

BURBANK COUPLE HURT IN SMASHUP IN TALENT AREA

Mrs. A. N. Reid of Burbank, Cal., suffered a broken right leg, and X-ray picture were being taken this afternoon in Community hospital to determine whether she sustained a skull fracture in an automobile accident at noon today on the new stretch of Pacific highway near Talent. She was in a semi-conscious condition, hospital attendants stated.

The wreck occurred, state police said, when Mr. and Mrs. Reid, traveling north in a 1938 Studebaker coupe, attempted to pass an unidentified truck moving in the same direction and at the intersection of the highway and a gravel road leading to Talent. State police quoted Mr. Reid as saying that just as his machine drew abreast of the truck, the truck driver suddenly signaled for a left turn and swung his vehicle toward the gravel road.

Mr. Reid told police he swerved sharply to the left side of the highway to avoid a collision and managed to pass the truck by traveling on the left shoulder of the road. When he jerked his auto back onto the highway he was unable to straighten it out, and the machine crossed the road and smashed into the ditch on the right side, he explained to the officer. Mr. Reid told police the truck continued on up the gravel road without stopping after the accident.

Mr. Reid sustained a skinned knee and hand and was treated by the state police officer. Neither he nor his wife, only passengers, were thrown clear of the car. The machine was towed to the Lewis Super Service station with a badly damaged front end.

METHODISTS VENERATE PIONEER MISSIONARY

THE DALLES, June 24.—(AP)—Delegates to the 88th Oregon Methodist Episcopal church conference paid homage yesterday to Jason Lee, pioneer Methodist missionary, on the 100th anniversary of his first sermon to Indians at Pulpit Rock.

The delegates were warned by Dr. U. G. Dubach, dean of men at Oregon State college, that the church should return to the philosophy of Lee, as expressed in his words: "I see what God wants done—and I'll do it at no matter what cost."

Dubach rebuked the national administration for paying the farmer to plow under crops and kill livestock when countless thousands needed food.

Wall St. Report

NEW YORK, June 24.—(P)—This week's buying wave in the stock exchange rolled onward today, giving share prices their sharpest five-day upswing in five years.

The earlier hours of the session saw the fastest trading since October, but the wave subsided somewhat as the day wore on, and total turnover fell a little under yesterday's 2,400,000 shares.

Morning gains of \$1 to \$3 a share were about cut in half for a time in the afternoon, as many traders sold to cash in profits on stocks bought at lower levels. Scattered buying reappeared in the final hour, notably in the farm implement issue.

While most issues finished below their extreme gains, several were up \$1 to \$5 at the close and extremes gains for the week were \$10 to more than \$15 in numerous issues. Today's closing prices for 32 selected stocks follow: Al. Chem. & Dye 168 1/2, Am. Can 85, Am. & Fgn. Power 3 1/2, A. T. & T. 140 1/2, Anaconda 29 1/2, Atch. T. & S.
