

# Don Budge Crushes Austin to Retain Tennis Title

## BRITISH MARVEL AT STROKING OF AMERICAN FLASH

### Wimbledon Packed for Singles Classic — Royalty Sees Yankee Win Fifth Major Honor in 2 Years

WIMBLEDON, Eng., July 1.—(AP)—Playing in irresistible form, red-headed Don Budge crushed Henry Wilfred (Bunny) Austin of England, 6-1, 6-0, 6-3 today to win the all-England singles tennis championship for the second year in succession.

The great Californian never gave Austin a chance. Bunny held his own service in the second game of the opening set and then never won another until he broke Budge's delivery in the fourth game of the final set.

Rain caused brief delay with Budge leading 4-3 in the third set. After this pause Budge picked up right where he left off, holding his own service in the eighth game and then ending matters in the ninth.

Queen Mary, dressed all in white, arrived just before Budge and Austin came out. This time Budge bowed gracefully and the crowd, remembering another time when he didn't, laughed.

At the end of the fifth game the Duke and Duchess of Kent arrived. The crowd stood up and the match was halted as the duke went over and kissed his mother.

The crowd—20,000 of them packed into a space for 17,000—just sat back and marvelled at the American's play.

It was Budge's fifth successive major tournament victory in two years during which he has achieved the unprecedented feat of holding the British, United States, Australian and French singles titles at the same time, as well as pacing America during its successful campaign to recover the Davis cup last year.

### ASHLAND GRAPPLE CLAIMS INTEREST

A large delegation of Medford grapplers is expected to attend the all-star wrestling card in Ashland's open-air chautauqua Monday night, July 4. Promoter Mack Lillard said today that many reserved seats had already been sold here, and that he expected a capacity crowd of 8000. The program starts at 8 o'clock and every patron will have a ring-side seat to the mammoth fireworks display which will be staged after the matches.

Dude Chick and Ted Christy headline the card, meeting in a match under Texas rules, with nothing barred. In the middle event, Clara Mortenson and Maria Martinez clash in a 40-minute go, or the best two out of three falls. Opening the program will be Bobby Chick and Bulldog Jackson going 30 minutes or for one fall.

## Goodman Feeds His Bride

Johnny Goodman of Omaha, U. S. national amateur golf champion, helped his bride with the wedding breakfast after their marriage before 400 persons in Omaha. The bride is the former Josephine Kerigo of Omaha. Goodman's schoolyard sweetheart.

## ARBA AGER GIVEN CRATER RELEASE FOR ASHLAND JOB

Manager Wally Rickett of Medford's Southern Oregon league Craters announced today that Arba Ager, classy third-sacker, had been given his outright release so that he could sign with the Ashland Lithians for the second-half pennant race, which starts July 10.

Ager has hit 235 for Medford during the first-half of the schedule, obtaining 8 hits, including 2 doubles, in 34 trips to the plate, stolen 3 bases and committed 3 errors. It is understood that he was given a job in Ashland, after waiting vainly two weeks for employment in Medford that failed to materialize. Manager Rickett and officials of the Medford Athletic association, team sponsor, expressed their regret at losing the third baseman, but explained that they could not stand in his way when he was offered a job in Ashland.

Hale Greenan, husky rightfielder who has been playing for the junior Craters, will receive a thorough try-out at the post vacated by Ager. Manager Rickett announced, Greenan is a left-handed batter and right-handed thrower. He has been clearing them long and far for the junior Craters, and the Crater manager believes he will fit nicely into the third base slot, in addition to bolstering the team's offensive punch somewhat.

## ASHLAND LEADERS WILL PLAY PICHE CATBALLERS HERE

Games Tonight  
Inter-City Series  
Ashland vs. Medford, 9 p. m.  
Girls Game  
Fluhrer's vs. Craterian, 8 p. m.

Another game in the inter-city softball series goes on under the stadium lights tonight, when Ashland's undefeated Miner club clashes with Piche, representing Medford, at 9 o'clock. The encounter will bring together Ray Hawk, Piche hurler with the amazing control and Darrell Leavens, ace finger of the Ashland circuit.

At 8 o'clock, two girls teams sponsored by Fluhrer's bakery and the Craterian theatre settle their dispute of superiority.

In last night's special "grudge" game, Wooden Boxmen defeated Timber Products, first-half champs, 4 to 0, behind the brilliant one-hit hurling of Marvin Steiner. The Wooden Box chucker allowed nary a safety until two were out in the last frame, when Cliff McLean spoiled his gallant bid for a no-hit, no-run victory by rapping a clean single and was complete master of the situation at all times.

