Seldom, if ever, have the people of this community had the unusual opportunity to participate in such a calamity of circumstances. This tragic situation has been brought about by unavoidable measures of too personal a nature to be published; however these **TREMENDOUS PRICE REDUCTIONS** should prove to you the seriousness of this situation by studying the price reductions on each car, and the long, easy terms to fit any one's budget as outlined below. Any one can read between the lines and know that such sacrifices can only be made under dire financial stress. As **LIQUIDATOR IN CHARGE** my feelings in this situation are purely impersonal. My job here is to liquidate this beautiful stock of automobiles regardless of financial losses to the sponsor of this **PUBLIC BANK SALE**. There is only one way for me to do

NEWLY APPOINTED LIQUIDATOR IN CHARGE UNDER DIRE STRESS CONDITIONS

J. E. DOUGLAS, LIQUIDATING ENGINEER

this quickly as demanded by my appointee; give big price reductions, very, very liberal trade-in allowances to make the necessary down payment (your present car need not be all paid for) and special long, easy terms as outlined below for this **PUBLIC BANK SALE EVENT**. Select your car from this list by marking X opposite the car of your choice. Come early to avoid disappointment, and if you do not have all the money handy, come anyway. A small deposit will hold any of these cars. Let us quote you a deal that will astound you. So come prepared to buy. This **PUBLIC BANK SALE** is strictly forced liquidation and every car must be sold. All spectators welcomed without the least obligation.
