alice Marble had lost to England's southpaw, Kay Stammers, 3-6, 7-5, 6-3. After breezing through the first set in 14 minutes, Mrs. Moody, who never took off her sweater and went to the net just once, won the second, after trailing at 3-4. Though Miss Scriven was a gallant retriever, she was out-classed completely and, once Mrs. Moody decided to put on the pressure, never had a chance.

PRITCHETT STAGES BATTING SHOW TO WIN FOR MURRAYS

Games Tonight Division A Piche vs. Timber Products, 8 p. m. Jennings Tire vs. Catholic Men, 9 p. m. No Division B games.

Charlie Pritchett staged one of the best one-man hitting shows of the year last night to lead Murray's Maid-Rite in their 11 to 1 Division A softball victory over Lampports. The big first-batter belted a homer and two triples in four trips to the plate as the sandwichers landed on Don Monteith for 10 solid base-

knocks. Ken Leavitt, Maid-Rite speed-batter, limited Lampports to three safeties, all of which were garnered by Third Baseman Bish.

In the other Division A encounter, Steiner pitched the Wooden Boxmen to a shutout victory over Office Boys, allowing only two hits and striking out 14. The score was 10 to 0.

Gasco beat Lewis Super Service in the lone Division B game played, 10 to 7. Maruyama and Hammond pitched for the winners and Rutledge and Besale for the losers.

Division A scores: R. H. E. Maid-Rite..... 11 10 5 Lampport's..... 1 3 5 Leavitt and J. Gitzen; Monteith and Gillespie.

R. H. E. Office Boys..... 0 7 1 Steiner and Wilson; Colton and Luman, Lennard.

LAKES OFFER BEST WEEK-END FISHING, SURVEY DISCLOSES

The following recreational bulletin was issued today by Rogue River national forest headquarters: "Lake fishing should provide the best fishing over the week end. Good catches have been reported at Diamond lake, Fish lake, but Lake of the Woods still has too much water for good fishing.

"All the roads in the Butte Falls district are open with the exception of the Parker Meadows road near the south fork of the Rogue river. The road to Blue Rock is open to the summit.

"It is reported that lakes in Blue Canyon are still covered with ice. Limit catches are still being made at Squaw lake.

"Beaver Creek road is closed at a point near Chappell Springs. Ashland Peak road is open to a point two miles above Bull Gap. All of the Applegate campgrounds are open for use.

"The main highways in the Union Creek district are open but most of the forest roads still remain closed. Forest camps below Diamond lake junction are all usable but camps above that point still have considerable snow.

"Boating at Lake of the Woods is considered very good. Due to the high water the lake is now much larger than it is during the summer season. The road to Lake of the Woods by way of Deadwood ranch is not open. The mosquitoes are numerous at the lake.

"The forest areas at the lower elevations are considered very dry and are should be taken with fire. Camp fires should not be left unattended.

A federal commission to standardize prices of farm products throughout Mexico has been set up by presidential decree.

M'DONALD, CHICK BOTH CONFIDENT OF GRAPPLE WIN

Sockeye Jack McDonald, slugging ex-logger from Seattle and Cowboy Dude Chick world's junior heavyweight champion, are both coolly confident of victory in their gigantic, no-time-limit finish grappling match at the Medford armory next Monday night.

McDonald, who has twice battled the champion to tip-throwing draws, came out flatly with the statement that he would beat Chick "with a right hand" if he battled to a finish. The Cowboy, just as certain of winning, told Promoter Mack Lillard he was confident he could spin Sockeye into oblivion if given enough time to set him up.

So, both boys got their chance to prove their prognosticating ability Monday night as they go to the post for the third time. Their first battle, back in January, ended with neither able to obtain a tumbler. The likes of that terrific match had never been seen before in Medford—until last Monday night, when they again fought to a savage deadlock in 60 minutes. The second epic, however, saw each grab one fall, and the unanimous opinion among fans who witnessed the clash is that it was the mightiest, toughest and most brutal exhibition of the game ever displayed here.

In the middle event, Arm-Breaker Floyd Britt will face Cy Cox of Ft. Worth, Texas, a clean and scientific newcomer, and in the opener, Black Secret, already unmasked twice, will attempt to keep his mask intact against Tony Morrell of Michigan, another newcomer and reputedly a rough and tough customer.

Toy Aho of Finland, a grappler, will act as third man in the ring as Earl Yeakley enjoys his first Monday night off in many months. Promoter Lillard said next week's card would not be "ladies night."

INFANT ANTELOPE TO NEW REFUGE

PORTLAND, June 10.—(AP)—Twenty-four baby antelope, wards of struggling CCC rangers since their capture shortly after birth on the Charles Sheldon antelope refuge on the Nevada-Oregon line, were en route today to Vantage, Wash., to establish a new herd, the biological survey said.

The fleet youngsters, their legs taped and their bodies enclosed in sacks to prevent injury, will be fed milk from bottles for another six weeks.

Another shipment of 24 young antelope, captured when but a few hours old because nothing slower than a good automobile could catch them later, will be sent to the Valley of Fire, near Las Vegas, N. M., next Monday to find another herd.

The oldest part of North America, the first to be elevated above sea level, is the northeastern section.
