WPA WILL PURCHASE CLOTHING FOR NEEDY

WASHINGTON, June 14.—(AP)—Harry L. Hopkins, works progress administrator, announced today WPA would buy \$10,000,000 worth of surplus stocks of men's, women's, and children's clothing for distribution to persons on relief. The clothing, he said, would be bought from manufacturers in all parts of the country wherever immediate delivery can be made. It will be distributed by state departments of public welfare. Hopkins said the program would result in immediate stimulation of employment in the clothing industry and would decrease overstocked inventories.
