SPORTSMEN URGE GAME EXHIBIT AT FRISCO FAIR CUT

PORTLAND, June 11.—(AP)—Protests of Oregon sportsmen influenced the state game commission today to limit its appropriation for a San Francisco fair exhibit to \$5,000. Decision was made to spend no more than that amount to send animals and fish to the exposition.

C. T. Hans, chairman of the Oregon committee in behalf of the exhibit, pleaded for a much larger appropriation, arguing that the benefits in advertising warranted a more lavish exhibit. The commission had been expected to pay \$50,000 toward an Oregon exhibit.

Now that a dozen letters protesting the diversion of funds were received from sportsmen's organizations who argued that state game fund money was only for fish and game propagation, W. J. Smith, president of the Oregon Wild Life federation, Ed Brockman, representing the Multnomah Hunters and Anglers club, and Francis Lambert, well-known sportsman, appeared personally and protested. Commissioner Lew Wallace suggested the proposed diversion of game funds for a fair exhibit should be put up to a special session of the legislature.

Pending a conference with the U. S. biological survey, the commission tabled a proposal to establish an open season on band-tailed pigeons, the claim being made that the birds were so numerous they endangered fruit crops.

JOE-MAX BATTLE IN FALL IF TIED

SPECULATOR, N. Y., June 11.—(AP)—There is a possibility Max Schmeling and Joe Louis may meet for a third time in one of the New York ball parks early in September.

Mike Jacobs, who is staging the June 22 heavyweight title tilt between Schmeling and the brown bombing champion, visited the Dutchman's camp today and announced both principals have agreed to a third meeting which has month's battle to the 15-round limit.

"It's entirely up to me," said Jacobs. "If the coming bout goes to a decision and is a close, sensational battle, my plan now is to throw them against each other in September. If the fight is decided by a knockout or is one-sided and not a crowd pleaser, I will put the winner against Max Baer in September."

CHAMPION COMES FROM REAR TO OVERTAKE METZ

Zimmerman, Portland Dark Horse, Game But Unable To Stand Pressure At Finish.

DENVER, June 11.—(AP)—Ralph Guldahl, burly Texas-born professional from the Braidsburn club of Madison, N. J., today won the American open golf championship for the second straight year with a smashing last-round comeback. He spread-eagled the field with a final 69, two under Cherry Hills' par for a 72-hole total of 284 to become the first repeater since Bob Jones did it in 1930.

Guldahl, trailing handsome Dick Metz of Chicago by four full strokes at the close of the third round this morning, came from behind with an electrifying finish to prove himself every inch a champion.

The victorious total comprising successive rounds of 74, 70, 71 and 69, was three strokes short of the world record he set for major open championships in capturing the title at Oakland Hills for the first time with 281, but he won today by a much more impressive margin—six strokes.

This was the biggest winning margin in 17 years of U. S. open championship history or since 1921, when Long Jim Barnes finished nine strokes in front of Walter Hagen at the Columbia club, Chevy Chase, Maryland.

Metz, who looked like the winner when he led Guldahl, 211 to 215 at the 54-hole mark, participated in a general blowout that blasted the chances of all but the defending champion. Metz finished second as he staggered to the finish with a last round 79 for a total of 290.

There were only four contenders with a title chance when the surviving field of 60 began the last round, after Henry Picard, the Hersey, Pa. star, had fallen abruptly from the pace-making position with a third-round 77.

Besides Metz and Guldahl, the quartet of potential winners included long-writing Jimmie Hines, metropolitan New York open champion, and Emory Zimmerman, the slender 28-year-old "dark horse" from Portland, Ore., but the pressure quickly caught up with and disposed of all but the champion.

Hines folded quickly and wound up with an 83 for a total of 297. Zimmerman hung on longer, showing his gameness under fire, but the youngster from the Pacific northwest finally added to a 78 for a total of 294, ten strokes behind the winner.

Meantime Guldahl, having rated himself exactly four strokes off the pace for three successive rounds, with par under control and his best shots muffled to give it a beating if necessary, overtook Hines on the second hole of his final round. He caught up with Metz at the fifth and also shook off Zimmerman's challenge.

The issue, to all intents and purposes, was decided on the fourth, fifth and sixth holes. In that short stretch Guldahl picked up five strokes on the faltering Metz and three on Hines. The champion shot 4-4-2 on these holes against par of 4-5-3. Big Ralph Cooley dropped putts of 15 and nine feet for his birdies on the fifth and sixth.

Guldahl went on to the turn in 84, one under par. He had picked up no less than seven strokes on both Metz and Hines and four on Zimmerman. From there on only a crackup by the champion himself could affect the outcome. He never displayed the slightest trace of even bending under the pressure as a swarming crowd of nearly 10,000 spectators saw him march through a shower of rain to victory.

Scores of Pacific Northwest entrants: Emory Zimmerman, Portland, 148-73-78-294; Neil Christian, Yakima, 155-79-74-308; Al Zimmerman, Portland, 153-74-72-300.

