CALIFORNIA OUT OF GOTHAM FAIR
SAN FRANCISCO, June 18—(AP)—California today withdrew plans for a \$125,000 exhibit in New York's world fair next year, asserting the Empire state had failed to provide for a promised display of equal cost in the 1939 Golden Gate International exposition here.

The withdrawal was announced by Florence M. McAuliffe and Chas. H. Purcell, respectively chairman and executive officer of the California state commission which has control of the exhibit funds.

California earmarked \$125,000 and placed the sum in escrow for a display in the New York exposition with the understanding the eastern state would spend a like amount here, the commissioners declared.

NO ABATEMENT OF VALENCIA BOMBING
MADRID, June 18—(AP)—Insurgent warplanes continued their relentless bombardment of Valencia and neighboring towns today, making six attacks in the 24 hours ending at noon.

The three heaviest raids were made during the night under the waning light of the moon. The planes swept in repeatedly, trying to land—was unloading at the wharf. The Marconi was sprayed by bomb fragments Thursday.

No casualties were reported.