Sammy Van Dyke, recently signed by the Boxmen, blasted a triple and home run to pace the seven-hit attack of the winners, while Bert Luman, also a newcomer to the Boxmen lineup, belted a triple. The winners scored one in the first and three in the fourth.

It was announced that Jennings Tire company had challenged the winner to a special game, which will be played July 8, if the challenge is accepted.

In the regular Division B encounter, Domestic laundry pounded out a 13 to 4 victory over Elks club. A crowd estimated at 1000 saw the games.

Score: R. H. E.  
Wooden Boxmen 4 7 0  
Timber Products 0 1 2  
Steiner and Wilson; Dale and J. Smith

Billy Hulen says:  
Ray Hawk Boasts Unique Record in Softball Hurling

Marvin Steiner, Earl Dale and Ray Singler may be the leading hurlers of this Division A softball campaign, which is packing the customers in nightly at the high school stadium, but Ray Hawk, Piche's young underhand 11 g.e.f., boasts by far the most remarkable record of them all.

When he beat Steiner and Wooden Boxmen Tuesday night, 6 to 2, Hawk completed his fifth straight full seven-inning game in which not a single opposing batsman has drawn a base on balls. In those five games, a total of 143 enemy hitters have faced Ray, and not one of them has reached first base by a walk. If that isn't control in capital letters, we wonder what is.

Some interesting statistics on Ray's mound work during that game were kept by Jim Murray, who discovered that the hurler delivered the ball to the batter exactly 76 times. Of those pitches, 61 were either strikes or were hit, and only 15 were called balls. In other words, Ray toiled on the rubber to the extent of making an average of less than 11 pitches per inning. His control was so good that he threw 12 straight strikes in the first two frames before he tossed a ball. In the sixth inning, he got three balls and no strikes on a batter, then struck him out.

Southern Oregon league ball clubs will take a Sunday off over the July 4 week-end, no circuit encounters being scheduled while the teams mark time for the second-half opening, July 10. However, three of the six loop members will engage in holiday exhibition games—Ashland meets Hill of the Northern California league at Ashland, July 4; Grants Pass tangles in a two game series July 3 and 4 with the strong Pacific Greyhound team of San Francisco, and Crescent City entertains the Klamath Falls Red Sox of the North of California league in a two game series, July 3 and 4. Medford, Glendale and Yreka, other S. O. L. clubs, have no games slated.

In Grants Pass, they will stage an old-timers game in conjunction with the Greyhound vs. Merchant encounter Monday, July 4. Several of the boys who performed 37 years ago to the day will again be out there taking their cuts and prancing along the base paths. They include Al Earle, Grants Pass catcher, way back in 1901 who has been with the team for 37 years; Carmel Martin, pitcher, who is now a prominent attorney and former mayor of Monterey, Cal.; Andy McCarthy, second base, still in Grants Pass and a

Southern Pacific engineer; Del Howard, former owner and manager of the Oakland Pacific Coast league team and now owner of a resort on the Klamath river, and Roger Enricken.

Fred Roper, Grants Pass Merchant business manager, writes that the Greyhound team is considered the best semi-pro outfit in the Bay district, and mentions the fact that Art Mangini, the pitcher, turned down a \$3500 bonus offered him this spring by the Boston Red Sox to sign a contract. A real smokeballer, Fred claims, Grants Pass has obtained Glenn Elliott, Glendale southpaw, to work the July 3 game against the San Francisco club, while their regular hurler, Steve Crippen, will be on the rubber, Monday.

Cuff scribbles: Hats off to Mr. Bud Forester, director of the Oregon State college athletic news bureau, for his 45-page football information booklet for the 1938 season—the most amazingly complete we have ever seen... it not only gives the lowdown on every Beaver player, along with pages and pages of statistical data on everything imaginable, but takes apart Oregon State's 1938 opponents and reveals what will make them tick, if anything... One of the more rabid softball fans popped off the other day to the effect that if he were running a softball club, he wouldn't have any of those baseball players on my roster, because they can't hit... which is certainly a laugh... softball batting averages, including games of last week, show Cliff McLean merely hitting .555 to lead the kitten ball circuit in batting, Billy Calvert busting the big ball to the tune of .375.

Dick Lewis right up there with an average of .356, George Glizer with a mark of .315, Billy Piche knocking the softball at a .304 clip and Shorty Campbell hitting an "anemic" .289.