TILLAMOOK SHOOT STATE 'A' CHAMP

BEND, June 11.—(AP)—Frank M. Troeb, Portland's veteran trapshooter and state doubles champion, shot a perfect 50 as the state trapshoot entered the third day of competition with a record number of competitors blasting away at the pigeons.

Continuing as the dark horse of the shoot, E. M. Condit, Tillamook, won the "A" championship 200-bird event in a shootoff with Carsten, the California 16-yard champion. Each had scored 199 in the regular event.

G. Bradley, Pendleton, was crowned class "B" champion, scoring 197, while N. wife, La Grande, with 193, won class "C" honors. A. L. McKee, Amity, was the class "D" winner with 192.

BROWN ON MOUND, SMITH AT FIRST, FOR LITHIA GAME

With big Lowell Brown, undefeated and brilliant southpaw pitcher facing them over and Bob Smith, star of last year's team stationed at first base after a great season with the University of Oregon varsity, Medford's crashing Craters move against the Ashland Lithians today at the high school park as the Southern Oregon league first-half pennant race roars into the stretch drive. The game is called for 2:30 sharp.

It will be Brown's first starting assignment in the local ballpark this season, Manager Wally Rickert giving him the nod because of unquestioned strength of the revived Lithians, aided by the acquisition of Pat Patterson, Oregon State college first sacker and Al Simpson, Webfoot catcher. In 1919 Indians of league toll so far. The Medford left-hander has allowed only eight hits and one run, winning two games in as many starts.

With the return from Eugene of Bob Smith, a power hitter from the left side of the plate and a sweet fielding first baseman, Boss Rickert will send a slightly re-arranged Crater lineup into action. Tommy White, the great-looking youngster who has been spotted at first when Brown pitches, will move into right field. Hooper Hoffman will shift to left, and Billy Calvert will pair the center pasture. Dick Sakralda, on his vacation, will be among those absent.

Remainder of the league-leading Craters will be the same—Cliff McLean will receive Brown's blazing curve ball, Manager Rickert will be on second, Dick Lewis at short and Arba Ager on third. Bill Rathke, righthander, will be held in reserve. Luther Elrod, Rathke's brother-in-law and a catcher who reportedly batted .710 in 16 games in the middle west last season, will be in uniform.

Toeing the pitcher's rubber for Manager Jack Building's Lithians will be either Clay Lewis, six-foot-five-inch righthander, or Johnny Schonacker, another starboard flinger. Ashland, although sunk in the league basement with Yreka, is expected to present a hard-choutstop; Patterson, first base and Parker Hess, third base, the ball-playing cop. With peppy Al Simpson doing the catching, George Gitzen, St. Mary's high of Medford youngster, will serve in left field.

Counting today's loop, encounters, only three remain in the first-half regatta, Medford and Grants Pass are deadlocked for the lead with four victories and one loss, Crescent City holds down second position with three and two, Glendale is in third with two and three, and Ashland and Yreka, are tied for the cellar with one and four. Other games see Grants Pass at Crescent City and Glendale at Yreka.

Manager Rickert believes the Craters will prove exceptionally tough against the right-handed pitcher, what with five of his batsmen swinging from the south side of the plate. Hoffman, White, Smith, Brown and the manager, himself, all swing left-handed, and Hooper, Tommy and Rickert are far over the 300 mark. Smith is playing in the outfield for Howard Hobson's Webfoots, smashed several home runs this spring and was one of the club's leading hitters.

The game today may see Medford take over the undisputed league lead if Lefty Mike Kill of Crescent City beats Grants Pass and Brown sends Ashland, the Craters will move into the front spot alone. However, a defeat for Medford and the Grants Pass victory will reverse the situation, and if Crescent City and Ashland both win, the race will be knotted in a three-way tie.

Leland Clark shot a brilliant 137 for 36 holes at the Rogue Valley Golf club yesterday in qualifying rounds for the eight-man Medford team which travels to Eugene, July 10, to participate in a state-wide team tournament. Clark burned up the first 18 holes in 68, two under par, and

shot a 69 on the second 18 for his three-under-par total.

Only other golfer to turn in a qual only score was Bob Hammond, with a 74-76-150. Remainder of the qualifying rounds will be played today, with the 10 low gross scorers earning berths on the team, two of them being apares.

RED ROOKIE HURLS NO HIT-RUN GAME AGAINST BOSTON

Vandermeer Enters Of Fame By Pitching Classic—Cards-Giants Tie.

CINCINNATI, June 11.—(AP)—Young Johnny Vandermeer, the Cincinnati Reds' 23-year-old southpaw from Jersey, pitched himself into baseball's hall of fame today with a no-hit, no-run performance against the Boston Bees.

In his first full year in the major leagues, the six-foot, 190-pounder hurled as fine a ball game as any veteran could have done. He has won six and lost two.

Only 28 men faced him, and only three reached first base, all on walks. Nong got past first base as he came in with a 3-0 victory, the first National league no-hit nine-inning job since Daffy Dean turned the trick back in 1934, and the first southpaw to accomplish the stunt in the major since Bob Burke did it for Washington's Senators in 1931.

"Gee, I had no idea of pitching a no-hitter," Vandermeer told his mates. "My arm felt better as I went along, and I bore down harder, particularly in the late innings."

He retired the first nine men to face him, lost momentary control of his fast ball in the fourth and fifth and then breezed in by finishing off the final 13 Boston batters in a row. He fanned four.

Vandermeer's no-hitter is the only one in the major league books so far this season.

DR. WILLING WINS STATE GOLF TOGA

PORTLAND, Ore., June 11.—(AP)—Firing an eagle three against his opponent's birdie four, Dr. O. F. Willing, former Walker cupper, won the Oregon golf championship today on the 37th hole from Harold Salvador, Portland youngster.

The veteran doctor, who this year regained a title he won several years ago, led Salvador 4 up at the end of the first 18 holes but the youngster, making a fine comeback over his home course, Columbia-Edgewater, squared the match at 36 holes.

On the long, par 5 first hole, Willing dropped an eagle three to win 1 up over Salvador's first birdie four. Salvador thus lost his second chance for the tournament, having been runner-up last year to Don Moe, Portland, who was defeated yesterday by Willing.

In the women's championship, Mrs. B. E. Eva, Portland, shooting par golf, 78, on the first 18 holes, gained a six up lead over Muriel Vesth, Longview, Wash., high school player, and went on to victory, 6 and 5. The Longview youngster, making her first bid for the title, conquered her unsteadiness in the afternoon and played Mrs. Eva stroke but she could not overcome the morning deficit.

BATTLE TO FINISH TWIXT CHICK AND SOCKEYE EXCITES

The Cowboy Dude Chick-Sockeye Jack McDonald question of superiority will be answered definitely, and at local last, tomorrow night in the local armory.

After battling each other into bruised and battered hulks on two separate occasions, both of which ended in draws after 60 minutes of savage action, the pair clash in the main event in a no-time-limit, finish match.

There won't be another draw decision tomorrow evening. There can't be. Both boys will stay in there and wrestle until one or the other pounds out two falls. It may take less than one hour or the brawl may last all night, but regardless of the time involved, either McDonald, the huge right-hander, or Chick, world's junior heavyweight champ, will leave that heavy circle the victor. It can't be otherwise unless, of course, they pull one of those double knockout things, or the armory roof falls in and halts the embroglio.

Even if the roof should come crashing down, the effect would probably be no more devastating than what this third McDonald-Chick grapple is almost a cinch to produce. They have fought exactly two hours, to date, and the sum total of their colossal efforts has been a mere one fall apiece, garnered last Monday night in the most stupendous exhibition of brutality and plain and fancy wrestling-slugging yet witnessed in this village. Their other match, last January, ended with neither having a tumble.

Sentiment among Medford's wrestling gentry is about evenly divided, regarding the outcome, with any slight edge going to the champion because of his payoff larrikin spin and physical condition for a finish match. However, McDonald is not lacking in supporters, many white-hot fans claiming nobody, not even the world's champ, can stand up for long under the terrific barrage of right hands that Sockeye has promised to throw at Chick's chin. As for condition, McDonald claims he is in top shape right now and can go as long as Chick.

In preliminary matches to the main go, Promoter Mack Lillard has signed Cy Fox of Port Worth, Texas and Floyd Britt for the middle affair, and the Black Secret and Tony Morrell of Michigan for the opener. Fox, a clean wrestler and Morrell, not so clean, will be making their first showings in southern Oregon. Both these matches will be under the Australian system of six 10-minute rounds or two falls out of three.

NEW YORK, June 11.—(AP)—New leaders hit the top of each major league this week, in a general shake-up of the batting standings.

Earl Averill, Cleveland's clouting outfielder, collected 11 hits during the seven-day span, and, with a .371 average, passed his teammate, Hal Trosky, to take over the No. 1 slot in the American league.

Biggest gains of the week among the leaders were by Jimmy Fox, the Boston Red Sox's crack first-sacker, and Bill Phelps, Brooklyn's pudgy catcher. Jimmy double-x banged out 13 hits in 27 chances, lifting his average to .359 for third place in the American league. Phelps hit safely nine times in 19 chances, which boosted his mark 31 points to .357, for sixth place in the senior circuit.

WASHINGTON CREW FACES HARD TEST

SEATTLE, June 11.—(AP)—University of Washington rowing crew leaves Seattle for Poughkeepsie, N. Y. Monday to defend three national championships on the Hudson river without knowing whether they can row the four-mile racing distance.

Rough water on Lake Washington the past week has kept the Husky varsity and junior varsity boats from taking a four-mile trial. It is the first time Washington crews have departed for the east without getting in the long practice spin.

The Huskies leave Monday night after one more workout that day. The coach said it would be a short exercising drill before loading the shells in a horse car.

The three crews stop off at Madison, Wis., for a racing regatta with the University of Wisconsin, arriving next Thursday.
